## Financial Assistance

Webber International University makes every effort to keep costs at a minimum while maintaining a high level of instruction and adequate facilities. The Webber International University Office of Financial Aid administers financial assistance funds that have been entrusted to the University by generous individuals and organizations as well as funds made available by the state and federal governments for the purpose of assisting students. More information can be found at the [Webber Financial Aid office](#).

## Applying for Financial Assistance

To be considered for financial assistance, students must first be accepted for admission. Students must file the [Free Application for Federal Student Aid \(FAFSA\)](#) in order to be eligible for need based financial assistance. The FAFSA is available on the internet at <http://www.fafsa.gov>. Enter the Webber School code when applying.

Electronic filing is recommended and preferred as it is significantly faster to process. Students should accept their financial aid within two weeks of receiving their award letter.
