

# Nursing Applicants

## Bachelor of Science in Nursing

### Non-Webber Students

Apply for admission to Webber International University. Students completing the prerequisites at other academic institutions, need to confirm that all courses are equitable to Webber's prerequisite required course list and submit transcripts from all institutions attended. Additional admissions criteria must be met separately for consideration and acceptance into the nursing program.

### Webber Students

Current Webber students interested in pursuing the BSN degree must be in the pre-nursing track and complete all general education requirements and prerequisite courses prior to admission.
