Tampa Library Consortium
Winter Haven Area Chamber of Commerce
STATEMENT OF POLICY

Academic information in this edition of the Webber International University Catalog supersedes all others. Because the educational process necessitates change, Webber International University reserves the right to alter, without prior notice, the provisions listed in this catalog.

Webber International University admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the University. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its education policies, admissions policies, scholarship programs, loan programs, or athletic programs.

That in any advertisement, catalog, brochure, literature, or other material produced by or for this school, any statement which may appear concerning approval for admittance by nonimmigrant students must be limited to the following: "This school is authorized under Federal law to enroll nonimmigrant students."

The University reserves the right to make changes at its discretion and as might seem appropriate in such areas as, but not limited to, procedures, policies, services, requirements, and fee structures, etc. Notification of any such changes will be appropriately circulated. Any such changes will be incorporated into the electronic version of the Academic Catalog, which is the authoritative version of the Catalog.

Note: The electronic version of the Academic Catalog is available on the University website https://webber.edu/current-students/ under Handbooks & Catalogs and is the official and authoritative version of the Academic Catalog.

A MESSAGE FROM THE PRESIDENT

On behalf of the entire Webber International University family, I am very glad that you are interested in Webber.

Webber is a very special place. While our students represent some 48 different nations, we are truly, at our core, a family. Beyond a high quality, highly relevant education, you will find Webber students grow not only academically, but athletically, socially, and personally, in a supportive, collegial, highly engaged environment; our undergraduate students participate in 20 different intercollegiate sports. Some play in our band. They join clubs such as the Fellowship of Christian Athletes, the Marketing Club, the Society of Hosteurs, the Fishing Club, and the Phi Beta Lambda. They participate in the Student Leadership Association, publish the school newspaper, and compete in a variety of intramural competitions. And that’s just for starters… activities, both formal and informal, abound.

While enjoying the same great highly experienced faculty and staff and sharing many of the same world class learning resources as our traditional undergraduate program, our MBA, online, and adult completion programs feature separate, accelerated schedules which recognize the scheduling needs and other differences between traditional undergraduate students and those who have already entered the workforce.

Our entire Faculty holds advanced degrees. Most of our Faculty has both earned doctorates and real life experience in the subjects they are teaching. It is also important to know that it is our faculty, and not graduate students, who actually teach. Graduate assistants do not teach at Webber; they never have, and they never will. You always get a real, live, fully qualified Faculty member at Webber. Further, because we are a teaching school that does not grant tenure, our Faculty is concerned about helping our students achieve success, not publishing their next research paper or chasing their next grant. You'll find that like every other door at Webber, Faculty doors are open; feel free to come meet them. We'd also encourage you to research what help is available if you need it; in addition to our Faculty maintaining office hours, our tutoring lab stays open late into the evening.

The best way to experience Webber is by visiting Webber. You can see our actual classrooms, visit our actual athletic facilities, check out the dorm and Student Union furnishings for yourself, have a real college lunch, and meet, face to face, with Faculty, Financial Aid, me, and others who can answer any questions you might have. Until then, we do hope that you will visit our website to learn more and give you a little taste of the flavor of Webber. If you have questions which remain unanswered, feel free to give us a call at 863-638-2910.

As you consider schools, there are some things which we think are very important. First is accreditation. Webber International University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), the regional accreditor for Florida.
President's Message

We cannot urge strongly enough that you check the accreditation of any school you are considering.

We also encourage you to get a feel for the staff of any school you are considering. Talk to the Financial Aid office. Nearly all of our students receive some sort of financial aid. Each case is different, but often, when students actually sit down and do the math, factoring in all sources of financial aid, they find that a Webber education is not only an affordable option but actually one of their most affordable options. Talk to the coaches. As you meet the various members of the Webber family, we think you will like the personal attention you receive.

Finally, we think you should ask any school you're considering what it is their graduates are doing. We have, since 1927, been equipping leaders--supervisors, managers, CEO's and entrepreneurs--with the tools they need to succeed. Preparing tomorrow's leaders for their first jobs and their first few promotions is all we have done for over eighty seven years. This single focus, together with strong linkages to the business world, has resulted in a career placement rate which few schools can boast. Talk to our Career Services office. When you do, be sure to ask what our placement rate is and where our graduates are working. While neither Webber nor anyone else can guarantee you a job or salary, we think you'll be impressed with our results.

Thank you for taking the time to learn more about Webber International University. If there is any way we can assist you, please be sure you let us know.

Keith Wade
President
Webber International University
And
St. Andrews University
(a branch of Webber International University)
(collectively, The University)

MISSION

The University's mission is to offer students an array of business, liberal arts and sciences, and pre-professional programs of study that create a life transforming educational opportunity which is practical in its application, global in its scope, and multi-disciplinary in its general education core. Students will acquire depth of knowledge and expertise in their chosen field of study, balanced by breadth of knowledge across various disciplines. Special emphasis is placed on enhancing oral and written communication, and critical thinking skills.

The University awards degrees at the bachelor and master levels at locations in Florida and North Carolina, as well as the associate level in Florida. Traditional classroom, online, and hybrid learning environments are available. Opportunities exist for students to draw on the courses and programs of study at both locations through online courses and/or periods of residence at either campus. Webber's programs in Florida focus on the worldwide business environment, and emphasize development of skills in administration and strategic planning, applied modern business practices, and entrepreneurship. The St. Andrews branch campus in North Carolina offers an array of traditional liberal arts and sciences and pre-professional programs of study.
History

On April 6, 1927, Grace Knight and Roger W. Babson founded the University which carries the name of their granddaughter, Camilla Grace Webber. Roger was best known for his contributions in the areas of economics and finance, which included the establishment of Babson's reports and authorship of a number of business publications and books. His philanthropic contributions included the formation of several institutions of higher learning and service on a number of corporate boards, as well as the endowment of several charitable foundations.

Webber was founded as a women’s college, with the exclusive purpose of teaching women about business. It was the first school chartered under the educational and charitable laws of the State of Florida as a non-profit organization. Originally the Babson Park campus was only used for the Spring term, while fall classes were taught in Boston. In 1940, Babson Park became the University’s permanent campus, and our student body became co-ed in 1971. Webber is owned and controlled by the Members of Webber International University, Inc., a Florida not-for-profit corporation, who also serve as the University's Board of Trustees.

Our campus is situated on the shore of beautiful Crooked Lake and in addition to our classroom and administration buildings, we have a Student Union, five dormitories, two gymnasiums, a state of the art fitness center and a conference center.

Webber is a member of the NAIA and the Florida Sun Conference. Webber women participate in soccer, volleyball (indoor and beach), basketball, tennis, softball, cross-country, triathlon, golf, track and field and bowling. Men compete in cross-country, soccer, basketball, tennis, baseball, golf, track and field, triathlon, football and bowling.

In addition to our traditional undergraduate program, we proudly offer a Master of Business Administration degree program with emphasis in Accounting, Criminal Justice Management, International Business, and Sport Business Management. We also offer an adult education program. Webber will continue to propagate the ideals envisioned by its founders. Built upon a solid legacy of experience and knowledge, Webber will prepare tomorrow’s business leaders to meet the challenges of the future by instilling a desire for innovative thought and creative accomplishment.

In 2011, as part of its long-range strategic development plan, Webber merged with St. Andrews Presbyterian College (now operating as St. Andrews University), Laurinburg, North Carolina. St. Andrews is a liberal arts and sciences institution that has been serving students at its current location for over 50 years. By means of the merger, Webber expanded the academic opportunities and curricular offerings available to its students, extended the reach of its educational programs, and positioned itself for additional growth and service to students.
In addition, in 2011, the University of North Carolina Board of Governors approved interim licensure for Webber to conduct post-secondary degree activity in North Carolina (for which the required tuition Guaranty Bond, which is accessible for review, is held by Western Surety Company of Sioux Falls, South Dakota), and to designate St. Andrews as an additional instructional location.

Webber International University is located and chartered in the State of Florida and is included among the independent colleges and universities that are exempt from Florida licensure.

The principal office of the corporation is 1201 N. Scenic Highway, Babson Park, Florida 33827-0096 (telephone: 800-741-1844). The electronic mail address of the principal office of the corporation, and of the University, is www.Webber.edu.
CAMPUS FACILITIES

Webber's 110 acre campus is located along beautiful Crooked Lake, officially designated an Outstanding Florida Water by the State. The clear lake provides opportunities for water sports and settings for outdoor recreation.

The campus also contains a softball field, soccer field, baseball stadium, tennis courts, a swimming pool, beach volleyball courts and a practice football field. Two gymnasiums provide basketball and volleyball courts, locker rooms, and co-ed weight-training equipment in the fitness center.

The "Doc Dockery" Student Union was specifically designed for student meeting and socializing. Students gather at the snack bar or in the game rooms, meditate in the chapel, and shop for school supplies and gifts at the University bookstore, The Cubbyhole.

Grace Hall and Camilla Hall and the three new residence halls offer accommodations overlooking Crooked Lake. Grace Hall, Camilla and Miranda Hall provide laundry facilities. The dormitories are connected to the Babson Center, which houses the main reception area for the campus, the dining room, and the Babson Forum Room.

The Admissions Department is located in the Yentes Conference Building and Student Services is found in the McConnell Building.

Directly across from the campus is the Babson Park Post Office. The village itself is a short walk away where students will find a convenience store, beauty salon, and gasoline station. The towns of Lake Wales and Frostproof are both six miles from campus, and each provides other necessary services and shopping not found in Babson Park.

GRACE AND ROGER BABSON LEARNING CENTER

In its role as campus library, the Babson Learning Center serves as the "gateway" to information for students, faculty, and staff of the University. The 100% electronic academic resource collection provides over 200,000 e-books as well as a vast assortment of video and audio files, images, and journal articles. These e-resources have the advantage of being updated on a regular basis and are accessible anywhere, anytime on multiple mobile devices. Several computers and printer as well as wireless service are available for student use. Group study rooms, a presentation practice room, an audiovisual viewing area and classroom are also available. The Webber Historical Center displays information and artifacts chronicling the creation and history of the University. The Rare Book Room houses a collection of Roger Babson's published books, his personal books, gift book collections, and a collection of Civil War monographs.
UNDERGRADUATE DEGREE PROGRAMS AND OFFERINGS

The purpose of the Webber programs is to create a contemporary and dynamic learning environment well suited to Business Administration needs. The University offers Bachelor and Associate degrees in Business Administration with the following majors:

- Accounting
- Computer Information Systems*
- Criminal Justice Management
- Finance
- Hospitality and Tourism Management
- Integrated Marketing Communications*
- Management
- Sport Business Management

*Not available for Associate degree.

The University also offers a Bachelor of Science in General Business Studies, a Bachelor of Arts in Elementary Education and a combined BS and MBA Program.

The University offers minors in the following areas:

- Accounting
- Computer Information Systems
- Finance
- Hospitality and Tourism Management
- Human Resource Management
- Marketing
- Professional Business Writing
- Sport Business Management
DEGREE REQUIREMENTS

To complete a degree, the student must meet both common core and area of concentration requirements. Deviations from the recommended program may be made only with the approval of the student's advisor, the division chairman, and the Chief Academic Officer.

The courses labeled "tailored electives" together with the electives within the general education core constitute over a full year of elective courses. These courses, with a student advisor's consultation, are tailored to meet individual career needs. Such latitude enhances the student's opportunities to meet their goals.

UNDERGRADUATE DEGREE REQUIREMENTS: AS AND BS

Associate of Science
Curriculum Requirements - Satisfactory completion of a minimum of 60 academic semester hours of credit or equivalent in an approved program as outlined in this catalog and as determined by the faculty of the department.
Residence Requirements - a) The minimum residence requirements for the associate degree is 30 hours. b) Students are required to complete 30 of the last 33 credits applied toward the Associate Degree during regular residence in the University.
GPA Requirement - Students must maintain a 2.00 or higher grade point average for all study completed at Webber International University.
Physical Education - Students will be allowed no more than 3 credits of Physical Education courses toward grade point average. These credit hours will not count toward Graduation requirements.
Application for Graduation - Application for graduation must be filed in the Registrar's office at least one semester before the semester of graduation.
Financial Obligations - All financial obligations to the University must be fulfilled.

Bachelor of Science
Curriculum Requirements - Satisfactory completion of a minimum of 120 academic semester hours of credit or equivalent in an approved program as outlined in this catalog and as determined by the faculty.
Residence Requirements - a) The minimum residence requirements for the Bachelor's Degree is 30 hours. b) Students are required to complete 30 of the last 33 semester hours of credits applied toward the Bachelor's Degree in regular residence in the University.
GPA Requirement - Students must maintain a 2.00 or higher grade point average for all study completed at Webber International University.
Physical Education - Students will be allowed no more than 3 credits of Physical Education courses toward grade point average. These credit hours will not count toward Graduation requirements.
Application for Graduation - Application for graduation must be filed in the Registrar's office at least one semester before the semester of graduation.
Financial Obligations - All financial obligations to the University must be fulfilled.
The General Education Curriculum

The University's general education curriculum flows directly from the institution's Mission statement where it says: "Students will acquire depth of knowledge and expertise in their chosen field of study, balanced by breadth of knowledge across various disciplines. Special emphasis is placed on enhancing oral and written communication, and critical thinking skills."

In addition, the general education curriculum reflects the University's belief that it is the balance of breadth and depth which will help students to meet the challenges and profit from the opportunities that they will confront in a rapidly changing world where intellectual and professional flexibility, and communication and critical thinking skills, are often among the prerequisites for long-term success.

The general education core for all degree programs at Webber International University includes one or more required or elective courses in the following areas:
- Written and Oral Communications.
- Mathematics / Natural Science
- Humanities
- Social / Behavioral Science

Additional general education electives, courses from these four areas, allow the student to explore or experience new concepts or to expand their general knowledge and skills.

Second Bachelor of Science Degree in Business Administration

A student seeking to earn a second bachelor's degree in business administration in another concentration would complete 120 credit hours toward the first BS degree, and then would be required to complete an additional 30 credit hours and fulfill requirements for the second major. The additional 30 hours must fulfill the second degree requirement and not duplicate any of the first degree requirements. The student will complete the second BS degree with a minimum of 150 credit hours.

Minors

Minors are offered in many of the areas of concentration. The requirements range from 12 to 15 credits hours. Please see the requirements for each minor on page 46. Courses that are required in your major cannot be used in your minor, unless otherwise indicated.

Graduation

Webber degrees are conferred during graduation ceremonies held each spring at the completion of the spring semester of the academic year.

December graduates from the previous fall semester, spring graduates and any student who has a 2.00 cumulative GPA, is pre-registered to complete his degree by the end of August, and has completed an application for graduation, will be allowed to participate in the spring graduation ceremony.
Graduation Honors

Honors recognition is given to degree candidates whose cumulative grade point average for all study completed is 3.50 or higher.

Baccalaureate students who have earned 60 hours at Webber International University may receive the following designated honors:

- **Cum Laude**: 3.50 - 3.69
- **Magna Cum Laude**: 3.70 - 3.89
- **Summa Cum Laude**: 3.90 - 4.00

July graduates are not eligible for honor recognition, since course work is not completed before commencement. The July graduate may, however, wear the earned honor cord.

THE COMBINED BS and MBA PROGRAM

This is an accelerated program for the academic achiever to complete both a BS degree in Business Administration with an approved major and a MBA degree in five years. The student must demonstrate superior academic performance by having an overall GPA of 3.50 or better when applying for this program and maintain this GPA going into the senior year.

In accord with policy published elsewhere in this Catalog under Degree Requirements, a minimum of 120 semester credit hours is required for a Bachelor’s degree and a minimum of 36 semester credit hours is required for an MBA degree. Therefore, a combined bachelor/master degree program will include a minimum of 156 semester credit hours.

The program is divided into a 3+1+1 format.

- Three years (Freshman, Sophomore, and Junior) of standard undergraduate work in their major. Upon completing the Junior year, all students in the Combined BS and MBA program must have completed at least 90 credit hours toward graduation at Webber.
- Qualified students will be allowed to take two graduate courses in their last semester of their senior year. Upon completion of the BS degree program, if the student is in good academic status with both graduate and undergraduate courses, the student is automatically accepted into the MBA program with no MBA application procedure and fee.
- One year (graduate year - Summer through Summer terms) as a full-time MBA student to complete the MBA degree.

The student can apply any time during their junior year.

- Prior to the completion of the BS degree program, the student is charged the full time undergraduate tuition. Upon acceptance into the MBA program, the student is charged the graduate full time tuition.

College senior students from other institutions, who have 90 credit hours toward graduation when transferred to Webber, can apply. The student's GPA from the other institutions will be taken into consideration with other factors in determining whether to accept the student into the program. For these students, the program becomes a 1+1 program consisting of the same Senior year and Graduate year as described above.

*This program is not available to General Business Studies major.*
e-LEARNING FOR ONLINE COURSES AND DEGREE

Goal: The goal is to provide e-Learning programs to students who are self-motivated and feel comfortable using computer technology for taking online courses offered at Webber International University & St. Andrews.

Objectives:
1. To provide students with full-service distance learning opportunities, including AA, BS, BA and MBA degree programs, online admissions, registration, orientation, testing, financial aid and learning resources.
2. To ensure that all online courses offered at Webber & St. Andrews will maintain the academic integrity of the University.

Online Degrees: A student may choose our online Bachelor of Science in Business Administration degrees in Computer Information Systems, Criminal Justice Management, Finance, and Sport Business Management as well as Bachelor of Science degree in General Business Studies by taking courses entirely online.

System Requirements: As a student in the Webber online degree program, you must have a computer system capable of running all required application software (i.e., Microsoft Office Suite) and have high speed Internet access.

Moodle is the online classroom management system used by Webber. Various browsers (Internet Explorer, Firefox, Chrome, Safari, etc.) interact with Moodle and remote access into our network system in different ways - sometimes not productively; therefore, Webber recommends Microsoft Internet Explorer X (8 in 2012, or higher) as your web browser.

Some of the online courses may require you to watch online videos or to create a PowerPoint slide presentation with embedded audio of your speech. The course syllabus will state whether any specialty hardware is required for the course. Specialty hardware might include:
- Sound card & speakers
- USB Microphone headset to record your speech and listen to the playback.
- USB Video camera

Some applications may require that the following programs are installed on your computer system: Adobe Flash player, Adobe Reader, Adobe Shockwave player, Java, QuickTime, etc. Programs within Microsoft Office 2016 are used in most online courses to complete assignments. If you do not have access to Microsoft Office or the individual programs, either purchase the software, or use remote access into the Webber network system and use the software on the student system.

All written documents must be submitted in Word 2016 format.
All spreadsheet files must be submitted in Excel 2016 format.
All slide presentations must be submitted in PowerPoint 2016 format.
All database projects must be created in Access 2016 format.

*It is possible that some courses may permit the use of earlier versions of the software; please consult your professor for specific requirements*.
Some of the online courses may require the use of other specialty programs. The syllabus will state whether specialty software is required for the course and how to obtain it. Any of these programs will be available through remote access into the Webber network system.

**How to become a successful online student**

- Develop good time management skills. Expect to spend at least 50 to 60 hours per course. During a regular semester, that is approximately 4-5 hours each week per course. Develop a weekly schedule in which you have scheduled that amount of time for each course. Use your time wisely. When working on your courses, keep yourself focused on the work that must be done.
- Keep up with your work; do not fall behind. The best way to accomplish this is to be about a week ahead of schedule. If something happens and you are not able to work for several days, you will still be able to submit your work on time. Life happens. Situations are going to occur that will prevent you from working on your course work. If it is a scheduled event (business trip), then work to get ahead so that you will be able to submit your assignments before the event. If an unusual event occurs, such as a death in the family, contact the Academic Affairs Office and your professors as soon as possible.
- Do not wait until the deadline to submit an assignment or take a quiz. If Moodle goes down, the professor may make arrangements for submitting an assignment late or to extend the closing date/time for a quiz. If you have a technical problem, such as the Internet is not working, you are still expected to submit your assignments on time and take the quiz within the allotted time period. Therefore, do not wait until the last minute. Submit assignments and take quizzes early.
- At the beginning of the semester, read and study the syllabus. Know what is expected of you in the course. Check your syllabus and Moodle several times each week for assignments and due dates. By doing this, you will not accidentally miss an assignment.
- Keep regular communications with the instructor. When you have questions, concerns, or maybe want a little clarification about an assignment, contact your professor via email. If you are having difficulties in a class, let the instructor know immediately. Don't wait until it is too late to ask for help.
- What you get from a course is based on how much effort you put into it. In an online course, you may be given more flexibility into what you study. In these situations, you must put forth your full effort.
- When completing assignments, do not cheat. You are expected to do your own work. (please see Webber Policy on Cheating) When writing a research report, do not plagiarize (please see Webber Policy on Plagiarism). You are expected to analyze similar or opposing concepts and ideas of several authors that are found in the literature and express those combined concepts and ideas in your own words. Use direct quotes sparingly. Do not use a direct quote to make a point; use a direct quote to emphasize a point you have already made. Include proper source documentation on each paragraph.
- Good attendance in any course is important. For an online course, attendance is measured by logging into Moodle regularly, participating in online discussions and submitting assignments on time.

**Academic Support Services:** The University will provide, or arrange to have provided, academic support services such as remote access to information resources, academic advising and support, and technology support services appropriate to the particular course or program of study. All online classes will incorporate both synchronous and asynchronous interaction and feedback between the instructor and members of the class. For this purpose, chat room, discussion board, assignment feedback, and email communication are incorporated into the delivery of online courses.
BUSINESS ADMINISTRATION
The Associate of Science and Bachelor of Science programs allow a student to pursue a variety of business oriented areas of concentration. These programs provide students with the necessary skills to successfully enter the business community.

REQUIREMENTS FOR BSBA MAJORS:
ACCOUNTING PROGRAM

- Chair: Mr. John Logsdon, Associate Professor  
  Logsdonjj@webber.edu

This program is designed to provide the graduate with the conceptual accounting and business knowledge necessary as a foundation to pursue an accounting career. For those students pursuing the Associate of Science degree, the program is designed to provide the graduate with the necessary knowledge to obtain immediate employment in the area of financial or cost accounting.

For those students pursuing the Bachelor of Science degree, the program is designed to provide the graduate with the necessary concepts relating to the various disciplines that comprise the body of knowledge of accounting, specifically the areas of financial accounting, cost accounting, auditing, and taxation. For students who are planning to take the Certified Management Accountant (CMA) examination, they are eligible to do so with just a Bachelor of Science degree. No further education is required. For students who are planning to take the Certified Public Accountant (CPA) examination in Florida, they are eligible to sit for the exam upon completion of the Bachelor of Science degree. However, they must also meet the following minimum education requirements as part of their education under the current State of Florida CPA law to sit for the examination:

- 24 semester hours in accounting beyond elementary accounting courses (300 level or higher), including courses in the following areas: taxation, auditing, financial and cost/managerial accounting, and accounting information systems.
- 24 semester hours in general business courses at the junior (300) level or higher (with some exceptions), including at least 3 credit hours of business law.

**Accounting:**

**Bachelor of Science Degree**  30 Cr.

ACC301 - Intermediate Accounting I
ACC302 - Intermediate Accounting II
ACC340 - Federal Income Tax of Individuals
ACC351 - Cost Accounting
ACC460 - Auditing I
ACC465 - Auditing II
MGT440 - Operations Analysis & Management
MGT499 - Policy & Strategy

*Alternative concentration requirements:*
Two (2) of the following three (3) courses
ACC312 - Accounting Info. Systems
ACC435 - Acct. for Government & Non-profit
ACC499 - Accounting Internship

**Associate of Science Degree**  12 Cr.

ACC301 - Intermediate Accounting I
ACC302 - Intermediate Accounting II
ACC351 - Cost Accounting
ACC312 - Accounting Information Syst.

**Minor**  15 Cr.

ACC301
ACC302
Three (3) courses at the 300 or 400 level (not to include ACC499)
The suggested course sequence for the **Accounting** program is as follows:

### YEAR I

**Fall Semester**  
ACC201 - Financial Acct.  
CIS101 - Introduction to Computers  
ENG111 - English Comp. I  
MAT121 - College Algebra  
Humanities Elective

**Spring Semester**  
ACC202 - Managerial Acct.  
ECO241 - Microeconomics  
ENG112 - English Comp. II  
CIS270 - Adv. Spreadsheet App. in Business  
Math or Science Elective

### YEAR II

**Fall Semester**  
*ACC301 - Intermediate Accounting I  
ECO242 - Macroeconomics  
MGT250 - Principles of Management  
BUS210 - Career Development  
Tailored Elective

**Spring Semester**  
*ACC302 - Intermediate Acct. II  
FIN360 - Principles of Finance  
MKT250 - Principles of Marketing  
SBS250 - Psychology  
General Education Elective

### YEAR III

**Fall Semester**  
*ACC351 - Cost Accounting*  
ENG280 - Foundations of Rhetoric  
BUS310 - Business Statistics  
Tailored Elective

**Spring Semester**  
*ACC312 - Acct. Info. Systems  
ENG330 - Writing Professionally  
*ACC435 - Gov. & Non-profit*  
*ACC99 - Acct. Internship  
General Education Elective  
Science Elective

### YEAR IV

**Fall Semester**  
BUS350 - Business Law  
*ACC460 - Auditing I  
MGT440 - Oper. Analysis & Mgmt.  
Social Science Elective  
Tailored Elective

**Spring Semester**  
*ACC465 - Auditing II  
MGT499 - Policy & Strategy  
BUS351 – Business Law II  
Tailored Elective  
Tailored Elective

**AND 2 OF THE FOLLOWING 3 COURSES**  
ACC312: ACCOUNTING INFO. SYSTEMS  
ACC435: ACCOUNTING FOR GOV. & NON PROFIT  
ACC499: ACCOUNTING INTERNSHIP

**NOTE** - The following Accounting courses alternate in time between evening/day every other year.  
(ACC301, ACC302, ACC312, ACC340, ACC351, ACC435, ACC460, ACC465). Please see the course schedule for more information.

### Elective Key:

- **Social Science Electives:** POL, HIS, SBS  
- **General Education Electives:** ART, ENG, FES, HIS, HUM, POL, PHY, SCI, SBS, SPA  
- **Humanities Electives:** HUM, ENG206/207/208, ENG201, ENG215  
- **Science Electives:** FES, PHY, SCI  
- **Tailored Electives:** Courses that could be considered useful to your major  
- **Team Sport PHE:** (limit three times; does not count toward graduation)
COMPUTER INFORMATION SYSTEMS PROGRAM

- Chair: Dr. Charles Wunker, Professor  Wunkerct@webber.edu

This major is designed to prepare the graduate with skills in information systems and management for an entry-level position that could lead to a career in a variety of Information Systems positions. The student will develop skills with typical "office" software packages, basic networking concepts, relational database design and SQL programming, web design, structured programming using one or more high-level programming languages, systems analysis and design, team management, and a fundamental knowledge of the organizational structure. Courses in the program are designed around realistic business problems and hands-on experience. As the graduate expands his/her knowledge and skills with specific software and systems, and develops important experience; career opportunities widen into positions, such as systems/network administrator, programmer, data analyst, systems designer, systems analyst, systems engineer, or MIS manager.

**Computer Information Systems**

Bachelor of Science Degree  33 Cr.

CIS275 - Intro to Data Analytics for Business Decision Management
CIS295 - Presentation Management
CIS320 - Information Systems
CIS340 - Web Design for E-Commerce
CIS360 – Data Communications in Information Systems
CIS370 - Digital Forensics
CIS435 - Visual Basic Programming
CIS440 - DB Design & SQL Programming
CIS455 - Internship in CIS
CIS470 - Programming using C#
CIS499 - Seminar in Information Systems (Capstone)

To enhance the CIS major, students are encouraged to take:

- MAT320, Business Calculus as the math/science elective (offered Spring). This course is not as rigorous as a 2-term calculus sequence for mathematics, physics, or engineering students. You will learn basic calculus concepts that can be applied to business applications. The process of learning business calculus will strengthen your knowledge of basic financial relationships-especially in non-linear situations, which is more typical in the real world.
  Pre-requisite: MAT121
- ENG240, Technical Writing as a General Education or Tailored Elective (offered every other year - Spring).
- ENG420, Publication Design and Editing as a General Education or Tailored Elective.

As an Information Systems (IS) professional, you will be expected to create technical documents including user manuals. These two ENG courses will help you to improve your document design and professional writing skills.

Minor  12 Cr.

The minor in computer information systems is designed to supplement the graduate's skills in their major area of study with higher-level skills in information systems technology. All majors require two CIS courses in the Business Core module. Choose any four CIS courses beyond the two CIS requirements in the business core for a total of six CIS courses.
The suggested course sequence for **Computer Information Systems** is as follows:

**YEAR I**

**Fall Semester**
- CIS101 - Introduction to Computers
- ENG111 - English Comp I
- MAT121 - College Algebra
- Humanities Elective
- Social Science Elective

**Spring Semester**
- CIS270 - Adv. Spreadsheet App in Bus
- ENG112 - English Comp II
- ECO241 - Microeconomics
- SBS250 - Psychology
- Math/Science Elective

**YEAR II**

**Fall Semester**
- CIS295 – Presentation Management
- ACC201 - Financial Accounting
- ECO242 - Macroeconomics
- BUS210 - Career Development
- MGT250 – Prin. of Management

**Spring Semester**
- CIS320 - Information System
- CIS340 - Web Design for E-Commerce
- ACC202 - Managerial Accounting
- MKT250 - Principles of Marketing
- ENG280 - Foundations of Rhetoric

**YEAR III**

**Fall Semester**
- CIS275 - Data Analytics
- CIS360 - Data Comm. In IS
- BUS310 - Business Statistics
- General Education Elective
- General Education Elective

**Spring Semester**
- CIS370 – Digital Forensics
- ENG330 - Writing Professionally
- FIN360 - Principles of Finance
- Science Elective
- Tailored Elective

**YEAR IV**

**Fall Semester**
- CIS435 - Visual Basic Program
- BUS350 - Business Law
- CIS440 - DB Design and SQL Program
- Tailored Elective
- Tailored Elective

**Spring Semester**
- CIS499 - Seminar in Information Systems
- CIS470 - Program using C#
- CIS455 - Internship
- Tailored Elective
- Tailored Elective

**Elective Key:**

- **Social Science Electives:** POL, HIS, SBS
- **General Education Electives:** ART, ENG, FES, HIS, HUM, POL, PHY, SCI, SBS, SPA
- **Humanities Electives:** HUM, ENG206/207/208, ENG201, ENG215
- **Science Electives:** FES, PHY, SCI

- **Tailored Electives:** Courses that could be considered useful to your major
- **PHE – Team Sport:** (limit of three times; does not count toward graduation)
CRIMINAL JUSTICE MANAGEMENT

- Chair: Dr. Peter Barone, Associate Professor  Baronepa@webber.edu

Webber's Criminal Justice Management (CJM) Program combines BSBA core courses and criminal justice courses making the program one of a kind which will provide a distinctive and exclusive program that will be of immeasurable benefit to current law enforcement personnel and traditional students who would be interested in entering the law enforcement workforce as their careers. This program is offered both online and on-site.

Criminal Justice Management:

Bachelor of Science Degree  34 Cr.
CJM101- Introduction to Criminal Justice
CJM102- Introduction to Criminology
CJM201- Criminal Law and Procedure
CJM202 -Introduction to Corrections
CJM302- Criminal Investigations
CJM303- Intro to Law Enforcement Operations
CJM401- Advanced Issues in CJM
CJM402- Police Report Writing
CJM403- Criminal Evidence
CJM404- Criminal Justice Admin & Management

*Alternative concentration requirements: Two (2) of the following three (3) courses
CJM301 - Juvenile Delinquency
CJM/POL305 – Constitutional Law
CJM495 - CJM Internship (required for students not in law enforcement professions)

Associate of Science Degree  21 Cr.
CJM101- Introduction to Criminal Justice
CJM102- Introduction to Criminology
CJM201- Criminal Law and Procedure
CJM202- Introduction to Corrections
CJM301- Juvenile Delinquency
CJM302- Criminal Investigations
CJM303- Intro to Law Enforcement Operations

**CJM Electives (suggested):**
CIS101 – Introduction to CIS
CJM203 - Fire Scene Death Invest. & Evidence Collection
CJM210- Topics in Forensic Science
CJM410- Crime Scene Invest. & Evidence Collection
The suggested course sequence for **Criminal Justice Management** is as follows:

**YEAR I**

**Fall Semester**
- CIS101 – Intro to CIS
- ENG111 – Eng. Comp I
- MAT121 - College Algebra
- CJM101 - Intro to Criminal Justice
- CJM201 - Intro to Crim. Law and Pro

**Spring Semester**
- CIS2XX – Any 200-level CIS course
- ECO241 - Microeconomics
- ENG112 - Eng. Comp II
- CJM202 - Intro to Corrections
- SBS250 - Intro to Psychology

**YEAR II**

**Fall Semester**
- ACC201 - Financial Accounting
- CJM102 - Intro to Criminology
- ECO242 - Macroeconomics
- MGT250 - Principle of Management
- *CJM301 - Juvenile Delinquency

**Spring Semester**
- CJM302 - Criminal Investigations
- MKT250 - Principles of Marketing
- CJM303 - Law Enforcement Oper.
- ENG280 - Foundation of Rhetoric
- CIS320 – Information Systems

**YEAR III**

**Fall Semester**
- ENG330 - Writing Professionally
- BUS310 - Business Statistics
- ACC202 - Managerial Accounting
- *CJM/POL305 – Constitutional Law
- CJM401 – Advanced Issues in Crim. Justice
- Tailored Elective

**Spring Semester**
- FIN360 - Principles of Finance
- CJM403 - Criminal Evidence
- Science Elective
- General Education Elective
- General Education Elective

**YEAR IV**

**Fall Semester**
- BUS350 - Business Law
- Tailored Elective
- Tailored Elective
- Tailored Elective
- Math or Science Elective

**Spring Semester**
- CJM402 – Police Report Writing
- *CJM495 - CJM Internship
- Social Science Elective
- Tailored Elective
- Tailored Elective

*AND 2 OF THE FOLLOWING 3 COURSES*
- CJM301: JUVENILE DELIQUENCY
- CJM/POL305: CONSTITUTIONAL LAW
- CJM495: CJM INTERNSHIP (required for students not in law enforcement professions)

**Elective Key:**
- **Social Science Electives:** POL, HIS, SBS
- **General Education Electives:** ART, ENG, FES, HIS, HUM, POL, PHY, SCI, SBS, SPA
- **Humanities Electives:** HUM, ENG206/207/208, ENG201, ENG215
- **Science Electives:** FES, PHY, SCI
- **Tailored Electives:** Courses that could be considered useful to your major
  - CJM210, CJM402, CJM410/CIS101
- **PHE – Team Sport:** (limit three times; does not count toward graduation)
Undergraduate Degree Programs & Offerings

FINANCE PROGRAM

- Chair: Dr. Jeannette Eberle, Professor  
  Eberleja@webber.edu

This program is designed to prepare the graduate for a career in a variety of financial management positions. The student will develop an understanding of the theory of finance and the interaction of private and public sector finance as they relate to the overall economy. The student will develop a theoretical as well as a practical understanding of the various areas in the field of finance: banking, investments, financial institutions, portfolio management, and general financial management.

**Finance:**

Bachelor of Science Degree  30 Cr.
CIS320 - Information Systems
FIN400 - Corporate Finance
FIN470 - Managing Financial Institutions
FIN480 - Seminar
FIN490 - Investments
MGT321 - Business Ethics
MGT440 - Operational Analysis
MGT499 - Policy & Strategy

*Alternative concentration requirements:* Two (2) of the following three (3) courses
ECO300 - Money & Banking
ECO451 - International Trade & Finance
FIN495 - Finance Internship

Associate of Science Degree  9 Cr.
ECO300 - Money & Banking
FIN150 - Personal Financial Management
FIN360 - Principles of Finance

Minor  12 Cr.
Four (4) economics or finance courses (12 credits) outside the business core curriculum;
Two (2) of these courses (6 credits) must not be in the student's major curriculum.

*Area of concentration and tailored electives to include an additional computer course total requirement
The suggested course sequence for **Finance** is as follows:

HOSPITALITY AND TOURISM MANAGEMENT PROGRAM

- Chair: Mr. Ian David, Assistant Professor  
  Davidim@webber.edu

The graduate of Webber International University's Hospitality and Tourism Management program will have the knowledge and skills needed to be an effective manager in the hospitality industry. The program is designed to give the student both theory and practice in the most relevant aspects of Hospitality and Tourism Management. The graduate will have learned how to deal with human and material resources, how to face challenges in a positive and productive manner, and how to direct a team effort in the delivery of superior service.

INTEGRATED MARKETING COMMUNICATIONS

- Chair: Mr. Ronald Weber, Assistant Professor                                            Weberra@webber.edu

Integrated marketing communications (IMC) has become a powerful force in the digital era—aimed at creating unified, strategic messages that use all promotional tools and channels to build a successful brand and organization. Webber’s IMC program combines study in advertising, business communications, emerging media, marketing strategy, and public relations to help students excel in today’s IMC workplace. Students pursuing a BSBA degree in IMC will choose a focus on executive-level communications, strategic marketing, emerging media and social media, or creative communications, as well as electives that support their areas of interest. IMC is an interdisciplinary program designed to fit students’ needs and prepare them for a wide variety of positions in marketing and communications.

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION IN INTEGRATED MARKETING COMMUNICATIONS

Common Core Requirements
(General Education Core and Business Core) major requirements, including a chosen 9-hour path; and a minimum of 15 hours of tailored electives.

- **Team Sport PHE:** (limit of three times; does not count toward graduation)
MANAGEMENT PROGRAM

- Chair: Dr. Fred Fening, Professor Feningfa@webber.edu

The program's inherent flexibility promotes the skills to manage in a variety of business and industry positions. The carefully planned courses provide the student with the foundation for making intelligent business decisions.

Entrepreneurial education is an essential component of the Management Program. Emphasis is placed on: creating and revising strategic plans; processes leading to planned outcomes; budgets and controls; personnel issues and ethics in business. These skills are as applicable to small business as they are to medium and large business enterprises. The development of self-direction is the focus of the Management Program.

Management:

Bachelor of Science Degree 30 Cr.
CIS320 - Information Systems
FIN400 - Corporate Finance
MGT312 - Human Resource Management
MGT321 - Business Ethics
MGT325 - Entrepreneurship
MGT412 - Organization Theory & Behavior
MGT440 - Operations Analysis & Management
MGT499 - Policy & Strategy

*Alternative concentration requirements: Two (2) of the following three (3) courses
BUS300 - Business Internship
ECO451 - International Trade & Finance
MKT420 - International Marketing

Associate of Science Degree 6 Cr.
MGT312 - Human Resource Management
MGT325 - Entrepreneurship

*Area of concentration and tailored electives to include an additional computer course total requirement
The suggested course sequence for Management is as follows:

**YEAR I**

**Fall Semester**
- CIS101 - Introduction to Computers
- ENG111 - English Comp. I
- MAT121 - College Algebra
- Humanities Elective
- Tailored Elective

**Spring Semester**
- ECO241 - Microeconomics
- ENG112 - Eng. Comp. II
- SBS250 - Psychology
- Math or Science Elective
- Tailored Elective

**YEAR II**

**Fall Semester**
- ACC201 - Financial Acct.
- ECO242 - Macroeconomics
- MKT250 - Principles of Marketing
- MGT250 - Principles of Management
- BUS210 - Career Development

**Spring Semester**
- ACC202 - Managerial Acct.
- CIS240 - Computer App. in Business
- MGT325 - Entrepreneurship
- MGT312 - Human Resource Mgmt.
- ENG280 - Foundations of Rhetoric

**YEAR III**

**Fall Semester**
- MGT321 - Business Ethics
- BUS310 - Business Statistics
- General Education Elective
- General Education Elective
- Tailored Elective

**Spring Semester**
- FIN360 - Prin. of Finance
- ENG330 - Writing Professionally
- MGT412 - Org. Theory & Behavior
- CIS320 - Information Systems
- Science Elective

**YEAR IV**

**Fall Semester**
- FIN400 - Corporate Finance
- MGT440 - Operations Analysis
- Social Science Elective
- Tailored Elective
- *MKT420 – Internat’l Marketing
- *ECO451 – Internat’l Trade & Finance

**Spring Semester**
- BUS350 - Business Law
- MGT499 - Policy & Strategy
- *BUS300 – Business
- Tailored Elective
- Tailored Elective

*2 OF THE FOLLOWING 3 COURSES
BUS300 – Business Internship
ECO451 – International Trade & Finance
MKT420 – International Marketing

**Elective Key:**
- **Social Science Electives:** POL, HIS, SBS
- **General Education Electives:** ART, ENG, FES, HIS, HUM, POL, PHY, SCI, SBS, SPA
- **Humanities Electives:** HUM, ENG206/207/208, ENG201, ENG215
- **Science Electives:** FES, PHY, SCI
- **Tailored Electives:** Courses that could be considered useful to your major
- **PHE – Team Sport:** (limit of three times; does not count toward graduation)
SPORT BUSINESS MANAGEMENT PROGRAM

- Chair: Dr. Tom Aaron, Associate Professor  
  Aarontc@webber.edu

The sport industry is truly international. Demand for the leaders needed to maintain its success is growing rapidly. The Sport Business Management program is designed to provide such leaders. Building on a solid business core, the student then explores the unique aspects of sport promotion, sport information and media, and facilities and event management.

**Sport Business Management:**

**Bachelor of Science Degree**  
30 Cr.

- **SBM220** - Introduction to Sport Business Management
- **SBM240** - Field Experience  **OR**  **SBM245** - Careers in Sport Business Management
- **SBM260** - Ethics & Issues in Sport Business Management
- **SBM340** - Sport Promotion
- **SBM390** - Risk Management & Legal Aspects of Sport
- **SBM420** - Sport Information & Media Relations
- **SBM440** - Facilities & Event Management
- **SBM460** - Sport Administration
- **SBM495** - Internship  **OR**  **SBM498** - Advanced Seminar in Sport Business Management
- **MGT312** - Human Resource Management

**Associate of Science Degree**  
12 Cr.

- **SBM220** - Introduction to Sport Business Management
- **SBM240** - Field Experience  **OR**  **SBM245** - Careers in Sport Business Management
- **SBM260** - Ethics & Issues in Sport Business Management
- **MGT312** - Human Resource Management

**Minor**  
15 Cr.

- **SBM220** - Introduction to Sport Business Management
- One (1) other SBM200 level class
- Three (3) other SBM300 or 400 level classes
The suggested course sequence for **Sport Business Management** is as follows:

**120 Credits**
GENERAL BUSINESS STUDIES

- Chair: Dr. Phil Murray, Professor

The Bachelor of Science in General Business Studies is a program that recognizes the ever-changing needs in the world today. The program offers flexibility for students who have career goals that require a business background but do not require a specific area of concentration. The program is structured to permit the transfer of up to 39 non-business related credits for students who have earned credit in another area but have recognized the need for a business foundation in their chosen field of employment. It also provides flexibility for the student to select a large number of electives within the business field to tailor the educational program to the student's life goals. The General Business Studies course work is largely managerial and entrepreneurial in scope. The program is ideal for students who want to operate a small business in a technical field or who are reentering college after having earned college credit in another field. Students are encouraged to consider a minor to accompany the General Business Studies degree.

*The General Business Studies degree is also available entirely online.

The suggested course sequence for the General Business Studies program is as follows:

<table>
<thead>
<tr>

MINORS

Accounting 15 Cr.
ACC301 Intermediate Accounting I & ACC302 Intermediate Accounting II - Required
Three (3) courses at the 300 or 400 level beyond the business core (not to include ACC499)

Computer Information Systems 12 Cr.
Four (4) CIS courses beyond the two CIS requirements in the business core for a total of six (6) courses

Finance 12 Cr.
Four (4) Economics or Finance courses outside the business core curriculum;
(Three (3) of these courses (6 credits) must not be in the student's major curriculum)

Hospitality and Tourism Management 15 Cr.
Two (2) courses at the HTM100 or 200 levels, Two (2) courses at the HTM300 or 400 levels, One (1) HTM Internship

Human Resource Management 15 Cr.
Five (5) Human Resource courses required outside the business core curriculum
   MGT312 - Human Resource Management
   ECO305 - Labor Economics
   MGT343 - Assessment, Staff & Employees
   MGT344 - Developing and Motivating Human Potential
   MGT443 - Compensation and Benefits

Marketing 15 Cr.
MKT340 Consumer Behavior - Required
Four (4) marketing courses; drawn from Integrated Marketing Communications Curriculum, beyond MKT250 Principles of Marketing

Professional Business Writing 15 Cr.
ENG420 Publication Design and Editing - Required
CIS295 Presentation Management - Required
   Complete three (3) of the following:
      ENG200 - Creative writing
      ENG230 - Media Writing
      ENG240 - Technical Writing
      ENG250 - Legal Writing

Sport Business Management 15 Cr.
SBM220 Intro. to Sport Business Mgmt. - Required
One (1) SBM100 or 200 level course
Three (3) SBM300 or 400 level courses
BACHELOR OF ARTS IN ELEMENTARY EDUCATION

- Chair: Dr. Saundra Parker Jones, Assistant Professor  Jonessp@sa.edu

The primary mission of the Elementary Education program is to offer a high quality, research-driven program leading to the Bachelor of Arts degree and initial licensure in Elementary Education. The elementary education degree and licensure program prepares facilitators of learning to teach grades K-6. Small class sizes afford preservice teachers a greater level of individual attention as they develop skills in instructional design, through acquired knowledge in theory, teaching approaches and practical applications. The institution boasts a high rate of employment among elementary education graduates in school districts and learning organizations across the United States and internationally. Teacher candidates explore the process of teaching and learning through an integrative, constructivist approach that includes multiple opportunities for field based learning and practical experiences in the school setting. Candidates are able to utilize the strong liberal arts approach found in the St. Andrews General Education curriculum to help meet the teacher education standard for knowing content, while the Elementary Education Program provides candidates with a strong understanding and skill base in pedagogical studies that continues to make the institution’s graduates notable as they pursue their professional vocation of teaching children in grades K-6. Student teachings (EDU434, EDU436, EDU444, EDU446) has to be conducted on site in North Carolina in the last semester of the program.

**St. Andrews Education Requirement
***Residency in Laurinburg, NC Required
"F" Field Experience is required for these courses
THE McKENNA ADULT EDUCATION PROGRAM

Associate of Science
In Business Administration
Majors:
ACCOUNTING, CRIMINAL JUSTICE MANAGEMENT, FINANCE, and MANAGEMENT

Admission Requirements:
1. High School diploma or GED
2. 2.0 grade point average
3. 23 years of age

Bachelor of Science
In Business Administration
Majors:
ACCOUNTING, COMPUTER INFORMATION SYSTEMS,
CRIMINAL JUSTICE MANAGEMENT, FINANCE, MANAGEMENT and
INTEGRATED MARKETING COMMUNICATIONS

Bachelor of Science
In General Business Studies

Admission Requirements:
1. AA, AS or 60 hours of college credit
2. 2.0 grade point average
3. 23 years of age

The Intensified Program
Webber International University is a university which specializes in business education. Recognizing the desire of adults to continue their education, Webber has created an academic program to fit the busy adult lifestyle. Our accredited business program is structured to be convenient for adults to return to school to continue their education. The course schedule is flexible enough to accommodate a student's personal and professional needs. This flexibility is accomplished through multiple course offerings. Webber offers instruction in-class, on-line, or hybrid (a blend of both). In-class courses are offered day or evening. Together with an advisor, the student chooses the course schedule that best fits their needs, a student's schedule preferences can change from semester to semester.

Webber International University fosters a close student relationship with the university right from the beginning with a personal tour of the campus by a member of our admissions team. The personal attention continues with one-on-one advising with an assigned adult education advisor. The personal attention doesn't stop there; Webber classes are small and taught by qualified faculty who provide the student with individual attention.

Each student transcript is evaluated on an individual basis. Previous college transcript evaluations will be performed while keeping within the Webber transfer policy. Webber will accept all possible transfer credits which yield optimal transfer. Webber does not accept a grade of "D" for transfer credits and adjustments for possible general education deficiencies will be made accordingly. Only those credits which are transferable to the Webber major will be entered on the transcript.
The McKenna Adult Education Program

Students may begin any program in August or January each year. Students must meet a residency requirement in which 30 hours attributed to an A.S. or B.S. degree must be earned at Webber. Additionally 30 of the last 33 hours of business or major courses must be taken at Webber.

Previous Webber students who have not attended Webber for at least 7 years prior and left Webber with less than a 2.00 cumulative GPA, may appeal and qualify for up to 3 additional forgiveness above the current forgiveness policy. Former traditional students who meet the McKenna Adult Program criteria may apply to the program after an absence of at least two regular semesters. Adult students who do not transfer in 60 credit hours, an A.A. or A.S., may apply to the Associate's program. These students will subsequently be transitioned into the Bachelor's program.

**Tuition**

Tuition for three to nine (3-9) hours is $356 per credit hour. Tuition for ten or more (10+) is $429 per credit hour. A $35 non-refundable application fee is required. This tuition fee reflects a reduction from the traditional undergraduate program. The price differential is based on a built-in scholarship program to make returning to school financially viable to motivated adults. The price break is possible because Webber recognizes that service needs of traditional undergraduates and adult students are different.

Webber institutional scholarships are not available in the McKenna program. Books are not included in the price of tuition. Books may be purchased or rented from the Webber Bookstore located in the Student Union. Purchased books may be sold back to the bookstore in accordance with university policy at the end of each semester.

Students who can provide proof of at least one year of Florida residency and enroll in four or more classes (full-time) per semester are eligible to receive the Florida Residency Access Grant (FRAG) from the Florida Department of Education. Students must maintain a minimum 2.00 GPA and earn 12 credits in the semester they receive the grant to be eligible in subsequent semesters. The FRAG amount is adjusted each year by the Florida legislature. Full-time and part-time students may qualify for Pell Grant and federal student loans. Many companies offer tuition reimbursement or assistance programs; students should check with their HR departments to see if their company provides this benefit.

If a student withdraws from the program during a semester, the federal refund policy will apply and the Webber Institutional Refund Policy will also be applied to determine appropriate charges. See the Financial Aid section of the catalog for a complete description of the refund policies. During the enrollment process, students will sign an Enrollment Agreement, which also explains the policy.
The McKenna Adult Education Program

Associate of Science Degree
ACCOUNTING, CRIMINAL JUSTICE MANAGEMENT, FINANCE OR MANAGEMENT

The Associate of Science in Accounting, Criminal Justice Management, Finance or Management is designed for the non-traditional student who wishes to complete a specialized program in business. The student will learn skills that can be applied in employment in business and industry. These skills are as applicable to small businesses as they are to medium and large business enterprises. The development of self-direction is the focus of the programs. Credits earned under this program may be transferred toward a four year degree.

Common Core Requirements:

General Education Core 18 Cr.
- ENG111 English Composition I 3
- ENG112 English Composition II 3
- MAT121 College Algebra 3
- SBS250 Psychology 3
  Humanities Elective 3
  Mathematics or Science Elective 3

Business Core 27 Cr.
- ACC201 Financial Accounting 3
- ACC202 Managerial Accounting 3
- CIS101 Intro. to Computers 3
- CIS2XX Any 200-level CIS course. 3
  Some majors will require a specific course
- ECO241 Microeconomics 3
- ECO242 Macroeconomics 3
- FIN150 Personal Financial Management 3
- MGT250 Principles of Management 3
- MKT250 Principles of Marketing 3

Area of Concentration: 6-21 Cr.

ACCOUNTING
- ACC301 Intermediate Accounting I 3
- ACC302 Intermediate Accounting II 3
- ACC312 Accounting Information Systems 3
- ACC351 Cost Accounting 3

FINANCE
- ECO300 Money & Banking 3
- FIN360 Principles of Finance 3

MANAGEMENT
- MGT312 Human Resource Management 3
- MGT325 Entrepreneurship 3

CRIMINAL JUSTICE MANAGEMENT
(see page 32) 21

Tailored Electives (varies according to major) 0-9 Cr.

Total Requirements 60-66 Credits
**BUSINESS ADMINISTRATION**

The Associate of Science and Bachelor of Science programs allow a student to pursue a variety of business oriented areas of concentration. These programs provide students with the necessary skills to successfully enter the business community.

**BACHELOR OF SCIENCE DEGREE IN BUSINESS ADMINISTRATION**

Total Requirements: 120 Credits
MILITARY SERVICE PROGRAM

Webber is proud to announce its Military Service Program designed with flexibility for active and reserve military personnel. Webber participates in the Chapter 33 Yellow Ribbon Program and offers a total online degree program in General Business Studies with traditional, evening, and weekend classes to fit any schedule. Veterans must provide a "Certificate of Eligibility" to the Webber “Certifying Official” located in the Registrar’s office.

The Military Service program is available for the Masters and Bachelors programs in Accounting, Criminal Justice Management, Computer Information Systems, Finance, Management, and Marketing.

Webber is approved by the State of Florida Department of Veterans Affairs for the training of Veterans Servicemen/women on active duty, and dependents of Veterans eligible for training under the Montgomery G.I. Bill. Students who may be eligible for V.A. benefits are urged to contact the Financial Aid Office at Webber or the U.S. Department of Veterans Affairs in St. Petersburg at 800-282-8821. Servicemen/women may also be eligible to receive educational assistance under the Post 9/11 Veterans Educational Assistance Act, Reserve Educational Assistance Program, Veterans Educational Assistance Program, Survivors' and Dependents' Educational Assistance, and/or Vocational Rehabilitation under Chapter 31.

Students may apply for VA benefits using the Veterans Online Application-VONAPP. www.ebenefits.va.gov/ebenefits/VONAPP. More information is also available online at www.va.gov.

Veteran's Benefits for Graduate School Students

Webber makes every effort to work personally with military personnel and family members to certify for benefits once the veteran is approved to receive benefits. If a student, who is receiving veteran's benefits, is placed on academic probation and fails to reach a cumulative GPA of 3.0 within two terms, 9 credits or the end of the degree requirements, all veteran's benefits will be terminated.
NOTE:
1. Not all courses are offered every semester. The listed terms indicate when the course is typically offered, which can change without notice. Courses scheduled for the summer are offered on an as-needed basis. Minimum enrollment is required for any course to be offered.
2. Lab fees may be required for laboratory courses and for other specialized courses.
3. Language and other liberal arts courses are offered based on demand.

ACCOUNTING

ACC201
FINANCIAL ACCOUNTING 3 Credits
A study of the basic structure of accounting, the accounting cycle, accounting for assets, liabilities, and owners' equity of business organizations, and preparation of financial statements. (Fall/Spring)

ACC202
MANAGERIAL ACCOUNTING 3 Credits
A study of the concepts and methods for using accounting information in the management process. The emphasis is placed upon the use of such information in the planning, controlling, and decision-making process. Topics covered include cost accumulation methods, cost-volume-profit analysis, present value techniques, financial statement analysis, profit planning and budgeting, and various decision-making techniques. (Fall/Spring) Pre-requisite: ACC201

ACC301
INTERMEDIATE ACCOUNTING I 3 Credits
The first half of a two-semester sequence. A comprehensive study of current financial accounting principles and procedures with attention given to the underlying theory. Topics covered include the construction of all major financial statements, basic principles underlying these statements, and a detailed study of all major asset accounts. (Fall) Pre-requisite: ACC202

ACC302
INTERMEDIATE ACCOUNTING II 3 Credits
A continuation of ACC 301. Topics covered include a detailed study of all major liability and stockholder equity accounts, stock compensation plans, earnings per share, revenue recognition principles, financial accounting for income taxes, pensions, leases, accounting changes, and preparation of the statement of cash flows. (Spring) Pre-requisite: ACC301

ACC312
ACCOUNTING INFORMATION SYSTEMS 3 Credits
A study of the overall composition of accounting information systems, including basic accounting system concepts, system design and implementation, accounting applications and controls, and current developments in the field impacting the design of accounting information systems. (Spring) Pre-requisite: ACC202

ACC340
FEDERAL INCOME TAXATION OF INDIVIDUALS 3 Credits
A comprehensive study of federal tax laws as they apply to the individual taxpayer. (Fall) Pre-requisite: ACC202
ACC351
COST ACCOUNTING 3 Credits
An in-depth study of basic cost accounting concepts and procedures. Topics include the function of cost accounting in the management process, cost accumulation systems, cost allocation methods, job order costing, process costing, standard costing and standard cost systems, budgeting, and the use of variance analysis for performance measurement and control. (Fall) Pre-requisite: ACC202

ACC435
ACCOUNTING FOR GOVERNMENTAL AND NON-PROFIT ORGANIZATIONS 3 Credits
A study of the concepts, principles, and procedures followed in accounting for governmental and other non-profit organizations. (Spring) Pre-requisite: ACC202

ACC440
ADVANCED FINANCIAL ACCOUNTING 3 Credits
A study of the concepts, principles, and procedures followed in accounting for business mergers, acquisitions, combinations, and foreign operations. Also included is a discussion of accounting for partnerships. (Fall) Pre-requisite: ACC302

ACC460
AUDITING 3 Credits
An introduction to the principles and theory of auditing, the process of examining the accounting system of an enterprise and the financial information that it produces. (Fall) Pre-requisite: ACC202

ACC465
AUDITING II 3 Credits
An advanced study of the process and procedures used in examining financial statements of an organization through the use of audit cases. This course, along with MGT499, serves as a capstone for the accounting program. (Spring) Pre-requisite: ACC460

ACC499
ACCOUNTING INTERNSHIP 3 Credits
Internship with a minimum of 16 hours each week of the semester with a public accounting firm or accounting department of a local business. The internship provides a concentrated look at how accounting operates in a real-world environment as it relates to the firm with which the student is interning. (Fall/Spring) Prerequisites: Junior standing and approval of internship coordinator.

ART151
PRINCIPLES OF DESIGN 3 Credits
This studio course covers the fundamental principles of design. Emphasis is placed on visual design: line, shape, value, texture, color, and artistic organization: harmony, balance, and rhythm. The use of these concepts in the development of effective visual expression is explored through the introduction of two-dimensional media and studio activities. (As needed)

ART152
DRAWING AND COMPOSITION 3 Credits
This course is an introduction to basic drawing skills and visual organization. Emphasis is on drawing techniques with a range of media. Students are introduced to strategies designed to increase their awareness of the role of the arts in an increasingly technological society with diverse cultural and gender perspectives. (As Needed)
BIOLOGY

BIO160
HUMAN BIOLOGY 3 Credits
A course designed to provide the fundamental answers to questions about how the human body works and how variables affect its function. Included are the influences of life style choices, genetics, disease, and environmental events on the human biology. (As Needed)

BUSINESS

BUS100
INTRODUCTION TO BUSINESS 3 Credits
This course will provide an overview of business and economics. Students will study the domestic and international environment of business. Other topics will include a study of the functions of accounting, finance, marketing, human resource management, and information management in the business enterprise. (Fall/Spring)

BUS210
CAREER DEVELOPMENT 3 Credits
The course will provide the framework for the career decision-making process. It stresses the connection between the student's chosen academic field and career objectives. Techniques explored include resume writing, interviewing skill development, and internet research. (Fall/Spring)

BUS300
BUSINESS INTERNSHIP 3 Credits
This independent study combines academic supervision with professional employment. The student is able to test classroom business concepts from economics, accounting, management, and marketing, among others. The course can help align career goals, develop professional outlooks, and improve communication skills. (Fall/Spring) Pre-requisites: Junior standing and approval by the Business Department Chair.

BUS310
BUSINESS STATISTICS 3 Credits
This course is designed to discuss basic descriptive and inferential statistical methods using statistical software. The emphases is on solving business-related statistical problems, including understanding the problem, identifying the proper statistical tool, using statistical software to analyze the data, understanding the output of the analysis, and formulating the conclusion to the study. (Fall/Spring) Pre-requisite: MAT121 and CIS101

BUS350
BUSINESS LAW I 3 Credits
A study of the basic legal framework within which a business operates. This includes general background on the importance of law, the court system and many basic legal issues related to business as incorporated in the law of torts, contracts, sales, and commercial paper. There is also a section on criminal law as it affects business. (Fall/Spring)

BUS351
BUSINESS LAW II 3 Credits
A study of the fundamental principles governing the law of debtors and creditors, property, agency, and business organizations. (Spring) Pre-requisite: BUS350
BUS482
BUSINESS FIELD TRIP 3 Credits
Nothing compares to learning on site. The business field trip integrates classroom work with on-site trips to prominent businesses to applications of concepts taught in the classroom. Students travel to businesses on organized trips to hear about the trials and tribulations from business leaders first hand. Students conduct research on the businesses prior to the trips and then prepare experience papers after the trips. (As needed)

COLLEGE SUCCESS SKILLS
CSS101 1 Credit
This course is designed to increase the student’s success in college by improving his/her learning skills, personal management techniques and resources needed to reach educational objectives. *Designed for Fresh Start program.

COMPUTER INFORMATION SYSTEMS
CGS100 INTRODUCTION TO USING MICROCOMPUTERS 3 Credits
In this course, students with little or no prior computer experiences learn the basic computer skills that others have learned in high school or at home. The basic skills include: Components of a computer system, basic file management in a network environment, keyboarding skills, introduction to Microsoft Word and basic word processing skills and introduction to the Internet and e-mail (Fall/Spring) *CGS100 does NOT count as one of the three required computer courses for graduation, but can apply as a tailored elective.

CIS101 INTRODUCTION TO COMPUTER INFORMATION SYSTEMS 3 Credits
To develop basic skills with several Microsoft Office programs in a Windows network environment. Emphasis is on file management, electronic communications, researching on the Internet, writing basic spreadsheet formulas, table design, graphing, developing simple slide presentations, and word processing in creating reports, memo, and business letters. (Fall/Spring)

CIS240 COMPUTER APPLICATIONS IN BUSINESS 3 Credits
As a follow-up course to CIS101, the student will continue developing and refining computer skills with a variety of Microsoft Office technology programs. Emphasis is on basic querying techniques with a MS Access database, introduction to web design, calendaring, task management and basic Excel optimization tools for decision making, mail merging and other word processing skills. Both individual and group projects are stressed. (Fall/Spring) Pre-requisites: CIS101 and MAT121 or instructor approval.

CIS270 ADVANCED SPREADSHEET APPLICATIONS IN BUSINESS 3 Credits
To develop advanced skills in Microsoft Excel in a Windows network environment. Emphasis is on advanced formula writing (involving over 30 financial, logical, information, math, statistical, lookup, and date functions), cell addressing modes, multi-sheet addressing techniques, data tools (such as validation, sort, filters, and pivot tables), variable length table design, graph design, and trend lines. The student will solve higher-order business related problems. (Fall/Spring) Pre-requisites: CIS101 and MAT121
CIS275
INTRODUCTION TO DATA ANALYTICS FOR BUSINESS DECISION MANAGEMENT  
3 Credits
In this course, the student will develop a basic level of knowledge and the skills using Excel and related tools regarding the manipulation of large unstructured data sets, visualizing the results, and developing the insights as to how these results are used in the decision making processing. (Fall) Pre-requisite: CIS101

CIS295
PRESENTATION MANAGEMENT  
3 Credits
To develop intermediate-to-advanced level skills in several Microsoft Office programs and tools in designing and developing professional-level documents and presentation materials in both paper and electronic format. The student will develop basic-to-intermediate level skills in graphic image processing. Both individual and group projects are stressed. (Fall/Spring) Pre-requisite: CIS101

CIS320
INFORMATION SYSTEMS  
3 Credits
To develop skills in managing and using information systems to support the decision making process. Discussions will include data warehousing and data mining. Using Microsoft Access, the student will design and develop a relational database by normalizing a conceptual schema, create each table, define the relationships between the tables, create data entry forms, reports, and labels; develop advanced queries for obtaining information, develop macros for a customized menu system, and export data to Microsoft Word for mail merging and to Microsoft Excel for numerical analysis. Individual projects are stressed. (Spring) Pre-requisite: CIS101

CIS340
WEB DESIGN FOR E-COMMERCE  
3 Credits
This course is designed to cover major topics in creating web pages and managing a web site on the Intranet or Internet. The student will develop skills in understanding and writing html code and developing basic JavaScript routines. Web design techniques stress web marketing and E-commerce. Individual projects are stressed. (Spring) Pre-requisite: CIS295

CIS360
DATA COMMUNICATIONS IN INFORMATION SYSTEMS  
3 Credits
This course is designed to cover major topics in data communications in a Windows server environment. Network concepts include topologies and components of a network system, designing the physical layout of a network, methods of accessing a WAN or the Internet, server hardware, basics of the Windows network operating system, network security, and managing the network system. (Fall) Pre-requisite: CIS101

CIS370
DIGITAL FORENSICS  
3 Credits
Digital Forensics is the application of computer science and investigative procedures for a legal purpose involving the analysis of digital evidence. This introductory course combines the evidence gathering skills needed by Criminal Justice majors coupled with the technical skills needed by Computer Information Systems majors. The course is designed to meet the needs of both majors. An introduction to key technical concepts of digital forensics, labs and tools used in the digital forensics environment, collecting evidence, Windows System artifacts, antiforensics (destroying or hiding the digital forensic path), the legal aspects of digital forensics, Internet, E-mail, and social media forensics, network forensics, mobile device forensics, and future challenges and concerns of the digital forensics community. Pre-requisite: CIS101
CIS435
VISUAL BASIC PROGRAMMING 3 Credits
In this course students will develop skills in structured program design and coding in Visual Basic. Major areas of discussion include Task-Object-Event program design, flowcharting, screen layout and design, formula writing and algorithm development, data types, objects, conditional structures, data validation, error handling, loops, and data retrieval. (Fall) Pre-requisite: CIS320

CIS440
DATABASE DESIGN AND SQL PROGRAMMING 3 Credits
Students will continue developing their knowledge and skills with designing a database and the different database structures. Emphasis is placed on the relational database structure and the normalization process. Students will develop SQL programs to build a custom database system. Individual projects are stressed. (Fall) Pre-requisite: CIS320

CIS455
INTERNSHIP IN COMPUTER INFORMATION SYSTEMS 3 Credits
Internship within an Information Systems field to gain on-the-job work experience. A minimum of 150 hours of work is required. Evaluation will be required of the student by the supervisor assigned, and a report and oral slide presentation that discusses the student’s learning experience. Pre-requisite: 21 credit hours in CIS courses and a completed internship application. (Fall/Spring)

CIS470
PROGRAMMING USING C# 3 Credits
A study of programming techniques that includes structured top-down modular design, source and object library development, interactive program development, programming testing, and program documentation. The student will learn the C# programming language. Programming emphasis will be on business applications and system utilities. (Spring) Pre-requisite: CIS435, Visual Basic or other structured programming language course.

CIS490
PRACTICUM IN CIS APPLICATIONS 1-3 Credits
A proposal paper must be submitted to registration to determine the acceptability of the project proposal and determine the number of credits for the practicum. Course may be taken more than once (for a maximum of 3 credits) if different subject matter is involved. Permission of the instructor is required. (As needed)

CIS499
SEMINAR IN INFORMATION SYSTEMS 3 Credits
This course is the capstone course for the computer information systems major. Discussions will include the process of systems analysis and design, and other topics relevant in today's information systems environment. The student will apply skills developed in other information systems courses by designing and developing a realistic system (database, network, web site, etc.) using the process of systems analysis and design, or by completing several programming applications. Approval of the systems project by the professor is required. (Spring) Pre-requisite: CIS major and senior status.
COMMUNITY SERVICE

CSV200
COMMUNITY SERVICE IN HUMANITIES 3 Credits
The student will provide a minimum of 60 volunteer hours of community service in the area of humanities to a local non-profit organization. The emphasis of the community service is to either apply skills or develop new skills in either the areas of humanities. NO PAYMENT IS MADE TO STUDENT for these hours. All service hours must occur during the registered term. The instructor must approve the project proposal before the student may register for this course. (Fall/Spring)

CSV201
COMMUNITY SERVICE IN SOCIAL SCIENCE 3 Credits
The student will provide a minimum of 60 volunteer hours of community service in the area of social science to a local non-profit organization. The emphasis of the community service is to either apply skills or develop new skills in either the areas of social science. NO PAYMENT IS MADE TO STUDENT for these hours. All service hours must occur during the registered term. The instructor must approve the project proposal before the student may register for this course. (Fall/Spring)

CSV202
COMMUNITY SERVICE IN NATURAL SCIENCE 3 Credits
The student will provide a minimum of 60 volunteer hours of community service in the area of science to a local non-profit organization. The emphasis of the community service is to either apply skills or develop new skills in either the areas of science. NO PAYMENT IS MADE TO STUDENT for these hours. All service hours must occur during the registered term. The instructor must approve the project proposal before the student may register for this course. (Fall/Spring)

CRIMINAL JUSTICE MANAGEMENT

CJM101
INTRODUCTION TO CRIMINAL JUSTICE 3 Credits
This course is a general survey of the principles, system, and process of criminal justice as well as an introduction to conceptions and definitions of crime, criminal law, and due process. There will be an examination of the organization and operation of the three basic components of the criminal justice system the police, the courts, and corrections - individually and in relationship to one another. The purpose of this course is to develop a working understanding of the criminal justice system and the three components which comprise this system. There will be an emphasis on the practical application of the functioning of the participants who comprise the police, courts, and corrections with information supplied by both the professor and participants alike. 3 lecture hours. (Fall)

CJM102
INTRODUCTION TO CRIMINOLOGY 3 Credits
This course explores basic questions concerning human nature, human behavior, deviance, criminality, the controversies concerning determinism and free will, personal and social responsibility, and crime as deviant or normal behavior. This is a course on the nature of criminal behavior and the major theoretical perspectives that have been developed in an effort to explain why individuals break the law. This exploration includes: the study of major theoretical explanations of deviance/criminality and how those explanations shape public policy, examination of the research process and methodology used by criminologists to study crime, and the development of critical thinking skills to assess the effectiveness of society’s responses to deviance and criminality through an understanding of the various factors that may lead some individuals or groups toward criminality. (Fall)
CJM201
CRIMINAL LAW AND PROCEDURE 3 Credits
To provide an in-depth examination of the crimes and actions most encountered by the private industry and the public law enforcement officer as well as examine recent court decisions. Students will become acquainted with concepts of search and seizure, individual restraint, and limitations of personal freedom and expression. (Fall)

CJM202
INTRODUCTION TO CORRECTIONS 3 Credits
To provide students with the opportunity to study and examine the history and development of corrections in America, the purpose of corrections, forms of criminal sanctions, the concepts of punishment, rehabilitation, jails, correctional agencies, and prisons. Students will be exposed to the concepts of bail, probation, parole, community control, and reentry into the community. The course will examine various ideas which have influenced the field of corrections and the future of corrections. There will also be an exploration of the relationship of the Department of Corrections to other criminal justice system components such as the police and the courts. (Spring) Pre-requisite: CIM101

CJM203
FIRE SCENE DEATH INVESTIGATIONS & EVIDENCE COLLECTION 3 Credits
An introductory course to fire investigation and evidence collection and will expose the student to the exploration of the extraordinary challenges of dealing with fire death investigations and crime scenes. There is also an exploration of the scientific investigation of fire-related felony offenses and the arduous process of searching for evidence with the understanding of the destructive effects of how fire and fire department suppression operations can greatly skew the already complicated death scene. Emphasis placed upon the fire triangle, fire behavior, and combustion properties of various materials, sources of ignition, and investigative techniques for – structures, grassland, wild-land, automobiles, vehicles, ships and other types of fire investigation. The course will also focus on causes of electrical and chemical fires, explosive evaluations, laboratory operation, techniques used in fire deaths and injuries, arson as a crime, and other techniques. The legal component of the course will address State and Federal laws, and future trends in fire investigative technology and processing the procedures involving locating, identifying, collection, and presentation of fire scene evidence necessary for fire death investigations and prosecutions. (Fall)

CJM210
TOPICS IN FORENSIC SCIENCE 3 Credits
This course examines specific issues and/or techniques related to solving crime. The focus will vary with each offering and examples include Fingerprint Classification and Identification, Criminal Profiling, Police photography, Blood Spatter Analysis, Ethics in Criminal Justice, Interviewing/Interrogation Techniques, or Question Document Analysis. (Fall/Spring)

CJM301
JUVENILE DELINQUENCY 3 Credits
Upper level course. Will examine and explain the organization, functions, and jurisdiction of juvenile agencies. The course will examine various topics in the juvenile justice system such as the juvenile court and justice system, historical development of the concept of delinquency, the special status of juveniles under the law, and special attention to juvenile justice procedural law under the Children's Code and Rules of Procedure. This course will examine juvenile delinquency and the juvenile justice system, including its legal and social history, its definitions and procedures, and an assessment of delinquency prevention and control. (Fall) Pre-requisites: CJM101 or CJM102
CJM302
CRIMINAL INVESTIGATIONS 3 Credits
Expose the student to the basic and fundamental components of criminal investigation to include various aspects of interviewing, statements, interrogations provided by victims, witnesses and suspects in criminal cases. There will be an examination of various investigative practices and procedures used locating and apprehending suspects and preparing criminal cases for presentation to the prosecution and in criminal court proceedings. There will be an in-depth examination of the science and art of criminal investigations, and gathering and analyzing evidence with a concentration on overall management of major cases. (Spring) Pre-requisites: CJM101, CJM201

CJM303
INTRODUCTION TO LAW ENFORCEMENT OPERATIONS 3 Credits
To provide an understanding of fundamental principles of law enforcement. Substantial chronology of policing in this country, beginning with the pre-American experience and ending with recent events is presented. This review will also consist of an examination of the original private sector bedrock companies along with a discussion regarding the part private security plays assisting law enforcement as additional eyes and ears as relates to commission of crime. Discussion is focused on wide spectrum of law enforcement agencies, identifying most important characteristics of city, state, and federal police work. Services and importance of different police activities such as patrol, traffic and criminal investigation are explained and discussed. Particular attention is paid to current issues and trends in law enforcement to include privatization of police and correctional functions. (Spring) Pre-requisites: CJM101 or CJM102

CJM305 (POL305)
CONSTITUTIONAL LAW 3 Credits
An upper level course applicable to criminal justice management, pre-law and political science. The course examines the structure of the legal system including separation of powers and federalism issues. Topics include, but are not limited to, the powers of Congress, the powers of the Federal Judiciary, the powers of the President, and the powers reserved to the states. The course also examines various individual rights including equal protection, freedom of expression, and freedom of religion. The course provides an in-depth study of constitutional law with an emphasis on the Fourth; Fifth, Sixth, Eighth and Fourteenth Amendments to the United States Constitution, as these govern police and court procedures and the rights of citizens. The course will also focus on the role of the Supreme Court and constitutional law as it applies to law enforcement and civil rights. (Fall)

CJM307
EMERGENCY PLANNING IN LAW ENFORCEMENT AND PRIVATE SECTOR 3 Credits
This course will cover topics such as risk identification and assessment of multi-hazards whether natural or man-made, violence in the workplace, development of crisis and disaster incident management programs and business/agency continuation planning. (Summer/Fall) Pre-requisite: CJM201

CJM401
ADVANCED ISSUES IN CRIMINAL JUSTICE MANAGEMENT 3 Credits
This capstone course will examine state-of-the-art (best practice) methodologies, strategies and approaches relevant to the acquisition of skills, competencies and conceptual (big picture) expertise necessary for successful and effective security management. This course will emphasize qualitative and quantitative (analytical) approaches relevant to the accurate forecasting, identification, and assessment of security related issues, and concerns in multi-national environments using problem-based learning as the primary instructional strategy. (Fall) Pre-requisite: CJM303
CJM402
POLICE REPORT WRITING 1 Credit
This report writing course is designed to teach criminal justice students how to write quality police reports. This course will build on all the existing basic skills students possess and draw on these skills to introduce the students on how to write law enforcement incident reports. The course will demonstrate to the student how a law enforcement incident report can be written properly. This course will provide a concentration on three of the major elements of incident report writing which are specificity, clarity and organization. Once these elements are properly learned the student will experience the ease of writing a law enforcement incident report. The specificity and clarity portion will be taught using examples from real reports. The course will use the "Time Line Model" which will enable the student to organize the report with little effort. The "Time Line Model" is an easily learned, step-by-step process to police report writing which is designed to produce a perfect report the first time. (Spring) Pre-requisite: CJM101

CJM403
CRIMINAL EVIDENCE 3 Credits
This course is designed to examine the rules of evidence applied in criminal investigation and criminal court with a discussion of relevant issues and legal standards. The course further provides an introduction to criminal procedures such as arrest, search and seizure, use of force and handling evidence. Topics include the legal use and degree of force, right of suspects and arrested persons, types of evidence, admissibility, proof and competence of evidence as related to criminal law and recent court decisions. The rules of evidence applied in criminal investigation and criminal court will be examined along with a discussion of relevant issues and legal standards. (Spring) Pre-requisite: CJM101 and CJM303

CJM404
CRIMINAL JUSTICE ADMINISTRATION AND MANAGEMENT 3 Credits
An upper level course which provides students with an opportunity to study the importance of organizational planning, quality decision-making, and human resource management encountered by law enforcement officials who are occupying the position of mid-level and upper-level managers and administrators. The course will also examine the issues, challenges, and opportunities encountered in the public sector along with the methods and procedures necessary for managing in the public arena. (Spring) Pre-requisites: CJM101 and CJM303

CJM410
CRIME SCENE INVESTIGATION AND EVIDENCE COLLECTION 3 Credits
An advanced course in the identification and proper collection of physical evidence from a crime scene. Students will learn what types of collection containers are best suited to specific forms of evidence, so as to avoid possible contamination, and what alternatives may be available in the absence of a full crime-scene kit. The class covers the importance of: 1) maintaining a chain of custody, 2) careful observation and recording of crime scenes, and 3) ordering the appropriate analytical tests. Students will further develop their understanding of legal issues related to collection, handling, and interpretation of evidence; issues and concepts related to eyewitness identification and testimony, such as the perception of events and retrieval of information from memory; and will learn how to search for witnesses and to develop suspects. (Fall/Spring)

CJM495
CRIMINAL JUSTICE MANAGEMENT INTERNSHIP 3 Credits
This independent study combines academic supervision with professional employment. It is a structured work experience in a specialized field in a Law Enforcement Agency. The internship course focuses on hands-on experience with a Law Enforcement Agency in the field of law enforcement. It aims at the application and practice of theoretical concepts and the expanding and enriching of the student's work qualifications, skills, experience and marketability in the law enforcement field via exposure to personnel working in the field and actual real world experiences. Through superior work performance, the student may use the internship course to enhance career placement potential. (Fall/Spring)
PLW499
LSAT PREP 3 Credits
The course is structured to assist the student in preparing for the LSAT exam by utilizing business case studies and social studies examples to further develop problem solving and analytical skills. An emphasis is placed on clear, concise writing and expression of strategic thinking and planning. Practice tests and instruction in test taking skills are intended to improve student performance on the Law School entrance examination. (As Needed)

ECO241
MICROECONOMICS 3 Credits
The study of how markets work. Understanding the economic way of thinking will enable the citizen to make more intelligent decisions in the marketplace and the voting booth. Topics include demand, supply, the market process, price setting, profit, comparative advantage, the distribution of income, and externalities. (Fall/Spring)

ECO242
MACROECONOMICS 3 Credits
The study of economic growth, inflation, unemployment, and the business cycle. Learn why some countries are rich while others are poor as well as the causes of inflation, recession, and unemployment. Additional topics include the financial market, money and banking, the international economy, monetary policy, and fiscal policy. (Fall/Spring) Pre-requisite: ECO 241

ECO300
MONEY & BANKING 3 Credits
Money is an important determinant of economic activity. The supply of money influences the inflation rate, interest rates, the business cycle, and exchange rates. Banks and the Federal Reserve play significant roles in the process of creating money. Banks are also important financial intermediaries. Topics include the bond market, money supply process, central banking, the foreign exchange market, and monetary policy. (Spring) Pre-requisites: ECO241, ECO242

ECO305
LABOR ECONOMICS 3 Credits
The course deals with labor markets, the arrangement under which firms demand workers and the workers supply their labor. Labor is demanded because of its productivity in producing goods and services. Labor is supplied for monetary as well as non-monetary reasons, such as stability of employment, job safety, and opportunity for advancement. Special course attention is given to recent developments which affect the market, including technology, international competitiveness, minimum wage legislation, union activities, income distribution and ethical issues. Pre-requisites: ECO 241, ECO 242

ECO310
CAPITALISM 3 Credits
This course will consider the morality of capitalism. Students will study capitalism broadly as an economy, based on private property rights and markets, a process of technological progress, and a culture. Students will also encounter various critiques of and alternatives to capitalism. (Summer) Pre-requisites: ECO241

ECO451
INTERNATIONAL TRADE & FINANCE 3 Credits
Trade creates wealth. Topics include comparative advantage, the gains and losses from trade, barriers to trade, arguments for and against free trade, immigration, the balance of payments, exchange rates, and monetary arrangements. (Fall) Pre-requisites: ECO241, ECO242
ENGLISH

ENG090
DEVELOPMENTAL ENGLISH 3 Credits
To prepare the student for the second level of pre-college writing. This course will provide a rigorous training on basic writing and grammatical principles with a focus on sentence structure, grammar rules, mechanics, and spelling. The course incorporates drills and practice in the fundamentals of language construction. Students will be required to prove their proficiency of these basic English concepts by final departmental exam. Institutional credit will be given but it will not count for any program or graduation requirement. Placement—See Testing, page 102. (Fall/Spring)

ENG105
CRITICAL THINKING AND REASONING 3 Credits
Enhances the student's skills in text analysis and critical thinking. The development of a working college-level vocabulary and techniques in reading different types of printed material as well as improving reading speed and comprehension are important for college success. Critical thinking skills such as distinguishing between fact and opinion, questioning assumptions, solving problems, and critically analyzing issues will be presented. (As Needed)

ENG110
INTRODUCTION TO COMPOSITION 3 Credits
This course prepares the student for successful completion of the first English requirement in the University. The course will review basic grammar and mechanics but will focus on writing principles through the development of reading and writing skills. Weekly written themes based on the comprehension of short reading assignments will be evaluated for accurate sentence structure and basic writing principles. The focus of this course will be on the construction of well-developed sentences and paragraphs leading to the understanding of the structure and the construction of well-organized essays. *This course is used as a tailored elective. (Fall/Spring)
Pre-requisite: ENG090 or Placement—See Testing, page 102.

ENG111
ENGLISH COMPOSITION I 3 Credits
To enhance the student's thinking and writing skills, particularly with regard to argumentative prose. The goal is to prepare the student not only for success in academic writing but also for effective participation in and critical understanding of the public and professional discourses of the "real" world beyond school. Students will analyze audience and situations to craft appropriately effective prose. The class involves frequent intensive practice, meaningful discussion, and purposeful writing. (Fall/Spring) Pre-requisite: ENG110 or Placement—See Testing, page 102.

ENG112
ENGLISH COMPOSITION II 3 Credits
This course continues to develop the student's thinking and writing skills by emphasizing academically credible research and documented written papers. Techniques in quoting and paraphrasing source material, formatting in APA style, and synthesizing information from several sources into directed viewpoints are intensely practiced and applied in a variety of academic and non-academic cases. As the last course in the composition sequence, all skill levels will be evaluated and additional activities with tutored instruction may be assigned on an individual basis. (Fall/Spring) Pre-requisite: ENG111
ENG200
CREATIVE WRITING 3 Credits
Designed to emphasize the importance of an individual expression through the use of language. The student is encouraged to develop skill and confidence in an effective personal style of writing ranging from realistic communication to imaginative fiction. All assignments will be completed on a designated word processor. May be repeated. (Spring-odd Year) Pre-requisite: ENG112

ENG201
INTRODUCTION TO LITERATURE 3 Credits
A course designed to provide the student with insight into the various genres of prose and poetry. Emphasis will be placed on the characteristics of great literature as evidenced by the work of world renowned authors. (As Needed)

ENG206
SPECIAL TOPICS IN LITERATURE 1 Credit
To provide the student with insight into literature topics. Required reading material will vary from semester to semester and from instructor to instructor. (Fall/Spring) Pre-requisite: ENG111 or instructor approval

ENG207
SPECIAL TOPICS IN LITERATURE 2 Credits
A course designed to provide the student with insight into literature topics. Required reading material will vary from semester to semester and from instructor to instructor. (Fall/Spring) Pre-requisite: ENG111 or instructor approval.

ENG208
SPECIAL TOPICS IN LITERATURE 3 Credits
A course designed to provide the student with insight into literature topics. Required reading material will vary from semester to semester and from instructor to instructor. (Fall/Spring) Pre-requisite: ENG111 or instructor approval.

ENG215
CRITICAL APPROACHES to AMERICAN LITERATURE 3 Credits
An introduction to the literature and culture of the United States through reading and analyzing significant writings found in the canon of its national literature. This course will use various critical views such as genre, historical, formalist, and social science approaches to uncover deeper meanings and personal insights discovered in the works studied. (Spring)

ENG230
MEDIA WRITING 3 Credits
This course develops the written forms used in professional writing situations and includes the rhetorical analysis of audience; situation and message adaptation strategies; as well as practice in news, feature, advertising, public relations, broadcast and script writing. Emphasis is placed on the common techniques of various writing areas. (Fall-Even Year) Pre-requisite: ENG112

ENG240
TECHNICAL WRITING 3 Credits
An introduction to the format, writing style, content, and organization common to technical writing as it is practiced in the technical-publishing industry. In this course, students write a number of short writing projects in which they practice headings, lists, documentations, tables, highlighting, and other formatting and style common to technical writing. (Fall-Odd Year) Pre-requisite: ENG112
ENG250
LEGAL WRITING  
3 Credits
This course introduces the techniques of legal research and writing. Emphasis is placed on locating, analyzing, applying, and updating sources of law; effective legal writing, including proper citation; and the use of electronic research methods. Upon completion, should be able to perform legal research and writing assignments using techniques covered in this course. (Spring-Even Year) Pre-requisite: ENG112

ENG280
FOUNDATIONS OF RHETORIC  
3 Credits
This course teaches students to craft and critique messages that influence. Building on rhetorical skills developed in English Composition, this course enhances skills in thinking, speaking, and writing critically and helps students frame and express messages on the interpersonal, group, and public level. (Fall/Spring) Pre-requisite: ENG112

ENG330
WRITING PROFESSIONALLY  
3 Credits
Study and practice the various types of writing typically found in professional and administrative applications. Using problem-solving approaches and strategies, students analyze case problems and design effective responses that meet the needs of the audiences. (Fall/Spring) Pre-requisite: ENG 112

ENG420
PUBLICATION DESIGN AND EDITING  
3 Credits
This course examines the theoretical basis and practical applications of the editing process. It includes document design principles, publishing software applications, and mediating the writer-reader relationship. Heuristics for analyzing the verbal and visual characteristics of a text are also covered and applied in technical, news and promotional writing. (Fall) Pre-requisite: ENG330

ENG498
INTERNSHIP  
3 Credits
The Internship provides a structured work experience in a corporate communication environment within an organization. Students are able to experience a wide variety of activities that are needed in today's corporate communication environment. The internship provides relevant experience which can be useful in a future career. Pre-requisite: Junior standing and approval of the internship advisor. (Fall) Pre-requisite: Junior standing and approval of the internship advisor

ENG499
SEMINAR IN CORPORATE COMMUNICATION  
3 Credits
The capstone course integrates the student's academic experience and directs it toward a comprehensive analysis of the corporate communication field. Students will use their acquired skills to research and present a variety of topics in the field and demonstrate their skills through various case studies and projects. Pre-requisite: Senior standing or instructor approval.

FITNESS AND HEALTH

FES180
FIT FOR LIFE  
3 Credits
Teaches students to examine their wellness-related behaviors and how to incorporate fitness and wellness into their daily lives. The course covers up-to-date information on health related components, as well as covers nutrition, stress, substance abuse, chronic disease, injury prevention and personal safety. The course is intended to present practical advice students need to make connections and apply scientific information to their own lives. *This course can be utilized as a social science elective, science elective or tailored elective. (Fall)
FIN150
PERSONAL FINANCIAL MANAGEMENT 3 Credits
The course is designed to introduce the need for personal financial planning. The student will be exposed to analytical techniques relating to decision making in purchasing, insuring, investing, and planning for retirement. (Fall/Spring) Pre-requisite: MAT121

FIN360
PRINCIPLES OF FINANCE 3 Credits
A basic introduction to the decision making tools of the financial manager; including a study of ratio analysis, asset and liability management, dividend and financial policies, obtaining short and long term funds from the money and capital markets and comparisons of various types of capital structures. The course also introduces the subject of capital budgeting and alternative uses of present value theory. (Fall/Spring)
Pre-requisites: ACC202, ECO241

FIN400
CORPORATE FINANCE 3 Credits
An analytical examination of capital budgeting and finances and other issues in corporate finance as demonstrated through case study analysis. Primary emphasis is placed on valuation of corporate assets and liabilities, financing and refinancing decisions, working capital, dividend issues, and other current topics. (Fall/Spring) Pre-requisite: FIN 360

FIN470
MANAGING FINANCIAL INSTITUTIONS 3 Credits
Differentiates various types of financial institutions on the basis of funding source, product lines, and regulatory constraints and analyzes the strategic management of each. A particular focus is the interaction of the market forces with the management of various institution types. The student will be exposed to analytical techniques relating to financial institution decision-making and gain an appreciation for factors which contribute to the continuing consolidation and integration of the industry. (Spring) Pre-requisite: FIN360

FIN480
FINANCE SEMINAR 3 Credits
Designed to evaluate the student's overall ability as a finance major. Students will use their Pre-requisite course work in economics and finance to research special topics in economic and financial analysis. Research results will be presented in written and oral form. This course together with MGT499 serves as a capstone. (Spring) Pre-requisite: FIN360 and Senior Standing

FIN490
INVESTMENTS 3 Credits
Principles and methods of investing in securities of business and government. The course stresses determination of investor needs; formulation of investment goals and policies; types of investment media; securities analysis and investment decision-making. Financial market behavior, procedures of the securities industry, investment banking, business-condition analysis and industry outlooks are some of the subjects related to a profitable investment program. (Fall) Pre-requisite: FIN360

FIN495
FINANCE INTERNSHIP 3 Credits
Student is individually assigned to an operating financial business firm to gain insight into the area of career interest. Periodic reports and conferences required. (Fall/Spring) Pre-requisite: FIN360 and Junior Standing
HISTORY

HIS103
HISTORY OF THE UNITED STATES, 1607-1877
A survey course in United States history from our European backgrounds through the Civil War period; stressing the revolutionary origins of the nation, our landed expansion, and our early economic growth. (Fall)

3 Credits

HIS104
HISTORY OF THE UNITED STATES, 1877-PRESENT
A survey course in United States history; stressing the development of our industrial economy in the last hundred years and America's rise to world power status in the twentieth century. (Spring)

3 Credits

HIS110
WORLD HISTORY
This course is a survey of major historical events and people with emphasis on how these affect the values and attitudes of the present world, regional, or local societies. (Spring)

3 Credits

HOSPITALITY AND TOURISM MANAGEMENT

HTM108
GEOGRAPHY OF HOSPITALITY AND TOURISM
This course looks at the historical movement of persons around the world, the development and origin of international cuisines and the transformation of these foods into contemporary restaurant business practices. An analysis of the impacts of the international movement of people on eating habits and demands on food suppliers will also be investigated. (Spring)

3 Credits

HTM190
INTRODUCTION TO HOSPITALITY AND TOURISM MANAGEMENT
An overall understanding of the Hospitality and Tourism Industry. The course will form the foundation of understanding for future hospitality and tourism courses, and provides students with a general orientation of the importance of this industry locally, regionally, and internationally. A look at the different career paths which students can follow will also be examined. (Fall)

3 Credits

HTM215
FOOD AND BEVERAGE MANAGEMENT
This course reviews the multifaceted world of food and beverage operations. Great food and great service create an outstanding dining experience, but the food and beverage field encompasses many areas never seen by consumers. This course covers topics from food production principles and service management, to menu planning, sanitation, purchasing, controlling, and beverage management. Exciting projects like creating a menu and visiting with a manager of a well-known restaurant operation are part of this course. (Fall) Pre-requisite: HTM190

3 Credits

HTM220
ACCOMMODATIONS OPERATIONS MANAGEMENT
This course looks at the highly complex nature of managing the accommodations industry room stock; it focuses specifically on the organization and management of the front office and housekeeping departments. The broad definition of accommodations which encompasses timeshare, hotels, condominiums, trailer parks, and campsites, will also be examined and students will get a good appreciation for the fierce competition within this sector of the hospitality industry. (Spring) Pre-requisite: HTM190

3 Credits
HTM222
THEME PARK AND RESORTS MANAGEMENT  
3 Credits
The course focuses on theme parks and resorts as destinations, the linking of the various products which includes hospitality, transportation and attractions in a product plant will be examined in detail. The complexity of operations within these organizations will be investigated by way of field trips to the major players in this area which are Disney and Universal Studios. Discussions on the merits of having these operations dictate development at the destination will also form a large part of this module. *(Spring)*

HTM225
SPORT IN HOSPITALITY AND TOURISM  
3 Credits
A look at the increasing impact sports have on the hospitality and tourism industries, with specific reference to the operations and marketing of properties in these businesses. Theoretical underpinning of this niche market and the profiles visitors in this area will be investigated. Visits to establishments, specifically Disney Wide World of Sport, will be arranged for students choosing this course. *(Spring)*

HTM295
HOSPITALITY AND TOURISM FIELD TRIP AND EXPERIENCE  
3 Credits
The main focus of this course is to provide students with the opportunity to observe, learn, and participate in as many professional hospitality and tourism management experiences as possible. The course will emphasize experiential learning in a variety of hospitality and tourism management settings with the intent of exposing the student to as many activities and experiences as possible. The hope is that by experiencing and observing different scenarios students will align career goals, develop professional outlooks and improve networking skills which are all essential for success in this environment. *(Fall/Spring)*  
Pre-requisites: HTM190 and HTM220

HTM300
HUMAN RESOURCE MGMT. IN THE HOSPITALITY AND TOURISM INDUSTRY  
3 Credits
This course focuses on the job of recruiting, training and retaining the most valuable asset of the hospitality and tourism industry, which is its human resources. The hospitality and tourism industry is heavily dependent on service and employs the largest number of people of any other industry, and its future success relies heavily on having trained and qualified persons to deliver their product. Students will look at the different theories and methods used in training and will have an opportunity to visit training facilities at major hospitality establishments. *(Spring)*  
Pre-requisite: HTM190

HTM315
SOCIOLOGY AND ANTHROPOLOGY OF HOSPITALITY AND TOURISM  
3 Credits
The Tourism and Hospitality industry involves the mass movement of individuals across international borders and the interaction of these travelers with a variety of cultures and people, some sophisticated and others primitive. An understanding of the synthesis of this interaction is essential if service industry students are to fully understand the social consequences which tourism and hospitality have on the host community and the diaspora in that region. *(Fall)*

HTM475
OPERATIONS ANALYSIS IN HOSPITALITY AND TOURISM INDUSTRY  
3 Credits
Examines financial statements which are specific to the hospitality and tourism industry. An analysis of how hotels determine room rates and restaurant menu prices to achieve profitability will be investigated. This course will also look at the volatility of this industry regarding risks, and the ratios used to measure risk will be covered. Some emphasis will be placed on managerial decision making in the hospitality industry. *(Spring)*  
Pre-requisite: HTM190
HTM495
HOSPITALITY AND TOURISM INTERNSHIP  3 Credits
This course builds on the experiences of the hospitality field experience course where students will now choose a specific area where they will like to work. The internship will be a structured management entry level experience; it will focus on attaining practical knowledge in the industry. The theoretical concepts gained in the classroom will be put into practice thus expanding and enriching the student's skills, experience and marketability. (Fall/Spring) Pre-requisites: HTM190, HTM220, HTM295, HTM300 and Junior Standing

HUMANITIES

HUM110
MUSIC APPRECIATION  3 Credits
An introduction to various styles and periods of music. The course creates student awareness of great musical works through historical insight, analysis of musical styles and techniques and development of listening skills. (Fall/Spring)

HUM120
FILM IN AMERICAN CULTURE  3 Credits
Introduction to film as an art form and as a study of the American culture. (As Needed)

HUM150
ART APPRECIATION  3 Credits
A survey of the arts, their relationship to the societies producing them, and their purpose in those societies, from prehistoric to the present. The emphasis in the course is on the period from the sixteenth century to the twentieth century, with focus on the role of artists as interpreters of their time. (Fall/Spring)

HUM170
HUMANITIES SURVEY  3 Credits
A survey of the various disciplines of the humanities, such as architecture, art, drama, music, and the general philosophy of creativity in western civilization and emphasizing the interaction of these cultural expressions with each other and the society producing them. (Fall/Spring)

HUM299
HUMANITIES FIELD TRIP  3 Credits
Through a 4 or more day trip, readings in the humanities or social sciences, and a follow-up project, this course explores the cultural and social aspects of a city or region. Depending on the emphasis of the course content, this course may be used as either a social science or humanities elective. (As Needed)

INTEGRATED MARKETING COMMUNICATIONS

COM254
PRINCIPLES OF INTEGRATED MARKETING COMMUNICATIONS  3 Credits
This course introduces students to the fundamentals of Integrated Marketing Communications (IMC). Learn and apply the IMC planning process and how to integrate marketing communication elements (e.g., advertising, public relations, digital marketing, etc.) to advance an organization’s success and brand. (Spring)
COM264
GRAPHIC AND CREATIVE DESIGN 3 Credits
This course provides students with the skills and graphic design competencies in Adobe software required for effective work practices in marketing communications. Students will develop intermediate-to-advanced-level skills in Adobe Creative Cloud programs and tools to design and develop professional-level publications for print, online, and mobile devices as well as gain skills in the use of Adobe InDesign, Adobe Photoshop, and Adobe Acrobat. (Fall/Spring)

COM344
ORGANIZATIONAL COMMUNICATION 3 Credits
This course explores communication practices that inform, persuade, and promote goodwill in organizational contexts with a focus on organizational theory and case studies. Explore how to use integrated communication processes to achieve organizational goals, inspire employees and stakeholders, create transparency, and support communication strategies. Organizational leadership will be emphasized. (Fall)
Pre-requisites: ENG112 and COM254

COM374
CORPORATE COMMUNICATION (old ENG499) 3 Credits
This course provides students with a comprehensive analysis of the corporate communications field and the broad range of communications encountered in the business world. With an emphasis on integrated strategic communication, students will research a variety of topics in the field and develop their skills through various case studies and projects. (Fall) Pre-requisites: ENG112 and COM254

COM384
DIGITAL CONTENT WRITING 3 Credits
This course explores the diverse digital media communication channels and their effect on how content is delivered. Develop skills in writing and analyzing effective online stories, clarifying how digital content differs from print, radio, and television. Students will learn to tailor content to reach online audiences in new, creative ways. (Fall) Pre-requisites: ENG112 and COM254

MKT250
PRINCIPLES OF MARKETING 3 Credits
The course examines the nature and significance of marketing, its functions, and its institutions. Promotional activities studied include target marketing, the role of advertising, advertising media, distribution, pricing, product policies and the role of marketing as a productive system within our economy. Examples emphasizing the increasingly important role of ethics in the business environment will be discussed. (Fall/Spring)

MKT340
CONSUMER BEHAVIOR 3 Credits
Examines individual and group decision making processes and purchasing behavior in public, private, and non-private sectors. Modern comprehensive models provide a framework for the student to explore intra and interpersonal variables; the market environment; consumer research, choice and attitude, market segmentation and consumerism. (Fall/Spring) Pre-requisites: MKT250, SBS250

MKT345
E-COMMERCE 3 Credits
An examination of the concepts, strategies, and applications involved in Electronic Marketing, including use of the web, electronic mail, social media, communication applications and other direct response advertising media for conducting e-commerce. (Fall) Pre-requisites: MKT250, CIS240
Undergraduate Course Descriptions

MKT365
DIGITAL MEDIA MANAGEMENT 3 Credits
This course provides how to produce high quality online digital content for the purposes of disseminating information, reaching out to and engaging with customers, employers and the rest of the community. It provides tools to create and/or manipulate video and audio illustrations for interactive media. (Fall)

MKT370
ADVERTISING STRATEGIES & SALES PROMOTION 3 Credits
This course provides an overview of the relationship between good advertising communications and achieving marketing goals. Emphasis is on how to execute and evaluate successful advertising for today's responsive consumer. (Spring) Pre-requisites: MKT250, MGT250

MKT375
SOCIAL AND MOBILE MEDIA BRANDING 3 Credits
Focuses on how social media and mobile marketing is used to develop well-conceived branding strategies. Multimedia platforms are important tools businesses use to strengthen their brand equity. Students will learn the procedure to build branding strategies by analyzing case studies and incorporating their own strategies as well as learn how to maximize a company's interactive media efforts using metrics and analytics. (Spring)

MKT420
INTERNATIONAL MARKETING 3 Credits
The study of the procedures and problems associated with establishing marketing operations in foreign countries. Topics covered include the institutions, principles, and methods involved in the solution of multinational business problems and the effects of national differences of business practices. (Fall/Spring) Pre-requisite: MKT250. Suggested Pre-requisite: POL210

MKT460
MARKETING RESEARCH 3 Credits
This course explores the role of research in the solution of marketing problems. The process by which researchers gather information is examined as it applies to decision making. Emphasis is on research planning, research methods, survey techniques, data analysis, and presentation of results. (Fall) Pre-requisite: BUS310

MKT465
SEO, MARKETING ANALYTICS, METRIC AND MEASUREMENT 3 Credits
Focuses on establishing analytical tools that will be applied to interactive social media marketing strategies. This course also examines the use of using metrics like bounce rates and conversion rates to determine if social media effort is leading to sales volume or other desired consumer actions. Study the changes in the perceived value as the social media platforms evolve. (Spring)

MKT480
MARKETING STRATEGY 3 Credits
The capstone course introduces the student to high level marketing decisions. Case studies are utilized and frequently applied marketing strategies are studied. Planning frameworks as used in problem analysis are examined. Focus is on management problems including several strategic business units involved in the decision. Competitive behavior is studied. Long-term advantages are emphasized, and financial considerations are examined. (Spring) Pre-requisite: Senior standing or instructor approval
MKT482
DEPARTMENT FIELD TRIP 1 - 6 Credits
This course features a cross-cultural comparative study of marketing theories and practices through extensive visitation of businesses in an international area. (As Needed)

MKT495
INTERNSHIP 3 Credits
Internship provides a structured work experience in a marketing environment within an organization, in which academic theory and practice can be applied. Through an internship program, students are able to experience the wide variety of marketing activities that are needed for operation of a business. The internship provides relevant marketing experience, which can be useful for future marketing career opportunities. (Fall/Spring) Pre-requisites: Junior status and approval of Internship Advisor for Marketing.

MANAGEMENT

MGT250
PRINCIPLES OF MANAGEMENT 3 Credits
An introduction to traditional and contemporary concerns of management. The study of fundamentals of management theory with emphasis on mid-management problems of enterprises. Includes history of management; planning, organizing, and controlling; decision-making fundamentals; information systems; motivation, communications, and leadership; international management and social responsibilities. (Fall/Spring) Pre-requisites: ENG112, MAT121

MGT300
PUBLIC RELATIONS 3 Credits
An exposure to all of the basic elements of public relations including publicity, promotion, lobbying, opinion research, public affairs, special events, and press-a-gentry. The course brings about a complete overall image of the extent and power of the public relations profession. (Fall/Spring) Pre-requisites: MGT250, MKT250

MGT312
HUMAN RESOURCES MANAGEMENT 3 Credits
A study of the theory and practice of human resources management in organizations of all types. It involves a critical examination of the significant issues raised in personnel, labor relations, motivation, recruitment, placement, training, and compensation. (Spring) Pre-requisite: MGT250

MGT321
BUSINESS ETHICS 3 Credits
Study the ethical environment of business by isolating major current issues confronting decision makers. Students contend with decisions complicated by issues of legality, fairness and social responsibility, as well as personal conscience and consequential or duty based ethical issues. The course relies on discussion, reading research, and case analysis to achieve the goal of relating ethics to decision making. (Fall/Spring) Pre-requisite: MGT250 or instructor approval

MGT325
ENTREPRENEURSHIP 3 Credits
Venture initiation, preparation of a sound business plan, characteristics of successful entrepreneurs, raising venture capital, market potential analysis, and identification of opportunities. (Fall/Spring) Pre-requisites: MGT250, MKT250, ACC201 or instructor approval
MGT343
ASSESSMENT, STAFFING AND EMPLOYMENT LAW 3 Credits
This course offers a systematic study of the application of human resource management principles to staffing functions in business and industry from recruitment through the first six months of employment. Emphasis is on problems of research, job design, personnel selection, placement, psychological assessment, motivation, job satisfaction, employee retention, and issues relating to diversity in staffing and legal issues. (Fall/Spring)
Pre-requisite: MGT312

MGT412
ORGANIZATIONAL THEORY AND BEHAVIOR 3 Credits
The organization is studied from both the macro and micro perspective by targeting on organizational structure and organizational interactions. The dynamics and links of individuals, groups, and environment are analyzed through examination of alternative organization theories. The purpose is to highlight the determinants of organizational effectiveness relating to strategies, inter-organizational systems, boundary spanning, networks change, conflict, job satisfaction, and governance. (Spring)
Pre-requisites: MGT312, SBS250

MGT440
OPERATIONS ANALYSIS AND MANAGEMENT 3 Credits
A study of decision theory. The emphasis is on formulation, solution and application of decision problems. Management sciences tools examined include: linear programming, inventory, distribution, network and queuing models, Markov chains, game theory and forecasting. (Fall) Pre-requisite: BUS310

MGT443
COMPENSATION AND BENEFITS 3 Credits
This course will provide students with an understanding of current and emerging issues in employee compensation, as well as a working knowledge of accepted compensation practices. This course will contain an international perspective, focusing predominately on domestic, expatriate, and foreign national compensation within international American Corporations. (Fall/Spring) Pre-requisite: MGT312

MGT499
POLICY AND STRATEGY 3 Credits
The primary purpose of this course is to integrate the student's academic experience and direct it towards a comprehensive analysis of policy and strategy of organizations. The approach is one of student research and presentation in the areas of competitive strategy and strategic process from the viewpoint of the general manager with a focus on policy formulation and implementation. (Spring)
Pre-requisite: Final semester or permission of department chair.

MATHEMATICS
MAT101
INTRODUCTION TO ALGEBRA 3 Credits
An emphasis on the fundamental operations of algebra and preparing for College Algebra. Major topics include operations with whole numbers, fractions and decimals, algebraic expressions, reduction of expressions and polynomials, 1st degree equations, the X-Y coordinate system with graphing linear equations, basic properties of exponents, multiplication of binomials, basic factoring, and square and cube roots. Word problems involving basic calculations and simple first degree equations are included to develop critical thinking skills. (Fall/Spring)
The course is used as a tailored elective and cannot be used as a mathematics/science elective.
MAT121
COLLEGE ALGEBRA
The course emphasizes fundamental topics in algebra that include: basic operations with rational numbers, solving linear equations and inequalities, coordinate system and graphing, properties of the straight line, graphing linear equations and inequalities, functions, properties of exponents, simplification of polynomials, multiplication of polynomials, factoring 2 degree polynomials, solving 2nd degree equations, and solving systems of linear equations. Word problems involving first and second degree equations are included to develop critical thinking skills. *(Fall/ Spring)* Pre-requisite: MAT101 or placement-See Testing, Page 102.

MAT320
BUSINESS CALCULUS
Topics include basic analytic geometry, differentiation and integration of algebraic and selected transcendental functions, Partial differentiation; Optimization and applications in business problems. *(Spring)* Pre-requisite: MAT121 or instructor approval.

MUS120
MUSIC FUNDAMENTALS FOR THE CASUAL MUSICIAN
This course is geared for any individual with little or no musical training who is pursuing music skills and knowledge on a recreational level. *(Spring/Fall)*

The course will introduce the student to the uses of space systems for scientific, societal, commercial and military purposes, as well as the fundamentals of the space system implementation and operation. *(Spring)* Pre-requisite: MAT121

This course will introduce the student to selected topics in physical science that impact major issues in today's world. *(Fall)* Pre-requisites: MAT121 and ENG112

An introduction to general astronomy with an emphasis on observational astronomy. Major topics include the constellations, and 1st magnitude stars, sky coordinate system and sky charts, the solar system, deep sky objects, and telescope design and handling. *(Fall/Spring)* Pre-requisite: MAT121
**SCI170**
**ENVIRONMENTAL SCIENCE** 3 Credits
The course is an introduction to the science which seeks to study our sustainable world. The student will use scientific method to explore the uses which confront modern man with the continued use and abuse of the resources of earth's environment. (Fall)

**SCI180**
**INTRODUCTION TO OCEANOGRAPHY** 3 Credits
Includes the study of the ocean's geological, physical, chemical, and biological processes, such as seafloor spreading, composition of seawater currents, waves and tides, life in the sea, ocean pollution, and marine policy/management. The course outline will follow the chapter outline in the textbook. Florida's unique coastal environment will be discussed. Students will have opportunities to conduct experiments and/or on-site observations to demonstrate knowledge gained about the ocean and its environment. (Online - As Needed)

**POLITICAL SCIENCE**

**POL200**
**INTRODUCTION TO UNITED STATES GOVERNMENT** 3 Credits
A survey of the theory, principles, and institutions of United States Government; from the National to the local level. Emphasis is placed on the government's relationship to the private sector, especially in business. (Fall)

**POL210**
**INTRODUCTION TO INTERNATIONAL RELATIONS** 3 Credits
A brief introductory survey of the history of international relations and an examination of current diplomatic arrangements, techniques and concepts. Focus on helping the future American business person understand the international environment. (Spring)

**POL230**
**CURRENT EVENTS** 3 Credits
The course is a comparative study of major current political events with past and present political, social, and economic principles. (Fall/Spring)

**POL305 (CJM305)**
**CONSTITUTIONAL LAW** 3 Credits
An upper level course applicable to criminal justice management, pre-law and political science. The course examines the structure of the legal system including separation of powers and federalism issues. Topics include, but are not limited to, the powers of Congress, the powers of the Federal Judiciary, the powers of the President, and the powers reserved to the states. The course also examines various individual rights including equal protection, freedom of expression, and freedom of religion. The course provides an in-depth study of constitutional law with an emphasis on the Fourth; Fifth, Sixth, Eighth and Fourteenth Amendments to the United States Constitution, as these govern police and court procedures and the rights of citizens. The course will also focus on the role of the Supreme Court and constitutional law as it applies to law enforcement and civil rights. (Fall)

**SOCIAL/BEHAVIORAL SCIENCES**

**SBS190**
**PEER COUNSELING** 1 Credit
This course promotes self-knowledge as the student investigates the serious problems and dangers facing young adults and learns sensible, well-informed methods of dealing with them. May be repeated up to 4 credit hours. (Fall) Required course for resident assistants, elective for others.
SBS250
PSYCHOLOGY 3 Credits
Classical theory of learning, perception, and social interaction and models of psychology. Emphasis is placed on the evaluation of theories of behavior from the perspective of the kind of assumptions made about motivation and control of behavior. An effort will be made to relate current concepts in psychology to earlier contributions. (Fall/Spring)

SBS255
SOCIOL OGY 3 Credits
An examination of theory and research methodologies relevant to human society and social behavior. Topics include: the roles played by groups, organizations, institutions, cultures, and individuals within each social structure. (Fall)

SPANISH

SPA101
BASIC COMMUNICATIONS IN SPANISH I 3 Credits
Introduces the essential elements of Spanish structure, grammar, and vocabulary. Vocabulary building begins with introductions, greetings, and simple descriptions of individuals, families, and friends. Students will learn to communicate basic information such as personal data, likes, dislikes, and hobbies. (Fall)

SPA102
BASIC COMMUNICATIONS IN SPANISH II 3 Credits
Continues in the development of skills in the essential elements of Spanish structure, grammar and vocabulary. Vocabulary building continues with learning the basic skills needed to communicate about daily routines, campus activities, holidays, careers, talents, and past events. (Spring) Pre-requisite: SPA101

SPA203
INTERMEDIATE COMMUNICATIONS IN SPANISH I 3 Credits
Continues the development of skills in the elements of Spanish structure, grammar, and vocabulary. The student will begin to communicate through oral language using more advanced vocabulary and processing skills as well as be introduced to a level of communication needed for basic "survival" in casual travel abroad. (Fall /As Needed) Pre-requisite: SPA102

SPA204
INTERMEDIATE COMMUNICATIONS IN SPANISH II 3 Credits
Continues the development of skills in the elements of Spanish structure, grammar, and vocabulary. The student will learn the basic vocabulary needed for conducting business in the Spanish language. Such topics as buying and selling, giving instructions and suggestions, and voicing opinions about commerce, politics, and economics are discussed. (Spring /As Needed) Pre-requisite: SPA203

SPORT BUSINESS MANAGEMENT

SBM220
INTRODUCTION TO SPORT BUSINESS MANAGEMENT 3 Credits
The course gives a perspective of the growing field of sport-related activities and opportunities in the sports field that have arisen from these activities. Areas of professional, educational and commercialized sport are surveyed. Emphasis is placed on the value of professional management to sport organizations and to the skills necessary for the opportunities that exist in the field. (Fall/ Spring) Pre-requisite: ENG111
SBM240
FIELD EXPERIENCE 3 Credits
Provide students with the opportunity to observe, learn, and participate in as many professional sport business management experiences as possible. The course will emphasize experiential learning in a variety of sport business management settings and provide an overview of what students should consider and expect from the varied career options available to them in the sport industry. Although there are no guarantees of success, this course can help the student align career goals, develop professional outlooks, improve communication skills, and increase students’ likelihood of finding successful employment in the sport industry. (Spring) Pre-requisite: SBM220

SBM245
CAREERS IN SPORT BUSINESS MANAGEMENT 3 Credits
An overview of what students should consider and expect from the varied career options available to them in the sport industry. This course can help the student align career goals, develop professional outlooks, and improve communication skills. The course will address some of the questions students are most likely to have, including what courses they should take, what areas of Sport Business Management are available to them, and how they can get the job of their dreams. This course should increase students’ likelihood of finding successful employment in the sport industry. (Online) Pre-requisite: ENG111

SBM260
ETHICS AND ISSUES IN SPORT BUSINESS MANAGEMENT 3 Credits
The purpose of this course is to: (a) promote critical self-evaluation of one's own ethics and beliefs; (b) examine one's philosophy, clarify values and refine any moral or ethical reasoning skills; and (c) examine ethical situations and issues within the sport environment. Through class discussions, projects, and debates, ethical issues and situations that affect sport managers are addressed. (Spring) Pre-requisite: ENG111

SBM340
SPORT PROMOTION 3 Credits
This course incorporates the latest concepts of sports marketing with applications to the current world of sport. The course examines the value of sport promotion to organizations attempting to generate revenue and attendance. An emphasis is placed on promotional methods, tools, sponsorships, and endorsements. (Fall/Spring) Pre-requisite: MKT250

SBM390
RISK MANAGEMENT AND LEGAL ASPECTS OF SPORT 3 Credits
It is essential that a sport business manager is familiar with potential risks and how to prevent occurrences of identified risks as well as essential sport managers being aware of the legal implications of their actions as managers in the potentially litigious sport setting. This course will provide an introduction to the legal issues in the sports industry and expose the student to many of the legal issues facing those in sport organizations. Additionally, the course will cover various risks specific to the field and risk management procedures that today's sport manager must know. (Fall/Spring) Pre-requisite: SBM220

SBM420
SPORT INFORMATION AND MEDIA RELATIONS 3 Credits
Examines how the Sport Information Director handles publications, publicity, statistics, and game management for major sports events. It also looks at the media's impact on sports. This course is writing intensive. Student will be expected to write press releases, feature stories, interview, and speeches. (Fall/As Needed) Pre-requisite: ENG112
SBM440
FACILITIES AND EVENT MANAGEMENT 3 Credits
Studies in the financing, management, and marketing of sport facilities. It also looks at the major sport events organization, management, and staffing. The economic impact of stadiums, arenas, and events to a community is a major area of discussion in this course. Practices in designing and planning are examined as well as current trends that are having an impact on facilities. A strong emphasis is also put on legal issues and risk management. (Fall) Pre-requisite: SBM220 or HTM190

SBM460
SPORT ADMINISTRATION 3 Credits
This course serves as a "Capstone" course in the Sport Business Management concentration. It strives to integrate all of the previous courses as students’ work individually and in teams on group projects requiring the application and integration of knowledge and experience from previous SBM courses. (Spring) Pre-requisite: SBM220

SBM495
INTERNSHIP 3 Credits
The internship provides the student with the opportunity to link Sport Business Management theory to sport organization practice. Through internships, students move from the role of student, to the role of professional and thus expand their career orientation. Significant benefits can accrue to the student who takes advantage of the opportunities which present themselves in various sport settings including the chance to gain valuable work experience under the supervision of a qualified, practicing professional; develop and expand his/her network of contacts; assume responsibility for project development and implementation; and hopefully obtain a permanent position upon completion of the internship. (Fall/Spring/Summer) Pre-requisite: SBM220

SBM498
ADVANCED SEMINAR IN SPORT BUSINESS MANAGEMENT 3 Credits
An advanced directed study in specialized areas of sport business management not addressed in previous sport business management courses or other electives. (As Needed) Pre-requisites: SBM220, SBM240 or SBM245. Program Chair Approval
WEBBER BUSINESS HONORS

WBH201 COMMUNITY SERVICE 1 Credit
Honor students are expected to provide a minimum of 20 volunteer hours of community service related to University sponsored campus activities or in the area of education or charity to a local non-profit organization. Students are required to keep a log of activities and hours of service. All required service hours must occur during the registered term. Students cannot be paid for all service hours required by this particular course. Each student will be evaluated by the faculty advisor based on the approved project proposal, student’s activity log, the oral presentation, and the organization’s evaluation of the student’s work. Sophomore Status (Fall)

WBH202 BUSINESS FIELD TRIP 1 Credit
Students will be required to visit the selected businesses in Florida to observe and learn how the business is conducted. Selection of the businesses/corporations will be decided by the faculty advisor and the administrator of the Honors Program. Students will be required to contact the selected business/corporation to develop a visit plan, conduct site visit as planned, submit written report after each visit and make a final oral presentation. Each student will be evaluated based on the approved visit plan, participation in the field trip, written trip reports and the oral presentation. Sophomore Status (Spring)

WBH301 NETWORKING AND CAREER OPPORTUNITIES 1 Credit
Students will develop networks for their future career opportunities by contacting alumni who are in the business relating to the students’ major. In addition, students may develop their networks by including the contacts obtained from the WBH202 course or other sources. Students will be encouraged to create a unique networking structure that will include all possible sources for their career opportunities. Each student will be evaluated based on the comprehensiveness of the developed network, the structure of networking and the final project report. Junior Status (Fall) ONLINE

WBH302 SPECIAL TOPIC 1 Credit
Students will conduct an independent study to generate a research paper in the areas relating to the students’ major. Students will discuss the topics with the faculty advisor and then generate an outline of the paper for approval by the faculty advisor. In addition to reviewing the given reading materials, students will conduct secondary research to obtain needed information for the paper. The faculty advisor will review the draft paper and provide comments for revision. Each student will be evaluated for the ability of synthesizing reviewed information, forming and revising the draft paper in accordance with the comments provided by the faculty advisor. Junior Status (Spring)

WBH401 WEBBER BUSINESS REVIEW 1 Credit
The course is to assist in developing a research topic and also to formulate research hypothesis, perform the basic research, and write and present the research paper. Students will be required to publish the Webber Business Review; an annual publication of Webber. Students will work together under the supervision of the faculty advisor to decide the contents and the format of the Review. Students having the same majors may form a team to write an article relating to their majors. If preferred, the student may also choose to write his/her own article for the Review. The faculty advisor will review the draft articles and provide comments for revision. Each student will be evaluated for his/her ability to review related information, to form the draft article and finalize the Review for publication. Senior Status (Fall)

WBH402 SPECIAL EVENTS 1 Credit
Students will gain valuable experience in organizing and hosting guest speakers for special events such as seminars, workshops, and/or honors luncheon. The honors luncheon can be jointly hosted with the University’s Annual Business Luncheon. Students will be responsible for planning and promoting the events, inviting renowned speakers, and conducting the events as planned. Students will be required to develop an event proposal requiring approval by the faculty advisor and submit progress reports as well as a final project report.
Webber International University  
And  
St. Andrews University  
(A branch of Webber International University)  

Admissions Requirements  
2017-2018 Academic Year

Admissions: General

First-year, non-traditional and transfer students may be admitted to the University for either the Fall or Spring terms. The Office of Admissions seeks to ensure that candidates for admission possess the characteristics and skills necessary for success, and understand that this may be reflected in prior achievement as well as in clear potential. The University accepts students who are otherwise admissible without regard to age, disability, national and ethnic origin, race, religion, sex or sexual orientation. Prospective students are encouraged to contact the Admission Office at either location to discuss the University and its programs and to share their personal goals. Campus visits are encouraged and welcomed. Prospective students wishing to visit the University may make arrangements by contacting either:

Office of Admissions  
Webber International University

Babson Park, Florida 33827  
1-800-741-1844  
(863) 638-2910  
FAX (863) 638-1591  
E-mail: admissions@Webber.edu

OR

Office of Admissions  
St. Andrews University  
1700 Dogwood Mile  
Laurinburg, NC 28352  
1-800-763-0198  
(910) 277-5000  
FAX (910) 277-5020  
Email: admissions@sapc.edu

An online version of the application is available at [www.Webber.edu](http://www.Webber.edu) for the Florida campus in Babson Park, Florida.

An online version of the application is available at [www.sa.edu](http://www.sa.edu) for the North Carolina campus in Laurinburg, North Carolina.
To apply, each student should submit an application for admission and a $35 non-refundable application fee.

The University operates on a rolling admission plan and will accept applications as long as space is available. Students are notified of admission as their files are completed and decisions are made. Once admitted an advance deposit of $130, which is applicable to tuition, is required for all full-time students. An advance deposit of $220, which is applicable to the dormitory fee, is required of every resident student to reserve a room. The tuition deposit is non-refundable and the housing deposit is only refundable if requested in writing 30 days before the beginning of the semester.

Admission Requirements

First-Year Applicants

Students entering the University from high school or students transferring with less than 15 semester University level credits must submit all of the following documentation for consideration by the Admissions Committee for regular acceptance to the undergraduate program:

- The University Admissions Application
- Official High School Transcript or GED certificate
- Official SAT and/or ACT Scores
  (The report should be sent directly to the University through the appropriate testing report service, or as a part of the high school transcript).
  Webber ACT school code: 0773 / Webber SAT school code: 5983
- $35 Non-refundable Application Fee
- In addition, the University strongly recommends that all freshman students submit additional credentials with their applications including a personal essay (about academic or career goals or a topic of special personal interest) and a letter of recommendation.

Graduation from a regionally accredited high school or state-approved secondary school or equivalent (G.E.D., etc.) is required for first year applicants.

Transcripts and score reports should be sent directly to the Office of Admissions:

Office of Admissions
Webber International University
1201 North Scenic Highway
Babson Park, Florida 33827

Office of Admissions
St. Andrews University
1700 Dogwood Mile
Laurinburg, NC 28352

Webber's admission philosophy is to evaluate each applicant individually as our mission is to educate the whole individual.
We strongly consider GPA and class rank as evidence of past academic success, SAT/ACT scores as an indicator of future academic success, and extracurricular activities with emphasis on leadership, volunteerism, service and commitment as evidence of the breadth and depth of involvement and predictor of contributions as a member of our campus community.

Students educated in home school and non-traditional settings will be considered for admission. The Admission Office may request submission of completed work, portfolio, test scores, and other information to assist in making a decision on the application in addition to SAT or ACT scores. An official final high school transcript, as indicated by the high school seal and the signature of an authorized school official, must be in each student's file. The transcript should be sent directly to the Office of Admissions and will be forwarded to the Office of the Registrar, in compliance with federal enrollment guidelines.

Students who have received high school equivalency certification based on the General Education Development (GED) test may be considered for admission. These students should submit a request for official transcripts from all high schools attended and should also request a copy of the GED certificate. SAT or ACT score reports are also required, as well as a teacher or counselor recommendation. All official documents, including the GED certificate, should be mailed directly to the University.

**Transfer Applicants**

A student with 15 or more College Level Semester Hours must submit all of the following documentation for consideration by the Admissions Committee for regular acceptance to the undergraduate program.

- The University Admissions Application
- Official transcripts from ALL Colleges and Universities attended (even if courses were not completed)
- $35 Non-refundable Application Fee
- Transfer Clearance Form completed by the last College or University attended

Transfer students with less than 60 hours of accepted transfer credit toward the bachelor degree at Webber must provide proof of high school graduation or a GED certificate. A copy of the high school diploma or high school transcript which lists the diploma date or GED certificate is required.

The University strongly recommends that all transfer students submit additional credentials with their applications including a personal essay (about academic or career goals or a topic of special personal interest) and a letter of recommendation.

**Transfer Credit Acceptance**

The acceptance and evaluation of credit for transfer is based on various factors, including: the level, content, quality, comparability, and degree program relevance of the proposed transfer credits; the institution's accreditation; and assessment of course equivalency through evaluation of the transcript.
Transfer credits are accepted from Regionally Accredited Institutions for appropriate courses which will pertain to the declared degree at Webber International University (Webber). Courses with grades considered for transfer must have a grade of “C” or better. Courses with any other grade other than A – C will not be considered. Pass/Fail courses are not considered for transfer. Students who have earned an academic degree prior to attending Webber such as an AA, AS, BA, or BS may receive credit for a course with a grade of “D” if the course grade was earned within the degree. Course credits are transferred, earned grades appear on the transcript but quality points are not calculated in the Webber GPA. Life Experience is not considered for credit.

**Policy on Transfer from an Institution Accredited by Other U.S. Department of Education Recognized Accreditors**

In order for Webber to consider credits from an institution accredited by other U.S. Department of Education recognized accreditors, additional information on the courses taken is required. Care is taken to ensure courses transferred are adequately similar to Webber courses in quality and content.
1. Official transcripts
2. Course catalog description from the school’s catalog or website catalog that was in effect at the time of the student’s attendance.
3. Copy of the course syllabus from the semester the course was taken showing the teaching professor’s name along with the professor's earned degree credentials. The syllabus term dates must match up with the official transcript term dates. In addition, the syllabus must include the specific learning outcomes addressed in the course.
4. Only Webber 100 and 200 level courses will be considered for possible transfer.
5. A maximum of 60 hours will be considered toward a Bachelor of Science degree. A maximum of 30 hours will be considered toward an Associate of Science degree.
6. In the case of transferring credits from institutions phasing out, students may be allowed to transfer more than 60 hours with 300 level courses if they are determined comparable to the courses offered at Webber for the selected majors.
7. In the case of clock hour program credits, conversion from clock hour to semester hour will be calculated, as appropriate.
8. Determinations will be made after all documentation is received and reviewed by faculty of selected majors and university Registrar.
9. Courses not appropriate toward a Webber International University degree will not be considered for transfer.
10. The Academic Dean will make the final determination of course applicability toward a Webber International University degree.

**Non Traditional / Testing Credit**

The University will evaluate and consider transfer credits from recognized testing agencies, following the minimum score recommendations of The American Council on Education (ACE), Advanced Placement (AP), College Level Examinations Program (CLEP) and Defense Activity for Non Traditional Education Support (DANTES) in accordance with recommendations from the American Council on Education and the Service Member Opportunity Colleges Program (SOC). The University recognizes and awards advanced credit for courses taken in the International Baccalaureate (IB) program following the minimum standards for college credit in that program.
International First Year Applicants

Applicants must submit all of the following documentation for consideration by the Admissions Committee for regular acceptance to the undergraduate programs.

- The University Admissions Application
- Official High School Transcripts (original and English translation)
- SAT I and/or ACT Scores or Exam results from home country for students whose first language is English
- $75 Non-refundable Application Fee
- TOEFL, IELTS, or approved substitute for students whose first language is not English (contact an admissions counselor for approved substitute information).

The University strongly recommends that all students submit additional credentials with their applications including a personal essay in English (about academic or career goals or a topic of special personal interest) and a letter of recommendation.

International Transfer Applicants (Completed 15 or more College Level Semester Hours):

Applicants must submit all of the following documentation for consideration by the Admissions Committee for regular acceptance to the undergraduate programs.

- The University Admissions Application
- Official Transcripts from ALL Colleges and Universities attended
- $75 Non-refundable Application Fee
- TOEFL, IELTS or approved substitute required (contact an admissions counselor for approved substitute's information).
- Transfer Clearance Form completed by the last college or university attended (for students transferring from a U.S. institution).
- Visa Clearance Form (for students transferring from a U.S. institution)
- Evaluation of International Educational Credentials of Post-Secondary Education performed by an approved evaluation service (contact an admissions counselor for approved providers)

The University strongly recommends that all students submit additional credentials with their applications including a personal essay in English (about academic or career goals or a topic of special personal interest) and a letter of recommendation.

International students may submit appropriate documentation of academic performance which is standard in the educational system of their country. Evaluation of submitted documents is based upon the generally accepted standards by organizations and agencies that evaluate international education. For example, students from the United Kingdom may submit A level results in lieu of SAT scores. Approved TOEFL or IELTS substitutes apply for a student who has successfully completed English as a Second Language program and demonstrated the appropriate skill needed to enter the University or for a student who has studied at an institution abroad and received academic course work delivered in the English language. The Admissions Committee will review all submitted documentation to determine the student's English language skill.
If the student disagrees with the committee's evaluation, the student may submit a TOEFL score for reconsideration with no prejudice toward the student's application.

International students should consider the time required to obtain a student visa when completing the application. At least 30 days is required to obtain a visa in most countries.

**Selection for Admissions**

Selection of students admitted to the University is based upon the credentials submitted by the applicant. The University will give careful consideration to all applicants who submit their applications and credentials before the available seats are filled.

Applicants for regular admission will be notified of their admission status within three weeks of receipt of all required forms and information.

**Fresh Start Acceptance**

Some students may be required to start school in the University's Fresh Start Program to be eligible for acceptance. The University's Fresh Start Program is designed to support the educational efforts of moderate to high-risk students. The students accepted into the program might have had difficulty in achieving appropriate educational goals in the past, but have demonstrated a commitment to continuing their education and moving toward career goals.

I. **Academic Component**
   - Attendance in tutorial labs
   - Close relationship with Academic Advisor & Planner
   - Limitation on course loads
   - Minimum GPA requirements

II. **Social Component**
   - Special programming activities for Fresh Start students (guest speakers, motivational activities, and field trip opportunities, for examples).
   - Seminars/workshops on time management, stress reduction, or other relevant topics.

III. **Career Component**
   - On-going assistance with goal setting.
   - Practice with advisors to develop the proper business dress, demeanor and etiquette for people new to professional careers.
   - Assistance in educating Fresh Start students about career options.

Applicants must submit the following documentation, in addition to the documents required for regular acceptance, for consideration by the Admissions Committee for acceptance to the Fresh Start Program:

- Letter of Recommendation from a professor, guidance counselor, or employer
- Essay (to be completed in-house)
Admissions

A personal interview is required for some applicants who are under consideration for admission to the Fresh Start Program by the Fresh Start Committee. The Fresh Start Committee uses a point system to evaluate the documents submitted by the applicant and the personal interview. The decision of the Fresh Start Committee is final.

Registration

Registration dates for each term are listed in the calendar published within this official University catalog. Students meet with faculty advisors for academic counseling and for scheduling classes for the coming semester. All financial obligations must be met in the Business Office before the student may register.

Any student registering after the designated registration period must pay a $25 late registration fee. Late registration extends through the Drop/Add period after classes begin. No student may register after the late registration period.

Orientation

Webber International University provides an orientation program for new students. Prior to their arrival on campus, students receive orientation information on what to bring and when to arrive. Upon arrival, students meet with faculty and staff advisors and take necessary testing for placement purposes. Special social programs are planned to help new students meet returning students, faculty, and staff.

International Student Orientation

International student orientation meeting is held during the orientation period. All international students are required to attend this session. Important information and updates about F-1 student status is dispensed at this meeting.

ACADEMIC POLICIES AND PROCEDURES

Academic Advising

Students are responsible for meeting academic requirements outlined in the catalog. Students meet with an academic planner each semester for course selection. Faculty advisors, however, will provide guidance and counseling regarding courses of study, selection of electives, and other pertinent academic matters. In addition to conferring with faculty advisors, the student has the option of consulting both with the Division Chairman and the Chief Academic Officer on scholastic matters.

Course Load

Webber International University operates under the semester system. A semester consists of approximately fifteen weeks of classes. Credits earned are called semester hours which are synonymous with credit hours. For each hour of credit, a class will usually meet the equivalent of one period of fifty-five minutes per week.

During the Fall and Spring Semesters, a student must take a minimum of twelve hours to be considered a full-time student. The normal full-time load is twelve through sixteen credit hours.
It is recommended that students on academic probation take no more than twelve credit hours. With the approval of the Chief Academic Officer, some students may be allowed to take one course (3 credit hours) overload. A student with fewer than 15 accumulated hours at Webber International University will not be permitted to take an overload.

A student entering Webber International University as a Freshman pursuing an A.S. degree can expect four (4) semesters of full-time studies averaging 15-16 hours a semester. A student entering Webber International University as a Freshman pursuing a B.S. degree can expect eight (8) semesters of full-time studies averaging 15-16 hours a semester.

Students can be tested for placement in English, Computer Literacy, and Mathematics. Required remedial courses will count toward full-time enrollment, but will not count toward graduation.

Course Substitution
Course substitutions or any deviation from the stated requirements of a degree offered at Webber International University must have the written approval of the Chief Academic Officer.

Appeal Procedure for Transfer Credits Placement
If a student wishes to appeal for adjustment of transfer credit placement after he/she has arrived and is enrolled at Webber International University, the following policy and procedure will apply:

A student has one academic year to have his/her transfer credit re-evaluated or adjusted. Supporting documentation must be provided as requested by the Registrar. It is the student's responsibility to acquire this documentation and present it within the one-year (two regular semesters) time frame. After this time, no adjustment will be considered. Within three weeks of receipt of supporting documentation, the Registrar will meet with the Chief Academic Officer and the Department Head of the course in question.

The decision of this committee shall be final. In the case of a transfer student who is a senior, this procedure must take place within the first semester the student is enrolled and before he/she applies for graduation.

Course Cancellation
The University reserves the right to cancel any course for which an insufficient number of students has enrolled or for other reasons deemed necessary for course cancellation. No charge is made to a student for a registration change necessitated by such course cancellation.

Independent Study
Independent (directed study) courses are allowed only in special circumstances. In the event that a special circumstance arises, a student will be granted an independent study if he is a junior or senior and only upon the approval of the Chief Academic Officer. If approval is granted, the student should understand that Independent Study involves scholastic or research endeavors apart from the regular course offered.
Academic Policies and Procedures

Students should pursue the study with direction from their supervising professor in virtually a one-on-one relationship (i.e. frequent conferences regarding the study needed in order to complete the course). The time limit for completion of an Independent Study is one (1) semester.

COURSE REPEAT POLICY

A course in which a letter grade of "D" or "F" has been earned may be repeated for grade average purposes. Only the higher grade is used in computation of a cumulative Grade Point Average (GPA) at Webber International University and at St. Andrews University, its branch campus. However, the original grade and the repeated grade will count towards Satisfactory Academic Progress, unless the student applies for "Forgiveness."

If a student chooses to repeat a course, a Request to Repeat a Course Form must be completed during the registration period. The course must be repeated at the student’s respective campus in order to receive an adjustment in the GPA. However, a student may petition to repeat the course through the Florida campus (for North Carolina students) or in North Carolina (for Florida students) if there is an equivalent course available. The petition must be submitted to the Academic Planner/Adviser (of the campus where the student intends to repeat the course) a minimum of one month prior to the start date of the course in question. The Registrar (for the Florida campus) or the Campus Academic Dean (and Associate Dean, as applicable, for the North Carolina campus) will review the request, consult with the Department Chair and adviser, determine if an equivalent course exists, and inform the student of the result of the review.

No course may be repeated more than two (2) times. Students who repeat a course for which they have received a letter grade of "D" or "F" must notify the Registrar’s Office for recalculation of their cumulative GPA. No courses may be repeated for grade average purposes after graduation. All credits attempted are considered when calculating quantitative Satisfactory Academic Progress status.

Students pursuing majors in the Education Department (including Elementary Education, Physical Education K-12, Middle Grades Education, and Special Education) are required by the North Carolina Department of Public Instruction to maintain a cumulative grade point average of 3.0 or higher to be admitted to the Education program, to remain in the Education program, and to be permitted to complete the student teaching experience and the major. Therefore, students majoring in any of these majors in the Education Department are permitted to repeat, for grade average purposes, no more than three (3) courses in which a grade of “C” was earned. This exception must be approved by the Chair of the Education Department and the Campus Academic Dean. If the exception is approved, only the higher grade in the repeated course(s) would be used in the computation of the student’s cumulative grade point average. Both the original grade and the repeated grade would remain on the student’s transcript.

NOTE: Veterans’ Administration benefits and some Title IV funds may not cover the cost of repeating courses assigned a “D” grade. Students should speak with the Financial Services Department for further details.
GRADE FORGIVENESS POLICY: Undergraduate Programs

Grade forgiveness allows a student to repeat a limited number of courses to improve his or her GPA. This includes courses in which a grade of “C” or higher was earned. Students must submit a completed Grade Forgiveness Request Form to the Academic Planner to the Registrar’s Office (for the Florida campus) or the Registrar’s Office (for the North Carolina campus) prior to repeating the course.

Whenever a student elects to repeat a course for grade forgiveness, the original grade is removed from the transcript, and replaced with “R”; thus, it will not be computed in the final grade point average. Note that once the student receives grade forgiveness, the original grade will not count towards the GPA or SAP standards. Federal aid allows for one repeat attempt for a previously passed course to be included in enrollment status.

Only courses taken at Webber International University and/or at St. Andrews University and repeated at the University are eligible for grade forgiveness. Undergraduate students may use forgiveness up to three (3) times prior to the conferral of the degree. Grades cannot be changed once a degree has been conferred. Grade forgiveness cannot be used by non-matriculating students or for pass/fail courses.

If a course has been taken more than one time prior to the application for forgiveness, this process can be used to establish the highest awarded grade received in the course. The grade forgiveness policy is not retroactive and will not retroactively alter any previous academic action. For example, a probation or disqualification status will not be removed from the records of the semester in which the student originally took the course.

Under unusual circumstances, a different but similar course may be used to replace a forgiven course. In such cases, the Campus Academic Dean must seek prior approval from the Chief Academic Officer for a course substitution to be utilized.

If a student withdraws from a first retake repeated under the grade forgiveness policy, the attempt will not count as an allowable attempt. However, the original grade will not be replaced with the “W” received in the repeat attempt. This stipulation mirrors the financial policy for students withdrawing prior to completing a first-retake course.

Students receiving VA benefits are advised that the forgiveness of any grade other than an unsatisfactory grade must be reported to the VA and may result in the retroactive reduction of benefits for the semester for which the forgiven grade was originally assigned.

Students receiving Title IV financial aid are allowed one retake of a course previously passed (grade of B-D) or failed (grade of F) and still receive financial aid for that second enrollment. If a student withdraws before completing a course that is being retaken, it is not counted as the one-time retaking of the course for financial aid purposes. However, if a student passed the class on the first try but fails the course on the second attempt, that second attempt counts as the second retake and the student will not be paid for taking the course a third time. While the institutional policy will permit students to retake a course for a third time, such students will be responsible for paying the tuition costs associated with the third retake. Note that retaken classes may count against satisfactory academic progress. In such cases, students may want to consult their Financial Aid Adviser to clarify their situation.
**GRADING SYSTEM**

<table>
<thead>
<tr>
<th>GRADE</th>
<th>EQUIVALENT</th>
<th>RANGE</th>
<th>QUALITY POINTS</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>90 – 100</td>
<td>4 Grade Points</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>80 – 89</td>
<td>3 Grade Points</td>
</tr>
<tr>
<td>C</td>
<td>Average</td>
<td>70 – 79</td>
<td>2 Grade Points</td>
</tr>
<tr>
<td>D</td>
<td>Poor</td>
<td>60 – 69</td>
<td>1 Grade Point</td>
</tr>
<tr>
<td>F</td>
<td>Failure</td>
<td>0 – 59</td>
<td>0 Grade Points</td>
</tr>
</tbody>
</table>

**“I”** A grade of "I" (Incomplete) is requested by the student who is unable to complete a course such as completing a paper or taking an exam due to extenuating circumstances. The instructor must agree to the incomplete. The student must complete the Incomplete Request Form and pay the $25 fee in the Business Office. The incomplete grade must be removed by October 1 for the previous spring or summer semester, February 1 for the previous fall semester or it will revert to an "F".

**“IP”** A grade of "IP" (in progress) will be assigned for a course (Internship's only) that is still in progress. The IP grade must be removed by the end of Fall semester if the student has an IP in the Summer semester, by the end of Spring semester if the student has an IP in the Fall semester, and by the end of Summer semester if the student has an IP in the Spring semester or it will revert to an "F".

**“R”** A grade given which indicates that a credit attempt was not acceptable. A Retake grade earns no grade points and is not computed in the grade point average. An "R" is also indicated when a course has been repeated and a student has invoked the forgiveness policy.

**“W”** Withdrawal is indicated on the final grade sheet if the student withdrew himself/herself from the class during the designated withdrawal period, completed the required paperwork, and paid the required fee. The grade is not computed in the grade point average.

**“P”** A grade given for transferred credit, or credit-by-examination. No grade points are assigned but hours toward the degree are earned.

**“WP/WF”** Withdrawal Passing and Withdrawal Failing may be indicated on the final grade sheet if the designated Withdrawal period is over and ONLY at the discretion of the instructor. No more than two (2) Withdrawal Failing grades are allowed during a Bachelors program and no more than one (1) is allowed during an Associates program. A WP/WF grade is not computed in the grade point average. A student must apply for the WP/WF before the start of final exam week.
The grade point average is computed in the following examples:

<table>
<thead>
<tr>
<th>Credit</th>
<th>Grade</th>

30 divided by 15 = 2.00 Grade Point Average

**ACADEMIC STANDING** (see also: Student Handbook for detailed information).

**STUDENT CLASSIFICATION**

Students are classified by level on the basis of semester hours earned toward graduation:

- Freshman: 0 - 24
- Sophomore: 25 - 56
- Junior: 57 - 85
- Senior: 86 and above

**ACADEMIC PROGRESS/GOOD STANDING**

Students must pass 24 credit hours in two semesters to meet the requirements for full-time student classification. Students in good standing are those whose cumulative grade point average is at the required level for the student's class standing.

**ACADEMIC WARNING**

Students whose semester (term) grade point average falls below 2.00 receive an academic warning. Student grade sheets and transcripts reflect the warning status.

**ACADEMIC PROBATION**

The student will be placed on automatic academic probation at the end of any semester when the student's cumulative grade point average (on all hours attempted at Webber International University) falls below the following minimum standards:

1. 1.59 for those students having attempted up to 12 credit hours.
2. 1.85 for those students having attempted 13 - 24 credit hours.
3. 1.93 for those students having attempted 25 - 36 credit hours.
4. 1.97 for those students having attempted 37 - 48 credit hours.
5. 2.00 for those students having attempted 49 - 60 credit hours.
Academic Policies and Procedures

Student grade sheets and transcripts state a student is on probation and a letter from the Chief Academic Officer is sent to the student detailing academic restrictions.

ACADEMIC DISMISSAL
Students on probation who fail to meet the probation requirements will be academically dismissed by the Academic Standing Committee for unsatisfactory progress toward the attainment of their degree.

任何形式 student earning less than a 1.00 GPA based on hours attempted in any semester is subject to academic dismissal.

Students academically dismissed who can provide evidence of academic rehabilitation (i.e., two courses passed at another college/university) may apply for reinstatement at Webber International University 6 months after dismissal.

READMISSION POLICY
The university is eager to work with former students who wish to return to the Florida or North Carolina campus to complete a degree. Our goal is to make readmission a simple, straightforward process.

Students seeking to return to either campus must apply for readmission. To complete the readmission process, students must be cleared by Academic Affairs, the Business Office, Student Affairs, and the Financial Aid Office.

Criteria for readmission include 1.): a cumulative grade point average of 2.0 or higher at the time of withdrawal from the university, or evidence of improved academic performance at another institution, or verification of the ability to make satisfactory academic progress toward graduation; 2.): payment of any balance due to the Business Office, or an approved payment plan to clear any remaining balance due; and 3): a clear behavioral record in the Student Affairs Office, or evidence of remediation of previous behavioral concerns.

On the Florida campus, the Admission Office assists students with the readmission process.

On the North Carolina campus, the Associate Dean for Academic Affairs assists students with the readmission process.

Any student readmitted to the university must satisfy the graduation and major requirements as specified in the catalog in effect at the time of readmission. Students readmitted under academic financial aid warning may not be eligible for Title IV funds.
The Fresh Start program is a three (3) semester program for moderate to high-risk students.

The following academic policies apply:
- Take 12 - 13 hours
- Attend all required classes
- Cannot withdraw from any classes
- Attend all required tutorial hours
- Attend all required meetings with Academic Planner and Academic Dean

A Fresh Start student will be placed on academic warning, probation or dismissal in accordance with the following standards:

<table>
<thead>
<tr>
<th>Semester</th>
<th>GPA</th>
<th>Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>First semester</td>
<td>GPA 1.59 - &lt;2.00</td>
<td>Warning, continue the second semester</td>
</tr>
<tr>
<td></td>
<td>GPA 1.00 - 1.58</td>
<td>Probation, continue the second semester</td>
</tr>
<tr>
<td></td>
<td>GPA &lt;1.00</td>
<td>Subject to Dismissal</td>
</tr>
<tr>
<td>Second semester</td>
<td>GPA 1.85 - &lt;2.00</td>
<td>Warning, continue the third semester</td>
</tr>
<tr>
<td></td>
<td>GPA 1.00 - 1.84</td>
<td>Probation, continue the third semester</td>
</tr>
<tr>
<td></td>
<td>GPA &lt;1.00</td>
<td>Subject to Dismissal</td>
</tr>
<tr>
<td>Third semester</td>
<td>GPA 1.97 - &lt;2.00</td>
<td>Warning</td>
</tr>
<tr>
<td></td>
<td>GPA &lt;1.97</td>
<td>Subject to Dismissal</td>
</tr>
</tbody>
</table>

If the Fresh Start student earns a GPA of 2.0> at the end of the first semester, the student will be allowed to register for up to 15 hours in the second semester. All Fresh Start requirements still apply.

**ACADEMIC DISHONESTY**

Students attending Webber International University are awarded degrees based on the individuals having earned their degree on the basis of personal work. Therefore, any form of cheating on tests and assignments, or plagiarism on reports or papers is unacceptable and punishable in accordance with the seriousness of the offense.

Academic dishonesty includes but is not limited to the following:

**A. Cheating** on an examination or in the classroom; Webber International University defines cheating as follows: (1) unauthorized giving or receiving of aid by any means during a test or examination; (2) having another person take an exam in his place, or taking an exam in another person's place; (3) stealing or using, unless authorized, any test, paper, or answer key.

**B. Plagiarism**, or taking and passing off as one's own ideas, writings or work of another, without citing the sources; The Winston Dictionary defines plagiarism as "as the act of stealing and using as one's own, the ideas, or the expression of the ideas, of another." Plagiarism includes the paraphrasing of another person's work or idea without proper attribution. Students must state the source of information if not their own by the use of footnotes or by citation in the body of the text. Plagiarism also applies to electronic information of all types. Penalties for plagiarism will be applied if students failed to meet the standards of copyright compliance. Students must adhere strictly to all laws and guidelines pertaining to copyrights. No videos or films may be shown outside the classroom without the appropriate copyright permission.
C. Stealing examinations or course materials;

D. Falsifying Records;

E. Violation of computer policies;

F. Copyright Compliance - students must adhere strictly to all laws and guidelines pertaining to copyright; no videos or films authorized for being used in a specific class may be shown outside the classroom without the appropriate copyright permission.

G. Fabrication - Fabrication is the falsification or invention of any information or citation in an academic exercise.

H. Assisting anyone to do any of the above;

Punishment for committing academic dishonesty:

Undergraduate student:
First offense - the student will receive a numerical value of zero (0) on the assignment or a reduction of one letter grade in the course, whichever is the most severe punishment.
Second offense - whether in the same course or another course will result in a penalty up to an “F” for the course.
Third offense - will result in expulsion from the university.

Graduate student:
First offense - the student will receive a grade of zero (0) in the course.
Second offense - will result in expulsion from the university.

Procedure for Reporting Cheating or Plagiarism Incident
When a professor feels a cheating or plagiarism incident has occurred, the professor will present the information, documentation and any supporting evidence to the Chief Academic Officer who will review the information and conduct a joint session with the student(s) and the professor. The purpose of the session is to insure the student’s complete understanding of the University’s definition of cheating or plagiarism. Formal notification of cheating or plagiarism is delivered to the student in writing and placed in the University record. Parents may be notified.

Facilitating Academic Dishonesty
Facilitating academic dishonesty is helping or attempting to help another commit an act of academic dishonesty. For a student currently enrolled in a course, the procedures and penalties described above apply. When a professor or another student believes that a student who is not currently enrolled in a course is facilitating academic dishonesty, he or she may present the information to a department chair or the Chief Academic Officer. Supporting evidence will be reviewed to determine the level of involvement in facilitating academic dishonesty.

*The Academic Dishonesty policy can also be viewed within the Student Handbook.*
Academic Policies and Procedures

Reporting Grades

Final Grades can be accessed by students in the MyWebber student portal at the end of each semester for students who have fulfilled all financial obligations.

Dean's List

Students who achieve a semester term grade point average of 3.50 or higher for 12 or more hours are recognized by being included on the Webber International University Dean's List.

Drop/Add

See calendar at the front of the catalog for schedule. A drop/add form is initiated with the academic planner. The first two days of classes are designated as a Period of Adjustment with no charge for schedule changes. Beginning on the 3rd day through the end of the drop/add period; the fee is $10.00 per transaction. No notation of enrollment will result when a student drops a course.

Withdrawal from a Course

A withdrawal is made with an academic planner on the withdrawal form and filed in the Registrar's Office. A $10.00 fee will be charged for each transaction.

A student may withdraw from a course during the withdrawal period allotted for course changes (see academic calendar). A "W" will be recorded on the student's record. Students are permitted to withdraw from a course with a grade of "W" any time after the last day of course changes (see academic calendar). After the last day of withdrawal but prior to the final examination, a grade of "WP" or "WF" will be given as determined by the instructor based on the student's work to that time. Only 2 "WF's" are allowed.

*Leaving a course without filing the appropriate drop/withdrawal form with the Academic Planner will result in having a grade of "F" reported for that course*

Attendance

Students are expected to be in attendance on the first day of classes to establish intent to study and reserve their seat in the course. Students not in attendance the first day of class risk losing their registration reservation. Students are also expected to attend punctually all classes and laboratory sessions and may be absent only for unavoidable reasons. It is the student's responsibility to inform his instructor of an unavoidable absence.

Withdrawal from the University

Official withdrawal from the University is initiated by the student in the office of the Dean of Student Life or in the Office of the Registrar. The date the student notifies either office is the student's withdrawal date, for any appropriate financial aid calculations and possible fee adjustments. An interview is conducted and a withdrawal form with instructions for subsequent steps to leave in good academic standing is given. Students who withdraw from the university may reapply following the admissions policy for readmit students.
Grades for the semester from which the student has properly withdrawn will be reported as “W’s” on the official transcript. The schedule for tuition adjustments for withdrawing students is given in the Student Finances section of this catalog. Students who withdraw from the university may reapply following the admissions policy for readmit students.

Privacy Act Information
Under the provisions of the Family Educational Rights and Privacy Act (FERPA), Webber students have the right to inspect their educational records kept by the University. The student may contact the Registrar if he/she wishes to request correction of any inaccurate information, or to file complaints concerning any misleading information contained therein. Disclosure of academic information is considered confidential and is issued to persons or agencies outside the University only upon written authorization by the individual student.

In order to comply with the law, the University limits disclosure of records (without the student's consent) by restricting access to those with a legitimate need to know and by safeguarding against third-party disclosure of personally identifiable information.

Faculty, Administration and Staff of the University or other school official contracted by Webber shall have access to all data about a student which is deemed necessary for the performance of academic or administrative duties. Webber will comply with a judicial subpoena. Additional information concerning FERPA is outlined in the Student Handbook available online through the Webber Intranet.

Directory information about students is generally available upon request. Students who do not wish this information to be released must contact the Registrar's Office.

Procedures for exercising rights under the act are printed in the Student Handbook which is available online on the Webber Intranet. Information Release Forms are mailed to prospective students in the application packets; additional copies are available in the Admissions Office. Copies of the appropriate forms for obtaining access to University-held records can be made available in the Registrar's Office.

Testing
All degree-seeking students entering Webber International University are required to meet minimum college readiness standards in reading, writing and mathematics.

In order to determine a student’s appropriate course level, Webber utilizes the standardized college entrance individualized subject scores from the ACT and/or the SAT for the purpose of placement in the appropriate level English and Math courses.

International Students TOEFL and IELTS scores are used in the same manner for English placement only. International students with only TOEFL and IELTS tests must take the University’s PPT test upon entrance to Webber for math course placement. The ACT/SAT/TOEFL/IELTS score placement chart appears below.

ENG090 is a preparatory course and does not count toward the degree for graduation purposes. ENG110 and MAT101 are creditable as an elective. ENG111 is Freshman English I, MAT121 is College Algebra and both courses fulfill general education requirements. Students who do not demonstrate the minimum academic skills necessary through these standardized tests must remedy the subject deficiencies by enrollment in developmental or entry level courses within the first term of enrollment.
Students entering Webber with a completed associate (A.A. or A.S.) or bachelor degree will not be required to submit ACT/SAT scores. Placement is determined through transfer credit acceptance. Transfer students who enter with accepted freshman college level English I and/or College Algebra with a “C” or better completed will not have to test.

Transfer students without an A.A., A.S., or B.S. or equivalent course transfers must submit ACT/SAT scores for placement purposes.

Transfer students without qualifying ACT/SAT test scores who have taken the appropriate preparatory/remedial coursework at their previous regionally accredited institution may have their previous preparatory courses evaluated for equivalency for placement purposes. Students must have passed the course(s) with a “C” or better. Pass or Fail grades will not be accepted for accelerating to the college level ENG/MAT course. All coursework must be on the institutions official transcript. In the case of an institution that offers a sequence of preparatory or remedial work in Math or English subject area, the student will need to have passed the highest level course in the sequence in order to move up to the college level course.

The university Registrar will make the determination of “appropriate preparatory coursework equivalence.” Final approval, as needed will come from the Academic Dean. If course equivalency is unclear, the student is placed in the appropriate course per the policy for transfer students without qualifying test scores.

Webber’s PPT placement test is required for admitted students who have not taken the ACT/SAT/TOEFL/IELTS tests upon entrance. Tests are given under the following conditions:

- A student may take the replacement test only one time.
- Any test must be completed before coursework is begun in that subject area.
- There is a $35.00 charge for administering the PPT test.
- The PPT test placement result will be final.
### PLACEMENT TABLE

**International Students**

*** The SAT redesign, which began with tests taken beginning in the spring 2016, will be represented by the final score concordance and determined by the admission staff.
STUDENT SERVICES

At Webber International University, not all learning experiences take place in the classroom. Active involvement in social programs, recreational activities and personal-growth experiences create special moments and long-lasting college memories. The good times, friends and knowledge are all part of the excitement of living and learning at Webber International University.

Counseling

The Dean of Student Life provides personal and academic assistance. Professional counseling is locally available, at the student's expense, for serious mental health or personal problems, drug abuse intervention and rehabilitation. Additionally, faculty members provide academic advising and the Director of Career Services provides career counseling and sponsors career development programming.

Disabled Student Services

In compliance with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990, Webber International University seeks to provide accommodations for students with disabilities enabling them to access education on an equal basis with students without disabilities. Auxiliary learning aids as well as human support services are made available to qualified students with varying disabilities.

Students should contact the Chief Academic Officer's office for assistance in academic matters. The Student Life Office assists campus resident students with disabilities concerning specific housing needs.

Dress Code

Webber International University has established a student dress code in recognizing that appropriate dress is an essential ingredient of success in the business community. Student's dress must be neat, clean, decent, and in good taste.

The following apply to Babson Center, conference center, classrooms, offices, the dining hall, and the library: students are expected to wear shoes and shirts, shorts or skirts which cover the appropriate areas reasonably and to wear a cover-up to and from the pool area.

Dress for Webber Night and other special events should include a coat and tie for men and a dinner dress or pants outfit for women. Faculty and staff members may require a more stringent code in some cases. From time to time, the dress code may be changed or modified by the University.

Bookstore

The Webber International University Bookstore and gift shop is located in the Student Union. The inventory includes textbooks, school and office supplies and an assortment of University memorabilia. Bookstore purchases can be paid with cash, check, or a major credit card (Mastercard, Visa, American Express, Discover).
Housing

The University provides on-campus housing for men and women. Camilla Hall, Grace Hall, Dorm A, Dorm B and Miranda Hall offer residence for approximately 419 students. The Housing Coordinator supervises the Residence Halls. Each residence hall has student Resident Assistant(s) to aid students and to oversee hall activities. Rules and policies governing residence halls are published in the Student Handbook and the University Housing Agreement.

All Freshmen and Sophomore students with less than 56 earned hours are required to live on campus in the residence halls both semesters of their Freshman and Sophomore years. This policy applies both to Freshmen and Sophomores who enter in August (Fall semester) and January (Spring semester).

A student may be granted permission to live off campus as a new Freshman or Sophomore if he/she meets the following criteria:

1. The student must be living locally (less than a 40 minute drive) with his/her parents or legal guardian, or
2. the student must be 20 years old or older by the beginning of the entering semester, or
3. the student is married.

The first step in requesting a release is to meet with the Housing Coordinator. The final decision is made by the leadership team of Webber.

Documentation Standards for Freshmen and Sophomores Living Off Campus

Exemption 1: Student must be living locally, less than a 40 minute drive, with his or her parents or legal guardian

Documentation required:
  a) Distance: MapQuest printout (www.mapquest.com) showing less than 40 minutes driving time from student's documented place of residence to 1201 N. Scenic Highway, Babson Park, FL 33827; and
  b) Parents or legal guardian
     a. Birth certificate; or
     b. Certified court order of guardianship dated at least 12 months prior to admittance; or
     c. IRS form 1040, with address matching and student's name on line 6c(1) from the immediate previous year; or
     d. IRS form 1040a from the immediate previous year, with address matching and student's name on line 6c(1)

Exemption 2: Student must be 20 years old or older by the beginning of the entering semester

Documentation required:
  a.) authenticated government issued identification (e.g., certified birth certificate, driver's license, passport, certified consular certificate of live birth, etc.)
Exemption 3: Student is married.

Documentation required:
   a.) certified copy of marriage certificate. These are the only exceptions. Please do NOT ask for any exceptions, reviews, hearings, etc. Everyone will be responsible for compliance and management of this policy.

   Students are assigned rooms and roommates, and changes may be made only with the approval of the Housing Coordinator. Changes which alter the cost of housing must be absorbed by the student.

   The fees for housing do not include periods when the University is not in session (between semesters, Christmas and Spring Break). Residence Halls are closed during these periods; however, arrangements may be made with the Housing Coordinators for staying in the Residence Hall during breaks. There is a nominal fee for this privilege and special Residence Hall policies are enforced.

   The University provides security personnel during evening hours. However, Webber cannot assume responsibility for students' personal property. The University strongly recommends the student acquire personal insurance (renter's insurance).

Food Service
   The University provides several food service options for students. There are two meal plans available to students living on campus.
   Meal plan A - provides 19 meals per week for the 15-week term at a substantial savings (All Freshmen living in the dormitories must be on plan A).
   Meal plan B - entitles the student to 200 meals of his/her choosing during the semester.

Students may also purchase meal tickets in the Business Office at a reduced rate. Meals may be purchased at the door at reasonable commercial prices.

   Student representatives routinely survey the student body for input in planning menus, special dinners, outdoor barbecues, and dining room activities. The Student Union serves hot food, sandwiches, drinks, and snacks at reasonable prices.

Student Vehicles
   All students in good standing are permitted to bring a vehicle to campus. The parking lots are designated by sticker type and time of the day.

   Student vehicles must be registered with Security and must properly display a current Webber parking decal that must be purchased in the Babson Center for a $15 fee each semester. Florida law allows out-of-state students to use their current home state license plates and current driver's license.
All vehicles without a decal will have a boot placed on vehicle. Any vehicle that parks in faculty/staff parking with or without a decal will have a boot placed on vehicle and will be charged a $25 fee. A new decal must be purchased every year.

Webber International University is not liable for any damage to vehicles on campus.

Security
Webber International University employs security personnel to patrol the campus during off hours. Security personnel are on campus each week night between closing of office hours and opening office hours and 24 hours a day on Saturday and Sunday. Security's responsibilities include assisting students, patrolling the campus, checking locks, and registering visitors. They report incidents involving the safety of the students and the protection of University and student property.

Reporting Campus Crime
The University is very concerned with the safety of its students and faculty, and it is also concerned with the security of both personal and University property. When witnessing or discovering a crime, students should first do what is necessary to secure their personal safety and the safety of others. The students should immediately report the crime to University personnel available on site. The University personnel will assist students in contacting the appropriate law enforcement agency. Students may seek advice or assistance from police immediately in the event the crime is serious or life threatening.

University personnel who are available to assist students in resolving or reporting a crime are:
- Evenings and Weekends: Security, R.A.’s, and Housing Coordinator.
- Weekdays: Dean of Student Life and Director of Security.

An Annual Crime Statistics Report is available on the website, in the Student Life Office and is also published in the Student Handbook and the Webber website.

Airport Transportation
Students flying to Florida are to arrive at the Orlando International Airport. Webber International University provides airport pickup on a limited basis from Orlando International Airport. There is a transportation charge per trip which will vary depending upon scheduling. Students will meet at a designated airport pickup location for transport to the campus. For specific information, contact Webber's Student Life Office.

Student Health Services
Routine medical and first aid services are available on campus. The campus nurse maintains two office hours (9-11am) Monday through Friday in the Nurse's Office located in the Babson Center. Confidential student health records are maintained by the nurse. All illnesses, accidents, medications, or special treatments must be reported to the nurse and the Dean of Student Life.

The physical examination form and an immunization record must be completed by a physician prior to registration for all full-time students. This information is essential for treatment, particularly emergency treatment, of students.
Student Services

For all other healthcare-related needs, students will need to consult an external health care provider. Physicians, dentists, chiropractors and other health care professionals are locally available in Lake Wales, Winter Haven and Lakeland. Nearby hospitals are Lake Wales Medical Center, Winter Haven Hospital, Women's Regency Medical Center, Heart of Florida Hospital and Lakeland Regional Medical Center.

All students are required to have sufficient health coverage while attending Webber International University. Insurance coverage is provided by Webber International University and any uninsured students are required to purchase the university provided primary coverage. U.S. citizens and permanent residents with qualifying personal health insurance have the option to use their existing coverage and only purchase athletic coverage at a reduced cost. A student's primary insurance coverage must meet predetermined guidelines. To be eligible for athletic insurance, please read and complete the Insurance Affidavit Form - See more at: http://webber.edu/acceptanceforms/#sthash.8CAeATcq.dpuf

Tutoring Services—The PASS Center

The PASS Center is a tutoring and study lab open to all students, free of charge seven days a week. A schedule is posted every week of tutoring times. Tutors in English, math and other various subjects are available during afternoons and evenings. The PASS Center is located in the basement of the McConnell Classroom Building (MC) facing the football practice field.

Tutors are undergraduate students who have already taken the subject classes in which they did well; they can help improve a students’ grade as well as help in developing good study habits. Students who visit the PASS Center sign in; computers are available and a study table. Occasional workshops are designed to help with specific communication topics and suggestions are welcomed.

Procedure for Appeals
(Including contact information for designated Student Grievance Officers)

A student who is not satisfied with a decision made by a University official often has an avenue of appeal. A student who wishes to appeal a decision of a University official may do so in writing, within seven days after the decision has been reached. A student not availing him or herself to this policy within this timeframe will forfeit any right to appeal that he or she may have had.

While there is no particular format which a student must follow, the student should completely and concisely spell out his or her case, including such documentation as is necessary. Specifically, the student should make clear the circumstances surrounding the issue and why he or she believes the decision reached was contrary to University policy, unjust, or should otherwise be reconsidered. The student should include contact information in case further information is necessary or questions arise. Because the presumption is that the decision was reached for appropriate reasons, the burden of proof lies with the student filing an appeal.

The University official (designated student grievance officer) receiving the student's appeal will render a written decision within seven days. While a student may always avail him or herself to the University's open door policy, doing so will not substitute for filing a written appeal and will not preserve his or her rights of appeal under this policy.
To Whom Decisions May Be Appealed (designated Student Grievance Officer)

Any decision involving the academic areas of the University may be appealed to the following designated student grievance officers: Chief Academic Officer (first level of appeal). The Office of the Chief Academic Officer is located in the McConnell Building; the President (second level of appeal).

Any decision involving the student life areas of the University may be appealed to the following designated student grievance officers: Dean of Student Life (first level of appeal); The Student Life Office is located in the McConnell Building; the President (second level of appeal).

Any decision involving athletics may be appealed to the following designated student grievance officers: Athletic Director (first level of appeal) The Athletic Director office is located in Fitness Center; the President (second level of appeal).

The following decisions are final and may not be appealed: the decisions of the President of the University, Academic Standing decisions of the Graduate Council, the decisions of the Academic Standing Committee, the decisions of Grade Appeal Committees, and the decisions of Fresh Start Evaluation Committees.

Students who wish to file a complaint or seek redress should contact the above mentioned designated Student Grievance Officer.

POLICIES GOVERNING UNIVERSITY SERVICES

Education Records and Student's Right to Privacy

Students are the "owners" of their education records and the institution is the "custodian" of the records. An education record is defined as any record that directly identifies a student and is maintained by the institution, education agency or by a party acting for the institution or education agency. A key distinction of education records is that education records are shared. Education records can exist in any medium including the following handwritten, typed, computer generated, videotape, audiotape, film, microfilm, e-mail, and others.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Webber International University must have written permission from the eligible student in order to release any information from the student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
Accrediting organizations;
To comply with a judicial order or lawfully issued subpoena;
Appropriate officials in cases of health and safety emergencies;
State and local authorities within a juvenile justice system pursuant to specific State law.

Webber may disclose, without consent, "directory" information. The Student Handbook annually notifies current students of their FERPA rights.

**Directory Information:**
**Releasable items** that are not generally considered sensitive or confidential that may be disclosed to appropriate outside organizations may include:
- Student Name, Address, E-mail Address, Phone Number
- Height, Weight, Date and Place of Birth (**used with caution**)
- Major and Minor field of study, Class level, Dates of attendance, Enrollment Status
- Names of Previous Institutions attended, Honors/Awards received, Degree earned and date earned
- Participation in officially recognized Activities and Sports, Photos of Athletic Team Members
- Photographic, Video or Electronic Images of students taken and maintained by the institution

A student may request in writing that Directory Information not be released by contacting the Registrar or the Dean of Student Life. Contact registrar@Webber.edu for information or questions. A paper copy of the FERPA policy is available on request.

Other important policies can be found on the University's website: [https://webber.edu/current-students/](https://webber.edu/current-students/) and Intranet: [http://webber/handbookpolicy.htm](http://webber/handbookpolicy.htm)

---

**CAREER SERVICES**

The Career Services Center provides resources for students and alumni on setting career goals and making contacts with prospective employers. Up-to-date materials on developing job-search skills are available in the Career Library and through events provided throughout the year. The professional staff also counsels students in choosing the right fields and establishing a plan for the ultimate objective of a successful job search.

On-campus recruiting by employers provides opportunities for students to meet professionals in their chosen fields to learn about internships and full-time employment. Student attendance at regional job fairs is promoted by Career Services, which also advertises part-time and summer positions, and provides internet listings for Webber's majors.

Career Services coordinates an annual networking fair, Career Day. This event provides students and alumni with an opportunity to meet with representatives from various companies to discuss internship and career opportunities. Employers also conduct seminars and interviews on campus throughout the year.
STUDENT ACTIVITIES

**Athletics**

Athletics make their own special contribution to education, intercollegiate sports, and provides competition against other University teams. Participants and fans have the opportunity to learn sportsmanship, school pride, and healthy competitive attitudes. The Webber Athletic program is a part of the National Association of Intercollegiate Athletics (NAIA) and competes in The Sun Conference. Available varsity sports at Webber include: Men and Women's Basketball, Bowling, Tennis, Soccer, and Golf, Cross-Country, Track and Field, Triathlon, Cheerleading, and Volleyball, Men's Baseball and Football and Women’s Softball. Many teams also offer competition at the Junior Varsity level.

**American Criminal Justice Association**

This organization is open to anyone who is majoring in Criminal Justice. The purpose of this club is to get each member actively involved in the community, professional organizations, and the criminal justice. Through projects, volunteer work, and community involvement, members will be able to develop professional skills, networks, and a better understanding criminal justice. An emphasis will be placed on involvement, professionalism, and experiential learning to better prepare students interested in the field.

**Beach Volleyball**

Webber International University is proud to offer beach volleyball courts for the enjoyment of our student body. We also have competitive beach volleyball teams. Beach volleyball tournaments are held almost every weekend across the state of Florida. The Webber International University beach volleyball teams train weekly to prepare themselves to compete in these events. At the local tournaments there are many different levels of play ranging from B/BB for beginners to AA/Open for the advanced player.

Some of the student-athletes in the program have goals to play at the professional level while others simply enjoy the sport and added bonus of staying in shape while in college.

**Fellowship of Christian Athletes (FCA)**

The Fellowship of Christian Athletes is an organization open to all students. Its purpose is to help students understand the issues and problems that they face through a Biblical point of view and create an atmosphere for Christian fellowship. FCA is a certified ministry that is initiated and led by student-athletes, sponsored by coaches, supported by staff, and meets on a weekly basis.

**International Students Club**

All Webber International University students are automatically members of ISC. By participating in ISC meetings and events, you will get to know international students from over 45 countries and ensure that ISC provides the types of services and activities that meet your needs and interests as an international student at Webber.
Phi Beta Lambda (PBL)

Phi Beta Lambda is the college counterpart of Future Business Leaders of America (FBLA). This organization was created to give students who are interested in business an opportunity to meet other business students from all over the United States as well as many of the state's and nation's business leaders. PBL students participate in community service activities and fundraisers, and may also compete in sanctioned district, state and national competitions. Students learn to work towards a common goal, see business theories applied to the real world, and get a chance to network with possible employers. This gives a college graduate an added advantage when it comes time to leave school and begin his career.

Rotaract Club

Rotaract is a service club that is open to all students’ ages 18 to 30 who are dedicated to community and international service with a mission of working together to serve others and advance peace. The Webber Rotaract club is self-governing and sponsored by the Rotary Club of Lake Wales, Florida.

Society of Hosteurs

This student driven organization is the Hospitality and Tourism Management's vehicle to give students opportunities to develop leadership, management, communication, and social and team building skills. Students participate in extracurricular activities with the hospitality business community at the regional, state, and national levels. Through membership in hospitality and tourism organizations and by participating in industry-related activities, it provides the students opportunity for networking, so valuable when looking for internship and career opportunities. Society of Hosteurs organizes social gatherings, field trips, and fun activities every semester. Membership is open to all students, from all majors at Webber.

Sport Business Management Club

This organization is open to anyone who shows an interest in the field of Sport Business Management. The purpose of this club is to get each member actively involved in the community, professional organizations, and the field of Sport Business Management. Through projects, volunteer work, and community involvement, members will be able to develop professional skills, networks, and a better understanding of the Sport industry. An emphasis will be placed on involvement, professionalism, and experiential learning to better prepare students interested in the field.

Student Activities Board

The Student Leadership Association is an organization designed to promote student involvement on campus and encourage feedback from students. Members will create, advertise, and produce student activity events.

The Warrior Newspaper (Student Publications)

The Warrior is a bi-weekly newspaper that contains campus news, social and educational announcements and student and faculty editorials. The Warrior is distributed to everyone on campus and is posted at strategic locations on campus.
STUDENT FINANCES

I. Financial Policies

Webber International University is a privately endowed non-profit institution. All education and operation income is derived from endowment funds, tuition fees, gifts, foundations, business and philanthropic contributions. The student actually pays only a portion of his educational expenses.

Paying Tuition and Fees

Tuition and fees are payable in full to the Business Office before the beginning of each semester. Payments of tuition and fees may be made by cash, check (personal or business), money order, wire, or credit card including Master Card, Visa, Discover, and American Express. Payment may be made by mail or in person in the Business Office between the hours of 8:00 a.m. and 4:30 p.m. Monday through Friday. Credit card payments are also accepted online at www.Webber.edu and by phone at 863-638-2944.

Fees charged by the University may be adjusted at any time by the Board of Trustees. When practical, advance notice of any change will be given.

At the time of application for admission, the student (resident or non-resident student) submits an application fee of $35 ($75 for international). This fee is a non-refundable service charge to cover a portion of the cost of processing the application.

A non-refundable advance deposit of $130, which is applicable to tuition, is required for all full-time students. An advance deposit of $220, which is applicable to the dormitory fee, is required of every resident student to reserve a room.

Lab fees are required where applicable and are non-refundable.

Cancellation Policy

One hundred percent (100%) of the housing deposit is refundable if written notification of cancellation is received by Webber International University at least 45 days prior to the start date of classes. The housing deposit is non-refundable after 30 days from the start date of classes.

All resident (dormitory) students are required to maintain a $220 security deposit in the Business Office, prior to their first day of classes, to cover costs of property damage to their assigned rooms. The security/housing deposit refund must be requested in writing by the student within 30 days of the last full term of attendance (i.e., Fall or Spring terms; Summer terms are not applicable) of the student. After 30 days, if the refund request is not received in writing, the security/housing deposit becomes the property of Webber International University and is non-refundable. There are no exceptions to this policy.

Periodically, campus property will be inspected and damage charges may be assessed. Any student involved will be billed directly for his proportionate share of the damages.
Holds

A hold (negative service indicator) may be placed on a student's records, transcripts, grades, diplomas or registration due to financial or other obligations to the University. Satisfaction and clearance of the hold is required before a release can be given. To obtain an immediate release for financial holds, payment to the Business Office must be made either in cash, credit card, cashier's check, wire or money order.

OFFICIAL NOTICE

Students are hereby officially notified that the registration and enrollment process is not complete until all tuition, fees and other charges are paid in full. If payment is not made in full, other alternative arrangements must have been made which are accepted and acknowledged by the University.

Students personally guarantee and are responsible for all obligations to the University for tuition, fees and other charges. Students under the age of majority, age 21 in Florida, have by assumption received the personal guarantee of their parent(s) or guardian unless the student, the parent(s) or guardian notifies the University in writing of their invalidation of the personal and parental assumption of guarantee of all tuition, fees and other charges.

Any student who has an outstanding balance due to the University is officially given notice that the University will withhold and discontinue the release of official transcripts and academic records until all balances are paid in full.

Scholarship holders as well as participants in the tuition remission program are responsible for various charges and fees. Please review with the Office of Financial Aid and Business Office the fees you are obligated to pay.

General Regulations

Regardless of the method of payment selected by the students and parents or guardians, other conditions and requirements which apply to all University bills are as follows:

1. All bills are due and payable 5 days prior to the beginning of each semester. All past-due accounts will be charged a $50.00 late fee on the 15th and 30th of every month until the account is current.
2. If any payments are due Webber International University, the student will receive no grades; be given no transcripts, degrees, or letters of recommendation; nor will the student be permitted to register for the following semester or participate in graduation ceremonies until all financial obligations have been settled in the Business office.
3. Webber International University assumes no responsibility for personal property of the student.
4. A traditional student taking a course in the Adult Education Program is billed on the Full-Time Student Fee. Permission of the instructor and the Chief Academic Officer is required.
II. Full-Time Student Fees per Semester

All fees apply to full-time day students (12-16 hours per semester). Additional (17+) hours will be charged at a rate of $335 per hour.

**2018**

A. Tuition and Fees

$11,385.00

**MEAL PLANS**

All students living in the dormitories must be on one of the meal plans.

**Meal Plan A:**

(Appproximately 295 meals per semester = 19 meals per week - 3 meals per day Monday through Friday and 2 meals per day Saturday and Sunday).

Fall and Spring - $1,591 per semester (sales tax included) for 2018.

*All freshmen living in the dormitories must be on Meal Plan A.*

**Meal Plan B:**

(Entitles the student to 200 meals of his/her choosing during the semester – Monday through Sunday).

Fall and Spring - $1,329 per semester for 2018.

There are meal tickets available to be purchased in the Business Office for those students not wishing to be on the meal plan.

| 20 Tickets | $ 145.00 ($7.25 ea.) |

**Summer Meal Plan:** includes 15 meals per week. Meals are not served Saturday and Sunday.

The University will make every effort to meet the request of a student regarding room assignment and number of roommates. However, there is no guarantee.
Budgets

Budgets vary according to lifestyles and personal preferences. Below is a typical cost statement, excluding travel and personal expenses for one semester.

Matriculation, Tuition, Health

<tr>
<td>8 - 11 hours</td>
<td>$838.00</td>
</tr>
</tbody>
</table>

Courses may be audited on space available basis and permission of instructor - $100.00 per course.

IV. Graduation Fee

For a student receiving one degree, a fee of $310 will be due at the beginning of the student's final semester. An additional $25 per degree will be due for students receiving more than one degree.

V. Incomplete Fee

A fee of $25 is required when a student applies for a grade of "Incomplete."

VI. Overload Fees

17 hours or above / $335 per hour

VII. Technology Fee

All courses offered via internet are subject to a supplemental $69 per credit hour technology fee.

VIII. Lab Fee

A $25 lab fee is required for the following courses: HUM110, PHY270, PHY280, PHY290 and SCI170. Online sections of the above-mentioned courses will not be charged for lab fee.

IX. Refund Policy
Students Who Receive Federal Title IV Aid

Federal Funds are awarded to a student under the assumption that the student will attend the institution for the entire period for which the assistance is awarded. When a student ceases academic attendance prior to the end of that period, the student may no longer be eligible for the full amount of Title IV, HEA program funds that the student was scheduled to receive.

Federal regulations require educational institutions to have a written policy for the refund and repayment of federal aid received by students who withdraw during a term for which payment has been received. These policies are effective only if the student "completely terminates enrollment" or stops attending all classes.

Repayment of Unearned Title IV Student Financial Aid Policy

The amount of Title IV aid that a student must repay is determined via the Federal Formula for Return of Title IV funds as specified in Section 484B of the Higher Education Act.

This law specifies the pro-rated amount and the order of return of the Title IV funds to the programs from which they are awarded. Unearned funds are first returned to the Federal Direct Loan Program, Perkins Loan, Pell and SEOG programs.

The amount of Title IV aid earned is determined by multiplying the total Title IV aid (other than FWS) for which the student qualified by the percentage of time during the term that the student was enrolled, up to 60% of the enrollment period. If less aid was disbursed than was earned, the student may receive a late disbursement for the difference. If more aid was disbursed than was earned, the amount of Title IV aid that must be returned is determined by subtracting the earned amount from the amount that was disbursed.

The responsibility for returning unearned aid is allocated between the school and the student. The post withdrawal calculation is performed to determine the portion of disbursed aid that could have been used to cover school charges and the portion that could have been disbursed directly to the student once school charges were covered. Webber International University will distribute unearned aid back to the Title IV programs as specified by law.

Funds will be returned within 30 days of the date the institution becomes aware of a student's withdrawal. If the student received Title IV aid in excess of the amount earned, the student may owe a refund to the appropriate agency. A balance due may also be created with the Webber International University Business Office as a result of a student's withdrawal.
Webber International University Withdrawal, Cancellation and Refund Policy

The size of the faculty and staff and other commitments of the University are based upon the enrollment at the beginning of the term. The fees collected are used to meet these commitments. After appropriate allocations are made to affected programs, a financial obligation from the student to Webber International University may result, which is payable at the time of the student's withdrawal. Students who withdraw or cancel their registration must notify the Student Life Office or the Registrar's Office.

For the Fall and Spring semesters, the refund policy provides for a full refund of tuition, room and board, less a 5% administrative fee when a student officially cancels their registration or withdraws from the University within the first calendar week (start of classes) of school opening. The following week a withdrawing student shall receive a 75% refund of tuition, fees, room and board. During the third week of school opening a 50% refund will be calculated.

The fourth and final week of the refundable period, a student will receive a 25% refund of tuition, fees, room and board. Should a student withdraw or be dismissed from the University beyond this four (4) week period, no refunds will be made. Any refunds due will be made within 30 days of the date the University becomes aware of the student's withdrawal.

For the six (6) week summer sessions, a 50% refund will be calculated during the drop/add-fee period. A student will receive a 25% refund thereafter up to the 7th day of classes. The Financial Aid Office will calculate the refund/repayment and the student's account will be adjusted in the Business Office. Refunds shall be made within 30 days of the date that the university determines that the student has withdrawn.

Treatment of Financial Aid When a Student Withdraws:

All federal aid including Federal Direct Student Loans will be returned according to the Return to Title IV Federal Aid Funds Policy set by the Department of Education, stated above.

Institutional Aid is deleted within the first 4 weeks of the regular semester during the Webber refund period. After the refund period, institutional aid may remain on the student account, unless unfulfilled commitments exist as deemed by the administration. State Aid will be retained by Webber after the first calendar week of classes (drop/add week).
Financial Aid

FINANCIAL AID

Webber International University makes every effort to keep costs at a minimum while maintaining a high level of instruction and adequate facilities. The Webber International University Office of Financial Aid administers financial assistance funds that have been entrusted to the University by generous individuals and organizations as well as funds made available by the state and federal governments for the purpose of assisting students.

Upon receipt of a financial aid application and review of eligibility has been made, the student will receive a Financial Aid Award Letter from the Office of Financial Aid. The financial aid application (FAFSA) should be filed between October 1st of the previous year and May 1st of the current year for the upcoming academic year. Awards will be made as long as funds are available.

Financial Aid Application Procedures

1. Complete application for admission to Webber International University. Financial Aid awards are made only after a student has been admitted.

2. File a "Free Application for Federal Student Aid" (FAFSA) to determine eligibility for need based aid. Webber's Title IV code is 001540. The application can be completed on-line at www.fafsa.gov. All students should apply by April 1st for priority funding. Application opens on October 1st of the preceding academic year (i.e., FAFSA filing begins October 2018 using 2017 income tax information for Spring and Fall 2018 semesters.

3. If an email address has been provided, Webber Financial Aid staff will communicate using email, phone calls and U.S. mail will also be utilized for communication as needed.

Types of Financial Aid

I. Webber International University Scholarship Program
   New student applications for Webber scholarships have an application deadline of July 1 for the fall semester of the upcoming year and December 1 for new students of the spring semester unless otherwise stated.
### Academic and Athletic Awards

Awarded based on previous academic qualifications that are submitted by the student during the Admissions process. Once enrolled, student academic awards will not change as long as the student remains in satisfactory academic progress at Webber.

### Additional Webber Scholarships

**Talent & Leadership**

$1,000 – May be added to the academic awards above. Qualify through previous participation in high school or college, includes Student Government, Publications, and PBL, the college level organization of FBLA. Applications are online at [www.webber.edu/types-of-aid](http://www.webber.edu/types-of-aid).

After you have completed the application, please submit to the Webber Admissions Office for consideration.

- **Phi Beta Lambda (PBL)** - Scholarships available to students with some previous demonstrated leadership role in FBLA required. Letter of recommendation required from faculty sponsor. Must participate in PBL. Renewable with participation.

- **Student Publication Scholarship** - Scholarships available to students with some demonstrated skills in production, editing, writing, or design of student publications. Application, portfolio samples, and letter of recommendation from faculty advisor required. Renewable with participation.

- **Student Leadership Award** - Scholarships available to students who have actively participated in student government, peer counseling, prefects, civic organizations, or club activities. Application and letter of recommendation required from sponsor. Renewable with participation.

- **Warrior Student Leadership** - Available to students who apply and are accepted as a student representative with the Admissions Office.
Alumni Scholarship
Ten percent tuition reduction is given to children and grandchildren of Webber International University alumni.

Ellison Work Study Program
Established by a gift from Eben H. Ellison and his family of Newton, Massachusetts, work study ranging from $700 to $1,500 are for on-campus work during the academic year.

Kelly A. Wilson Memorial Scholarship
Two scholarships available per year given to students who demonstrate need and perseverance as well as have a cumulative GPA of at least 2.50. Awarded by the Director of Financial Aid. Essay required.

International Student Incentive
International students who refer other international students to Webber International University will receive a $250 scholarship award. The student must subsequently attend. The referring student's name must appear on the original admission application.

Florida Independent College Fund Scholarship Program
One year scholarship that is available to a returning student by generous continued sponsorship from the United Parcel Service.

II. FEDERAL AND STATE PROGRAMS
Webber International University students who are U.S. citizens or eligible non-citizens may be eligible for financial aid programs sponsored by governmental agencies.

Federal Pell Grant
This federal program offers a grant that requires no repayment; however, it is based on substantial financial need. The FAFSA application must be filed. File online at www.fafsa.ed.gov. The Webber school code is 001540.

Federal Supplemental Educational Opportunity Grant (FSEOG)
The FSEOG is a federal grant program awarded to Pell recipients with exceptional need. Awards are given each year until funds are exhausted.

Federal Direct Subsidized Student Loan
In order to be eligible, students must submit the FAFSA application, complete a master promissory note, loan request and entrance counseling. Repayment of interest begins six months after student is no longer enrolled at least half-time. Freshman--$3,500/yr., Sophomore--$4,500/yr., Juniors and Seniors--$5,500/yr. Application available at www.Webber.edu/cfl-form.
**Federal Direct Unsubsidized Student Loan**
This loan is not based on financial need. It combines with Subsidized Direct Student Loan for those who do not qualify for the maximum loan amount in that program. Independent students may receive additional loan funds through this program. Students are responsible for the interest while in school and in deferment periods.
Freshman and Sophomore - $4,000/yr. Junior and Senior - $5,000/yr. Application is available at [www.Webber.edu/cfl-form](http://www.Webber.edu/cfl-form) (dependent students may request up to $2,000 supplemental unsubsidized direct student loan.)

**Federal Perkins Loan Program**
The Federal Perkins loan program is administered by the Director of Financial Aid utilizing federal loan funds for students with extreme demonstrated need. Repayment plus interest begins 6 months after the student ceases to be at least a half-time student. Loan funding is limited, student is determined for eligibility after all other student loans. The DOE has designated this program to end in 2017.

**Federal Direct Parent Loan for Undergraduate Students (FPLUS)**
This is a loan for parents of dependent students and is not based on financial need. A credit check is performed upon application by the Department of Education to qualify. Repayment begins after the 2 disbursements. If a parent does not qualify for the PLUS Loan, a dependent student will be eligible to apply for additional Unsubsidized Direct Student Loan proceeds as outlined above. Parents are eligible for deferment while their student is enrolled at least half-time as well as a 6 month grace period upon request to the lender during the application process.

**Federal College Work Study (FCWS)**
The Federal College Work Study program provides aid to students with financial need. Federal funds are allocated for on-campus or community service jobs at minimum wage. The student must request FCWS through the Financial Aid Office; complete an application and seek available positions on campus. Positions on campus range from 6-10 hours per week.

### III. FLORIDA SCHOLARSHIP PROGRAMS

**Florida Student Assistance Grant (FSAG)**
This state grant program is available exclusively to Florida residents of at least 12 months, who attend Florida Colleges or Universities. The FSAG is based on financial need as determined by the FAFSA application, it should be filed by early spring. It is awarded to qualified students until funds are exhausted. Students must be full time and meet state satisfactory academic progress standards for renewal.

**Florida Resident Access Grant (FRAG)**
This state grant program is available to full-time undergraduate students attending private colleges and Universities in Florida, who have resided in Florida at least 12 months for purposes other than education. The FRAG is renewable each year based on state satisfactory academic progress standards.
Financial Aid

**Bright Future Scholarship Program**
Florida students should check with high school guidance counselors for scholarship opportunities before graduation. Webber International University offers an acceptable program of study for the use of the Gold Seal Scholarship, Medallion Scholarship and the Academic Scholarship, as well as other State of Florida Scholarship Programs. Students must apply on the Florida Office of Student Financial Assistance website at www.floridastudentfinancialaid.org/ssfad/home/uamain.asp. The toll free number is 1-888-827-2004. The Bright Future Scholarship is funded for each credit hour a student is enrolled up to 120 credit hours for the Academic & Medallion program and up to 72 hours for the Vocational Gold Seal program. Students who withdraw from a course are required by the state to refund the scholarship hours withdrawn each semester. For renewal, students must complete all hours which have been funded by the state.

**Florida Work Experience Program**
Need based work program for Florida residents. Applications are available in the financial aid office for students seeking jobs on campus at minimum wage for 6-10 hours a week.

**Veterans Administration Benefits**
Webber International University is approved by the State of Florida Department of Veterans Affairs for the training of Veterans Servicemen/women on active duty, and dependents of Veterans eligible for training under the G.I. Bill. Webber is a military friendly institution and participates in the Chapter 33 Yellow Ribbon Program. Webber makes every effort to work personally with military personnel and family members to certify for benefits once the veteran is approved to receive benefits. Veterans must provide a "Certificate of Eligibility" to the Webber certifying official. Veterans may apply for benefits using the Veteran’s online application-VONAPP on the VA website www.ebenefits.va.gov/ebenefits/VONAPP.

Students who may be eligible for V.A. benefits are urged to contact the Financial Aid Office at Webber or the U.S. Department of Veterans Affairs in St. Petersburg at 800-282-8821. Certification of training will be made after registration is completed each semester. The student must submit the “Certificate of Eligibility” to the Webber certifying official in the Registrar’s office. It is the veterans' responsibility to report any change in status that may affect his benefits (e.g., course load, course failure). A student on probation who fails to meet the required GPA to remove the probation in the following semester will be terminated from Veterans Benefits.

**Service Member and Veteran Priority Registration**
In support of the men and women of the Armed Forces and of the veterans who have served our country, Webber International University supports the Harry W. Colmery Veteran’s Educational Assistance Act of 2017, also known as the “Forever GI Bill”. Webber International University offers priority registration to our veteran and service member students.

Students who are a veteran or who are currently serving in any of the armed services branches are encouraged to take advantage of our priority advising and registration. The priority registration period is during the senior registration week each semester. Seniors are the first to register each semester. Service members and veterans of all class levels are encouraged to see his or her advisor and register during the senior registration week.
Financial Aid

Satisfactory Academic Progress Policy for Receipt of Financial Aid

Federal Regulations require students who receive Federal Financial Aid which includes Federal Pell Grant, Federal SEOG, Federal Direct Student and PLUS Loans and Perkins Loans, to make Satisfactory Academic Progress (SAP) towards the student's degree in their declared program. The standards are cumulative and have two components, qualitative and quantitative. Webber uses grades earned and quality points as the measurable standard for academic work.

Financial Aid Qualitative Standard

Webber uses a graduated standard for undergraduate students to remain in academic good standing.

- >=1.59 for students having attempted up to 12 credit hours
- >=1.85 for those students having attempted 13-24 credit hours
- >=1.93 for those students having attempted 25-36 credit hours
- >=1.97 for those students having attempted 37-48 credit hours
- >=2.00 for those students having attempted 49-60 credit hours

In the 60th attempted credit hour a student must have a cumulative GPA consistent with the minimum graduation requirement of 2.00 cumulative GPA.

Financial Aid Quantitative Standard

Undergrads may receive federal aid for a maximum of 150% of the 4 year bachelor degree program requirements or 180 attempted hours. The 4 year degree program is 120 credit hours, which is equivalent to 120 x 150% = 180 attempted hours. For a full time student it is equivalent to 6 years of enrollment. It is cumulative and includes periods without Title IV aid assistance. The years of enrollment are adjusted proportionately for periods of attendance at less than full time.

For the MBA program, 150% of the degree program is 54 attempted hours for Title IV eligibility to meet the SAP Policy. A full time MBA student who enrolls consistently in 6 hours for each term, the maximum time frame is equal to 27 months or 9 terms. This federal aid policy does not override the Academic Progress Standards required by the Webber Graduate Council. The Webber policy is more restrictive on SAP.

Webber monitors progress at the end of each undergraduate semester/term or graduate term. At this point, both the cumulative quantitative and qualitative components of SAP will be evaluated. Students must earn at least 67% of all attempted cumulative credit hours. The qualitative cumulative GPA, as stated above, must also be consistent with the academic standards chart.

A student is eligible for subsequent disbursements of Federal Financial Aid in the next semester if the student is in SAP compliance. Summer Sessions are factored into both the qualitative and quantitative SAP.

Repeating Courses

The original grade and the repeated grade will count towards progress until the student applies for "Forgiveness". According to the Academic Forgiveness Policy, a student may apply for up to two grade forgiveness's within the declared degree. Once the student receives grade forgiveness, the original grade will not count towards the GPA or SAP standards. Federal aid allows for one repeat attempt for a previously passed course to be included in enrollment status. A student may repeat a failed course until it is passed for receipt of aid, as long as SAP components are otherwise met.
Transfer Students

No quality points are calculated in transfer hours. The GPA from previous schools is not factored into qualitative progress. The transferred hours however, are used in the quantitative SAP.

Incompletes and Withdrawals

Incompletes and withdrawals are factored into the quantitative progress for SAP.

Satisfactory Academic Progress (SAP) Warning

Students not making quantitative and/or qualitative progress upon review will be placed on SAP WARNING for ONE semester/term with NO effect on federal financial aid. A Webber SAP Warning letter will be sent to the student’s Webber email account. If the student fails to progress back to good standing after the SAP WARNING term, the student will be placed on PROBATION and is not eligible for Federal Financial Aid. To be reconsidered for aid, see SAP Probation.

SAP Probation - the consequence for failure to make SAP

A student who fails in meeting SAP standards at the end of a term on Warning will be placed on "SAP PROBATION". The student is at that point in time NO LONGER ELIGIBLE for Federal Financial Aid. The student will be informed by email to his/her official Webber email account. The student has the option to file an appeal, he/she must write a "Request to Appeal" to the attention of: Director of Financial Aid, Financial Aid Office. PO Box 96, Babson Park, FL 33827.

Student Appeals must include; why the student failed to make SAP, What has changed that will allow the student to make progress towards SAP at the next evaluation and include any documentation that supports the reason, if applicable.

If the appeal is approved, the Registrar will initiate an Academic Plan and will meet with the student to discuss the plan that has been designed for the student's specific situation and needs, further development may be warranted. The student will sign the Academic Plan acknowledging his/her commitment. If an appeal request is denied, the decision will be final; the student enters Financial Aid Probation and is ineligible for Federal Financial Aid.

The student placed on SAP Probation will have ONE semester/term to improve his/her academic performance in order to progress toward SAP standards. The student must follow the "academic plan" designed to ensure that he/she will be able to meet SAP Policy by the specified date indicated in the Academic Plan. The student may receive TITLE IV Financial Aid for this one term while on Financial Aid Probation.

If the student meets the stipulations stated in the designed Academic Plan, the student will be eligible for TITLE IV AID in the subsequent term. The student, if necessary will remain on the academic plan until he/she is back in good standing as long as the student is making progress as prescribed in the student’s Academic Plan. The student does not need to appeal each term if he/she continues to make progress towards meeting SAP standards. Students on SAP PROBATION and have met the stipulation in the Academic Plan will be reevaluated at the end of the term. If the student has not made progress in accordance with the Academic Plan upon completion of his/her probation term, the student may lose federal financial aid effective immediately.
A student cannot appeal immediately after a failed probation term, unless documentable unforeseen circumstances such as a death in the immediate family, or a serious family health issue exist. If an appeal is unsuccessful, the student will not be eligible for Federal Financial Aid until the student meets quantitative and qualitative SAP standards.

**GENERAL**

**Webber Transient Students**

Webber students may take courses at a pre-approved College or University over the summer. A student must consult with his/her academic planner and complete a Transient Student Form before leaving campus in the spring. The form must also have the Webber Registrar's signature. All course selections must have this prior approval to be considered for transfer to Webber. The summer host institution will require the form upon registration. Pre-approved-transfer course grades of "C" or better are eligible for transfer to Webber. The student must request an official transcript be sent to the Webber Registrar's office upon completion of the course to complete the transfer process. **Thirty (30) of a student's final thirty-three (33) hours must be completed at Webber.**

**Webber International University/Florida State & Community College System**

Webber International University participates in the statewide Articulation agreement with the Florida State and Community College System governing the matriculation at Webber International University of Associate of Arts and Associate of Science graduates from SFSC.

Webber shall accept up to 69 credits to be transferred and applied towards the awarding of a Baccalaureate degree. However, the student must meet the specific degree course requirements of Webber, which may mean extending the number of credit hours to earn the degree, if the 69 hours transferred and applied do not include all of the degree prerequisites.

Only courses taken at Webber will be used in compiling a student's cumulative grade point average, and Webber may specify the grade point average required for admission to major fields of study and for graduation. Programmatically, the forgiveness policy for Webber shall prevail, except that the GPA calculated by State or Community College for the awarding of an Associate's Degree shall be the GPA used to determine admission into the program. The grade of "D" will neither transfer nor count toward the Baccalaureate Degree unless it was earned within a completed Associate's Degree.

**Webber International University / International Articulation Agreements**

Webber International University has entered into articulation agreements with several international colleges and universities to facilitate the transfer of students to Webber International Universities Bachelor of Science and MBA programs. Webber International University students also have the opportunity to participate in study abroad programs at several of these institutions. Students may obtain more information about study abroad from the Chief Academic Officer.

Webber students on articulated exchange status who are not able to participate in their sport or leadership activities for the period of time away from the Webber campus will not be qualified for any Webber scholarship that requires participation during their absence.

INSTRUCTION METHODS & STRATEGIES

The Webber International University Graduate School of Business offers an MBA program which focuses on the interdisciplinary nature of business practices. The program capitalizes on the faculty's ability to focus on proven traditional methods of teaching which integrate the various facets of effective business administration, while utilizing information technology to enhance problem-solving skills. The new technologies include electronic sharing of pertinent information (interconnectivity), access to a vast amount of information through the information superhighway, and expertise with business application programs.

With classes being taught primarily by full-time Webber International University faculty, classes meet one night a week over the course of a ten-week term. The program is made available through a four-term format offered annually (Fall, Winter, Spring and Summer). Classes meet from 6:00 to 10:00 p.m., at the Webber International University Campus in Babson Park, Florida.

The traditional methods of instruction include course structures that develop analytic skills which stress an interdisciplinary emphasis, participation-based learning through group case studies and exposure to conceptual foundations leading to sound strategies. Online teaching method has also been adopted to allow students far away to be enrolled in the program.

Through the Practicum course(s), students undertake group-based consulting projects under the guidance of faculty members. These projects provide ample opportunity for students to test theoretical concepts in applied settings. While focusing on the team approach toward solving problems and executing plans, students arrive at optimal solutions to operational and strategic management problems.

The Graduate School seeks to maintain small class sizes of less than 30 students. At this size, there is ample opportunity for the exchange of ideas between students and the faculty.

Students may choose the Standard MBA or one of the options below:

MBA Accounting Option

The Webber International University Graduate School of Business is pleased to offer a concentration in the area of Accounting. The objective of this concentration is to provide accounting students with a broader and more in-depth degree program than the baccalaureate. Combined with the undergraduate degree, students completing this MBA may meet the requirements to sit for the CPA exam.
MBA Criminal Justice Management Option
The Webber International University degree of Masters in Business Administration (MBA) blends a Criminal Justice Management component and produces an exclusive program which provides distinct benefits to graduate students, current law enforcement personnel working in their respective agencies, and law enforcement personnel retiring and about to enter the civilian workforce.

MBA International Business Option
The Webber International University concentration in International Business seeks to prepare the graduate with skills important to a career in various international business settings. The student development focus is on theoretical and applied concepts applicable to businesses operating in multinational arenas. This option includes a one week to ten days International Fieldtrip abroad. Students should budget accordingly. This option is only available online.

MBA Sport Business Management Option
The Webber International University MBA concentration in Sport Business Management prepares graduates for leadership positions in the sport industry. The program incorporates classroom theory with practical strategies from today's professionals in all courses. Students from diverse undergraduate degrees are encouraged to pursue the Sport Business Management MBA, since the industry demand for dynamic leaders is high.

ADMISSION STANDARDS
Admission to the MBA program will be based on both quantitative and qualitative criteria. Applicants should be prepared to submit all of the following documentation for consideration by the Graduate Council for acceptance to the MBA programs:

♦ Application for admission
♦ A non-refundable application fee of $50.00
♦ Bachelor's Degree from a regionally accredited college or University (or equivalent preparation from international institutions)
♦ Official transcripts from ALL previous undergraduate and graduate work
♦ The Graduate Management Admission Test (GMAT) (as needed)
♦ Three (3) letters of recommendation from academic or professional
♦ A one-page essay (from the list in the application) stressing professional and personal expectations and goals
♦ Résumé

International Applicants
♦ Applicants should be prepared to submit all of the following documentation for consideration by the Graduate Council for acceptance to the MBA programs:
♦ Application for admission
♦ A non-refundable application fee of $75.00
♦ Bachelor's Degree from a regionally accredited college or University (or equivalent preparation from international institutions)
Official transcripts from ALL previous undergraduate and graduate work

The Graduate Management Admission Test (GMAT) (as needed)

Official Test of English as a Foreign Language (TOEFL) scores or an approved substitute for students with undergraduate degrees from Universities whose primary language of instruction is not English

Three (3) letters of recommendation from academic or professional advisors

A one-page essay (from the list in the application) stressing professional and personal expectations and goals

Résumé

MBA Preparation

Students with non-business undergraduate majors might need to take a few additional courses at Webber or other regionally accredited institutions to enhance their fundamental understanding of business functions before entering the MBA program. The suggested pre-MBA foundation courses are:

- A course in Economics
- Two courses in Accounting
- A course in Algebra or Calculus
- A course in Business Statistics
- A course in Computer Applications
- A course in Finance
- A course in Social Sciences

The Graduate School reserves the right to evaluate the applicant's potential by conducting a personal interview in addition to all other requirements for admission, if deemed necessary.

Admission Standards

Each applicant will be considered for admission to the MBA program based on a combination of qualitative and quantitative information. Letters of recommendation, written essay, résumé and personal interviews will comprise the qualitative criteria used in considering each candidate's application. With respect to quantitative measures, applications to the MBA program are evaluated based on standardized test scores (as applicable), and undergraduate grade point averages of the last 60 college credits attempted.
The applicant's quantitative and qualitative measures are combined into a formula score which serves to categorize the status of each "accepted" applicant as follows:

I. **Honors Acceptance**
   A. Need a minimum of 3.5 undergraduate GPA

II. **Regular Acceptance**
    A. GMAT + Quality Points $\geq 550$
    or
    B. $(\text{GPA} \times 200) + \text{Quality Points} \geq 650$
    or
    C. GMAT + $(\text{GPA} \times 200) + \text{Quality Points} \geq 1,100$
    or
    D. GMAT+ Personal Interview $\geq 500$

III. **Provisional Acceptance**
    GMAT + $(\text{GPA} \times 200) + \text{Quality Points} = 1,000 - 1,099$

A student that is "provisionally" accepted into the Graduate School is implicitly already on "probation." Upon entering the program, the student is required to immediately maintain at least a 3.0 cumulative GPA for the first two terms (if taking classes as a full-time student) or 9 credit hours (if taking classes as a part-time basis; whichever comes first). If the student's cumulative GPA during this immediate probationary period drops below a 3.0, the student is subject to dismissal from the MBA Program at the discretion of the Graduate Council. Once the student has met the two terms / 9 credit hour initial requirements, the student is no longer considered to be subject to the constraints of the "provisional" status. After that point, the "provisionally accepted" student is granted the same opportunity to cure deficiencies as the graduate student under the terms of academic probation.

Acceptance to Webber International University is based upon approval by the Graduate Admissions Committee. *Quality Points are based on experience, résumé, essay and references*.  

**Transfer Policy**

Students who are accepted into the Graduate School may transfer in no more than 6 credit hours from an MBA program from a regionally accredited college or University. The student must have earned a grade of at least "B-" for each of the classes which are requested to be accepted for transfer credit. However, these credits may not take the place of Practicum or capstone (strategy) courses: Additionally, any MBA course taken away from Webber will not be considered for credit toward the MBA degree if the course was taken more than 7 years from the student's projected graduation date.

**Webber Transient Students**

Webber students who attempt to take a course for credit transfer from a regionally accredited and approved graduate school must complete a Transient Student form. In addition, the course has to be approved in advance by the Dean of the Graduate School.

**Residency Policy**

The last 30 hours of the MBA program must be earned at Webber.
STUDENT ACADEMIC STATUS - Each student is evaluated on the following grading system:

<table>
<thead>
<tr>
<th>Letter</th>
<th>Points</th>
<th>Quality of Performance</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4 points</td>
<td>Superior performance</td>
</tr>
<tr>
<td>B</td>
<td>3 points</td>
<td>Average performance</td>
</tr>
<tr>
<td>C</td>
<td>2 points</td>
<td>Below average performance</td>
</tr>
<tr>
<td>F</td>
<td>0 points</td>
<td>Failure</td>
</tr>
<tr>
<td>I</td>
<td>no points</td>
<td>Incomplete</td>
</tr>
</tbody>
</table>

“T” Incomplete is indicated on the final grade sheet if all class work has been completed except for a major paper or the final exam has not yet been taken. An Incomplete must be removed by the end of the next term or it will be computed as an "F."

“IP” An IP is indicated on the final grade sheet for a course that is still in progress (i.e. Practicum). Students in the practicum I-II sequence who do not achieve a minimum of B in the first practicum receive an IP and must re-register when the course is re-offered.

“NC” A grade given for the non-credit course, which indicates that, a credit attempt was not acceptable. An NC grade earns no grade points and is not computed in the grade point average.

“R” A grade given which indicates that a credit attempt was not acceptable. A "Retake" grade earns no grade points and is not computed in the grade point average.

“W” Withdrawal is indicated on the final grade sheet if the student withdrew himself/herself from the class during the designated withdrawal period, completed the required paperwork, and paid the required fee. The grade is not computed in the grade point average.

“P” A grade given for transferred credit. No grade points are assigned but hours toward the degree are earned.

“WP/WF” Withdrawal Passing and Withdrawal Failing may be indicated on the final grade sheet if the designated Withdrawal period is over and ONLY at the discretion of the instructor. No more than one (1) Withdrawal Failing grade is allowed during the MBA program. A WP/WF grade is not computed in the grade point average.

**Full-time Status / Part-time Status**

A student in the Graduate School of Business who is taking two (2) courses (6 credit hours) per term is regarded as a full-time student. A student taking one course per term (3 credit hours) is regarded as a part-time student.

**GRADE FORGIVENESS POLICY: GRADUATE SCHOOL**

It is the policy of the Graduate School that any student may retake a maximum of one course with a grade of “C” or “F” in order to establish effective proficiency in that area. After completion, the student may then request grade forgiveness with the Academic Adviser or the Registrar’s Office. The previous course listing will remain on the transcript, but the grade will then change to "R"; thus, it will not be computed in the final grade point average. The new grade obtained from repeating the course will be on the transcript and will be used for computing the final GPA if it is higher or the same as the forgiven grade. If the new grade is lower than the first grade, both grades will remain on the transcript and both will be computed into the GPA but only one of the two will be counted toward graduation.

**Probation**

Students who maintain a minimum of 3.0 cumulative GPA in graduate course work will be classified in "good standing". If a student falls below a 3.0 cumulative G.P.A or has a course with a grade of "F," he/she will be placed on academic probation. By being classified as on "academic probation", the student is granted the opportunity to raise the cumulative GPA to at least the 3.0 level without an "F" grade, within two terms, 9 credits or the end of the degree requirements, whichever comes first. If the student fails to reach a cumulative GPA of 3.0, he/she will be dismissed from the program at the discretion of the Graduate Council. No more than two courses with a grade of "C" are accepted toward graduation.

**Dismissal**

Any student receiving an “F” in a course, in the program, is subject to dismissal by the Graduate Council. Any student whose academic or personal behavior is detrimental to the Webber International University MBA program is subject to dismissal by the Graduate Council.

**Reinstatement**

Students who have been dismissed from the MBA program will not be allowed to apply for readmission/reinstatement for a period of two years from the date of their dismissal. Such applicants must demonstrate that they have remained current in their field in order to be reinstated.

Previous MBA students who voluntarily left the program in good standing within the past two years may use the following streamlined process for readmission—they must submit an updated application, résumé, transcripts from any university the student may have attended that are not already on file with Webber, and a new Enrollment Agreement. Students who have been absent from the program for more than two years must submit a completely new enrollment package.
All students re-entering the program after an absence are subject to any changes made to the program during their absence and must follow the catalog in effect at the time of re-entry.

**Completion Requirements**

Each student must earn a minimum of 36 graduate semester credits (12 classes) of which the last 30 must be earned at Webber International University with a minimum of 3.00 cumulative GPA. The degree must be completed within seven years of the date from which the first MBA class is completed at Webber.

**ACADEMIC REVIEW/GRADE CHALLENGE**

**Academic Review/Grade Challenge**

A student may request a review of a final grade within thirty (30) days of assignment of grade. Such a request must be submitted in writing to the Chief Academic Officer and shall state the reason(s) why he/she thinks the grade to be unjust. If the Chief Academic Officer determines that the student has reasonable grounds for requesting a review, he will appoint a committee of faculty members to conduct a review. The Chief Academic Officer will notify the student, in writing, of the final decision.

An Academic Review Committee has the sole responsibility to determine the justness of the disputed grade. It may not properly make any recommendation beyond that point.

The student who requests an academic review of a final grade bears the burden of proof in establishing that the grade was undeserved. Failing to prove by preponderance of the evidence, the grade must stand as assigned by the faculty member. The presumption is always that the faculty member assigned the grade for good cause and without bias.

**POLICIES GOVERNING UNIVERSITY SERVICES**

**Education Records and Student's Right to Privacy**

Students are the "owners" of their education records, and the institution is the "custodian" of the records.

**An education record is defined** as any record that directly identifies a student and is maintained by the institution, education agency or by a party acting for the institution or education agency. A key distinction of education records is that education records are shared. Education records can exist in any medium including the following handwritten, typed, computer generated, videotape, audiotape, film, microfilm, e-mail, and others.

**The Family Educational Rights and Privacy Act (FERPA)** (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

Webber International University must have written permission from the eligible student in order to release any information from the student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
School officials with legitimate educational interest;
Other schools to which a student is transferring;
Specified officials for audit or evaluation purposes;
Appropriate parties in connection with financial aid to a student;
Organizations conducting certain studies for or on behalf of the school;
Accrediting organizations;
To comply with a judicial order or lawfully issued subpoena;
Appropriate officials in cases of health and safety emergencies; and
State and local authorities, within a juvenile justice system, pursuant to specific State law.

Webber may disclose, without consent, "directory" information. The Student handbook annually notifies current students of their FERPA rights.

**Directory Information:**

**Releasable items** that are not generally considered sensitive or confidential that may be disclosed to appropriate outside organizations may include:

- Student Name, Address, E-mail address, Phone number, Height, Weight
- Date and Place of birth *(used with caution)*
- Major and minor field of study, Dates of attendance, Class level
- Enrollment status
- Names of previous institutions attended
- Participation in officially recognized Activities and Sports, Photos of Athletic Team Members
- Honors/awards received
- Degree earned and date earned degrees
- Photographic, video or electronic images of students taken and maintained by the Institution

A student may request in writing that Directory Information not be released by contacting the Registrar. Contact registrar@Webber.edu for information or questions. A paper copy of the FERPA policy is available on request.

**STUDENT FINANCES**

I. **Financial Policies**

Webber International University is a privately endowed non-profit institution. All educational and operational income is derived from endowment funds, tuition fees, gifts, foundations, business and philanthropic contributions. The student actually pays only a portion of his/her educational expenses.
A.  Paying Tuition and Fees

Tuition and fees are payable in full to the Business Office before the beginning of each semester. Payments of tuition and fees may be made by cash, check (personal or business), money order or credit card including Master Card, Visa, American Express and Discover. Payment may be made by mail or in person in the Business Office between the hours of 8:00 a.m. and 4:30 p.m. Monday through Friday. Credit card payments are accepted by phone at 863-638-2944 and online at www.webber.edu.

Fees charged by the University may be adjusted at any time by the Board of Trustees. When practical, advance notice of any change will be given through Webber International University email.

At the time of application for admission, the student (resident or non-resident student) submits an application fee of $50 ($75 for international). This fee is a non-refundable service charge to cover a portion of the cost of processing the application. An advance deposit of $200, which is applicable to tuition, is required.

One hundred percent (100%) of the deposit is refundable if written notification of cancellation is received by Webber International University at least thirty days before first day of classes. The housing deposit is non-refundable after 30 days prior to the first day of classes.

All resident (dormitory) students are required to maintain a $220 security deposit in the Business Office, prior to their first day of classes, to cover costs of property damage to their assigned rooms. The security/housing deposit refund must be requested in writing by the student within 90 days of the last full term of attendance of the student. After 90 days, if the refund request is not received in writing, the security/housing deposit becomes the property of Webber International University and is non-refundable. There are no exceptions to this policy.

Periodically, campus property will be inspected and damage charges may be assessed. Any student involved will be billed directly for his proportionate share of the damages.

Lab fees are required where applicable and are non-refundable.

B. General Regulations

Students are hereby officially notified that the registration and enrollment process is not complete until all tuition, fees and other charges are paid in full. If payment is not made in full, other alternative arrangements must have been made which are accepted and acknowledged by the University. Students personally guarantee and are responsible for all obligations to the University for tuition, fees and other charges. Any student who has an outstanding balance due to the University is officially given notice that the University will withhold granting degrees and issuing grades, and discontinues the release of official transcripts and academic records until all balances are paid in full.
Regardless of the method of payment selected by the students, other conditions and requirements which apply to all University bills are as follows:

1. All bills are due and payable at the beginning of each term.

2. If any payments are due to Webber International University, the student will receive no grades; be given no transcripts, degrees, or letters of recommendation; nor will the student be permitted to register for the following term until all financial obligations have been settled in the Business Office.

3. Webber International University assumes no responsibility for personal property of the student.

II. Student Fees per Term

Tuition and fees for each class in the MBA program for the 2018 academic year is $671 per credit hour, with each course worth three credit hours. The 36-hour MBA program is scheduled so that a student who is continuously enrolled can complete the 12 required courses to meet the degree requirement in only 19 months.

Tuition: $671.00/credit hour or $2,013.00 per 3 hr. course

Room:
- Grace & Camilla---Multiple: $2,174.00 per term
- Grace---Single: $2,773.00 per term
- New Dorms---Shared Bath: $3,081.00 per term
- New Dorms---Private Bath: $3,397.00 per term

MBA Meal Plan: $1,184.00 per term

Health Insurance: $647.00 per term (subject to change)

Once the student is accepted into the program, an immediate non-refundable deposit (to be applied toward tuition) of $200 will be required of the student to secure a place in the class as indicated in section IA.

III. Graduation Fee
A graduation fee of $310 will be due at the beginning of the student's final term.

IV. Incomplete Fee
A fee of $25 is required when a student applies for a grade of "Incomplete."

V. Technology Fee
All courses offered via internet are subject to a supplemental $69 per credit hour technology fee.
Students Who Receive Federal Title IV Aid

Federal Funds are awarded to a student under the assumption that the student will attend the institution for the entire period for which the assistance is awarded. When a student ceases academic attendance prior to the end of that period, the student may no longer be eligible for the full amount of Title IV, HEA program funds that the student was schedule to receive.

Federal regulations require educational institutions to have a written policy for the refund and repayment of federal aid received by students who withdraw during a term for which payment has been received. These policies are effective only if the student "completely terminates enrollment" or stops attending all classes.

Repayment of Unearned Title IV Student Financial Aid Policy

The amount of Title IV aid that a student must repay is determined via the Federal Formula for Return of Title IV funds as specified in Section 484B of the Higher Education Act. This law specifies the pro-rated amount and the order of return of the Title IV funds to the programs from which they are awarded.

The amount of Title IV aid earned is determined by multiplying the total Title IV aid (other than FWS) for which the student qualified by the percentage of time during the term that the student was enrolled, up to 60% of the enrollment period. If less aid was disbursed than was earned, the student may receive a late disbursement for the difference. If more aid was disbursed than was earned, the amount of Title IV aid that must be returned is determined by subtracting the earned amount from the amount that was disbursed.

The responsibility for returning unearned aid is allocated between the school and the student. The post withdrawal calculation is performed to determine the portion of disbursed aid that could have been used to cover school charges and the portion that could have been disbursed directly to the student once school charges were covered. Webber International University will distribute unearned aid back to the Title IV programs as specified by law. Funds will be returned within 30 days of the date the institution becomes aware of a student's withdrawal. If the student received Title IV aid in excess of the amount earned, the student may owe a refund to the appropriate agency.

Webber International University Refund Policy

The size of the faculty and staff and other commitments of the University are based upon the enrollment at the beginning of the term. The fees collected are used to meet these commitments. After appropriate allocations are made to affected programs, a financial obligation from the student to Webber International University may result, which is payable at the time of the student's withdrawal. Students who withdraw must notify the Dean of the Graduate School or the Registrar's Office.

The refund policy for the MBA program provides for a 50% refund until the end of the drop/add-fee period. A student will receive a 25% refund thereafter through the end of the first 25% of class time. After 25% of the term has passed, no refunds will be made.
Financial Aid

Applicants may apply for financial aid by using the Free Application for Federal Student Aid (FAFSA). Federal Direct unsubsidized student loans are available to eligible students. Contact the Webber International University Financial Aid Office for additional information. (863-638-2929).

COURSE REQUIREMENTS FOR MBA PROGRAM

All courses are 3 credits and 36 hours are required for the degree

MBA

MBA610 Information Systems for Management Decisions
MBA618 Financial Reporting
MBA632 Global Economic Environment
MBA636 Quantitative Research Methods for Business

MBA COURSE DESCRIPTIONS

MBA610
INFORMATION SYSTEMS FOR MANAGEMENT DECISIONS  3 Credits
The student will develop or enhance their skills with various office technology software packages, which are fundamental to a computerized information system. Learn about the corporate information system and major issues that relate to the information system, such as decision making, security, privacy, ethics, technologies, project management, team skills, etc. Both individual and team projects are stressed. Prerequisite: An introductory computer course in which the student has developed basic file management, word processing, and spreadsheet skills in creating and formatting neat tables, graphs, and documents.

MBA618
FINANCIAL REPORTING  3 Credits
This course integrates accounting, economic theory and empirical research into a framework of financial analysis. It is designed to permit MBA students to understand the process which generates financial statements and to be able to locate and use both published and unpublished financial information. The tools of financial analysis are provided in the context of current financial reporting.

MBA621
ADVANCED ACCOUNTING ANALYSIS  3 Credits
This course integrates accounting analysis, financial analysis, and advanced accounting topics. Topics covered in the course include accounting for inter-corporate investments, mergers and acquisitions, preparation of consolidated financial statements, accounting for multinational transactions, including the effects of exchange rates, the use of derivatives to hedge such transactions, and consolidating foreign subsidiaries and partnership accounting. Pre-requisites: Intermediate Accounting II, Auditing I, Cost Accounting.

MBA623
TAXATION OF CORPORATIONS AND SHAREHOLDERS  3 Credits
Examines the tax consequences of both corporate and shareholder transactions. The areas included are incorporation, capital structure, operation, dividends, redemption, liquidation, reorganization and consolidated reporting. Coverage will be from both a planning and compliance standpoint.

MBA625
TAXATION OF PARTNERSHIPS AND PARTNERS  3 Credits
Designed to provide a comprehensive background in the area of partnership taxation. Coverage will be given to acquisition and basis of a partnership interest, taxation of partnership operations, and transfer of a partnership interest, distributions, and adjustment to basis of a partnership interest.

MBA626
ENTITY TAXATION & PLANNING  3 Credits
Examines the tax consequences of various business entities, including corporations, partnerships, and estates. Coverage will be from both a planning and compliance standpoint, incorporating financial reporting for tax purposes and examining the income taxation of such entities.

MBA627
ESTATE, GIFT AND TRUST TAXATION  3 Credits
The law with regard to estate, gift and trust taxation, estate planning and compliance reporting is the backbone for this course. Further in-depth coverage is provided into the estate and gift tax, generation skipping transfers, valuation, and the income taxation of trusts and estates.
MBA632
GLOBAL ECONOMIC ENVIRONMENT 3 Credits
Economics helps managers acquire a broader understanding of the factors that influence the demand for a firm’s product. Knowledge of economics also equips the manager to deal with events that are external to the firm such as waves of consumer and business confidence and changes in monetary, fiscal, and trade policies. Managers who understand how markets work at the firm, industry and global economy levels are well prepared to make decisions in a dynamic environment.

MBA636
QUANTITATIVE RESEARCH METHODS FOR BUSINESS 3 Credits
Strategic decisions in organizations must be based in part on information that is subject to cross-verification and validation. This course introduces students to the methods, strategies, and analysis options available to business researchers. Emphasis will be given to methodological foundations of correlational and experimental research designs including hypothesis testing, sampling methods, and statistical analyses.

MBA640
MARKETING PHILOSOPHY AND MANAGEMENT 3 Credits
Marketing has evolved in recent years from a mere function of the organization to a business philosophy permeating all levels of the organization. An important objective of organizations is to satisfy the needs of existing and potential customers by meeting or exceeding expectations. In order to accommodate consumer needs efficiently, an organization must recognize the potential consumer (segmentation and targeting), and tailor the design, price, promotion and placing of offerings to most optimum levels.

MBA647
INNOVATION, NEW PRODUCTS & SERVICES, & E-COMMERCE 3 Credits
The viability of a business entity is based in part on its ability to innovate by marketing new products and/or services to accommodate rapid changes in tastes, technology, and competition and E-Commerce distribution. The innovation concepts will include breaking free from tradition, while thinking outside the box, and the emerging technological trends necessary to be competitive in E-Commerce. Students will also be introduced to the new product processes of idea generation, consumer research and R&D interface, concept and product testing, product launch, and product life-cycle management.

MBA650
TOPICS IN THE LEGAL AND ETHICAL ENVIRONMENT OF BUSINESS 3 Credits
This course examines current topics related to business law and ethics, including international issues. Topics are covered through a discussion of cases, and business situations, including legal, ethical, social, and philosophical aspects. A "big picture" understanding of how legal and ethical issues affect managerial decision-making is stressed.

MBA/CJM652
CRIMINAL JUSTICE ADMINISTRATION 3 Credits
Upper level course. Address the structure and function of the judicial system and the major problems and needs of the judicial segment of the criminal justice system. The course will examine the history, traditions and philosophy of the American court system. Emphasis will be placed on the roles of the prosecutor, the judge, the defense attorney, the jurors, the defendants and the public. The course will focus on the general themes of law on the books, law in action and law in controversy. Major emphasis is placed on the basic concepts of criminal law and administration Course content will include an overview of the structure and operation of the court system with special emphasis on the Florida Court System. Pre-requisite: Introduction to Criminal Justice
MBA/CJM653
QUALITATIVE METHODS IN CRIMINAL JUSTICE
3 Credits
This course provides an introduction to qualitative research methods and how they are often applied in the study of crime and justice. Qualitative methods include a wide variety of challenging techniques such as participant observation, ethnography, interviewing, field interviews, historical analysis, case studies, and textual analysis. The course will explore these various techniques as well as the uses, strengths and limitations of qualitative research. In addition, the course content will include designing, conducting, and writing up qualitative research. Finally, the process of grounded theory construction is explored.

MBA/CJM655
ETHICS IN CRIMINAL JUSTICE
3 Credits
An intensive examination of different ethical and moral issues/dilemmas that we face within and outside of criminal justice systems when dealing with people who either work for or come contact with the system. Emphasis will be on exploration of ethical/moral issues related to crime, criminal justice practice, education, and research.

MBA/CJM656
ADVANCED VICTIMOLOGY
3 Credits
This course is designed to introduce students to the field of victimology and explores its conceptual boundaries, basic concepts and literature within various subareas. The course will explore policy developments and practical applications which stem from the concern over victims. The progression from a criminal to a victim justice system will be emphasized.

MBA/CJM657
PRACTICUM
3 Credits
Because criminal justice is an applied discipline, an important feature of the program is the three credits ten-week Practicum. This part of the program is designed to give personal and direct experience; it also offers the student opportunity to put his or her theoretical knowledge obtained via the course work from the MBA and CJM courses to work at a criminal justice agency. Students will work on a criminal justice management related problem identified by the administration of a criminal justice agency and provide them with a copy of the final project once completed at the end of the semester. Such placements include, inter alia, federal agencies, police departments, state or county probation/parole offices, state attorney general offices, district courts, juvenile court, district attorneys' offices, public defenders' offices, bail agencies, medical examiners' offices, private security firms, private investigation firms, insurance companies, crime victims' centers, prisons, and detention centers. While the Chair of the CJM program will maintain an Agency Database to assist students in locating an appropriate position, it is the student's responsibility to apply for and obtain employment with an approved criminal justice agency.

The CJM program has a detailed Practicum Policy which the student is expected to read and understand, and with which the student must comply. Because the Practicum is a requirement for all criminal justice management majors, students should familiarize themselves with the Practicum requirements before becoming criminal justice management majors.

MBA/CJM659
STRATEGIES IN CRIMINAL JUSTICE
3 Credits
Students will explore the development and design of strategic planning to provide the competence to develop a strategic plan for a criminal justice agency. Strategic planning will be contrasted to tactical planning and intuitive planning. The strategies for future thinking, visioning, organizational values, environmental concerns, stakeholders and forecasting will be studied. Study and research will focus on the philosophy, theory and application of strategic planning in criminal justice agencies.
MBA662
FINANCIAL DECISION MAKING  3 Credits
This course explores the advanced theoretical concepts and practical applications associated with corporate finance in general and specifically on capital budgeting and the long-term financing of investment alternatives. Under the assumption of an environment of capital rationing, a particular emphasis is placed on improving decision making through the integrated application of the many aspects of the capital budgeting process to include: forecasting relevant after-tax cash flows, applying a cost of capital to assess project viability and planning to maintain an ideal capital structure while seeking the maximization of shareholder wealth.

MBA670
INTEGRATIVE APPROACHES TO SPORTING EVENTS  3 Credits
This course is designed to provide students with an understanding of the essential promotion and marketing strategies vital in the competitive business of conducting and managing sporting events. Students will develop comprehensive marketing plans, fund-raising campaigns and generate corporate sponsorship proposals utilizing the latest trends and methods used in the business world today. Topics to be covered include: marketing theory and relationship to the sport industry, industry segmentation, marketing mix and strategies, sponsorship, licensing, and marketing research as it applies to marketing to the sport consumer, a sporting venue or sporting event.

MBA671
ANALYSIS OF LEGAL & POLITICAL ASPECTS  3 Credits
To achieve a broad based understanding of what is essential to function in sport business, it is imperative that today's sport manager is cognizant of the legal and political impact in the decision making process. Emphasis will be placed on legal theories, responsibilities, risk management, as well as, the law as it relates to politics and how working with local, state, and federal leaders can affect the structure, development, organization, and delivery of sport facilities, venues, and events.

MBA675
MANAGEMENT & LEADERSHIP THEORY  3 Credits
Effective leadership and management practices are critical to the success of sport business. In this course, students will develop these important skills by examining how leadership styles impact the formulation of effective strategies and policies for sport managers in organizing and directing sport businesses, events, and programs. Special emphasis will be placed on such areas as: policy development, negotiations, labor relations, conflict resolution, organizational culture/behavior, leadership theory, decision-making, problem-solving, and overall organization effectiveness.

MBA676
STRATEGIC MANAGEMENT IN SPORT BUSINESS  3 Credits
The course integrates sport and business concepts from the students’ graduate background into applied analysis for developing strategies to meet today’s sport business challenges. As sport business management becomes more complex, data-centric, and highly scrutinized, managers must be able to formulate strategies, make informed decisions and thoroughly understand the impact of those decisions on the stakeholders within the organizational environment. To better understand the impact management strategy and decision making have on business outcomes, the course incorporates an interactive business stimulation.
SPORT BUSINESS MANAGEMENT PRACTICUM I & II 6 Credits
As the market for sport professionals becomes increasingly competitive, practical experience in the professional arena is vital. The Sport Business Management practicum is a special research project or study intended to expose students to a practical and professional career related experience. The practicum is a two term consulting project (not an internship) which provides the opportunity to examine in-depth an aspect or area of sport business that is of interest to the client. The practicum will be considered based upon both student and business needs, and must be approved a term prior to the project. *To continue in MBA678 a minimum grade of "B" is required in MBA677.

INTERNATIONAL FINANCE & INVESTMENTS 3 Credits
This course examines the management of financial aspects of a firm in a global environment. Topics to be considered include foundations of international financial management, foreign exchange, purchasing power parity, exchange rate risk management using futures and forwards, management of transaction, economic, and translation exposure, world financial markets and institutions, foreign direct investment, and international capital budgeting. In addition, concepts of international investing will be covered, including theories and instruments used in the development of international investment portfolios.

INTERNATIONAL BUSINESS & MANAGEMENT 3 Credits
This course provides students with an understanding of the unique and dynamic environment in which international business transactions are negotiated. By stressing the global benefits of international business, students will be able to see how an organization's understanding of the global business environment plays a prominent role in the success of their individual enterprises on an international level. In addition, consideration of the interaction of differing economic systems, government systems and policies, political risks, exchange rate risks, etc. will be considered.

INTERNATIONAL LOGISTICS AND SUPPLY CHAIN MANAGEMENT 3 Credits
International trade is driven by international logistics and the provision of the global supply chain. The course attempts to help students understand how global supply chain management is linked to the market place, distribution networks, procurement activities and overall ability to operate in a global infrastructure.

TRAVEL EXPERIENCE IN INTERNATIONAL BUSINESS 3 Credits
Students will gain valuable experience expanding and enriching their skills through a faculty led international travel experience. In addition to the travel component, this course will require students to perform outside research related to business conditions in the country and region which are to be traveled to and provide written reports containing graduate level insights detailing their experiences.

ACCOUNTING PRACTICUM 3 Credits
An accounting or tax project that provides the student with a professional career-related experience. It is designed to synthesize knowledge and direct it toward the investigation of a specific accounting problem. The consulting project will be considered and staffed according to student and client needs. This project is chosen from among those provided from accounting and corporate sponsors.
MBA688
HUMAN BEHAVIOR IN ORGANIZATIONS  
This course examines the principles and practices pertaining to human behavior and organizational development. Motivation and leadership issues are studied as they impact the organization and the individual; in turn, the characteristics of individuals and group dynamics are considered as they impact organizational performance. Specific topics relate to micro and macro organizational behavior.

MBA689
GLOBAL STRATEGY  
The competition in a global industry for sources and markets strongly influences the corporate performance of multinational firms. This requires development of global strategy to direct them. The course aims to enhance understanding of how concepts from marketing, finance, logistics, global scale economies and management of diversity, among others, are used to create a competitive advantage. (Ideally) The course uses an interactive, international corporate simulation to help the student develop global strategy.

MBA690
STRATEGIC THINKING IN ORGANIZATIONS  
Through this capstone course, the student uses a process of strategic planning by drawing together the knowledge from various functional areas of an organization to enhance analysis of business in profit and non-profit settings. The course examines the vast array of strategic management tools that enable managers to evaluate traditional and contemporary strategies in an attempt to develop a strategic planning process. This course emphasizes the interacting and diverse interests of shareholders, managers, customers, employees, and the broader societal stakeholders of the organization. Finally, the role of politics and leadership style are examined in the implementation of strategy.

MBA691 & 692
PRACTICUM I & II: AN INTEGRATED CONSULTING PROJECT  
A two term team based project that provides students with professional career-related experience. It is designed to synthesize knowledge and direct it towards the investigation of a specific business problem. This is not an internship but an actual consulting project staffed according to client needs and student skills. Projects are chosen from problems that corporate sponsors request students to solve. *To continue in MBA686 a minimum grade of "B" is required in MBA685.
