

**Position Posting: Full Time Nursing Faculty
Bachelor of Science in Nursing
College of Health Professions and Sciences
Webber International University: Florida Campus**

Webber International University and the Bachelor of Science in Nursing Program invite applications for a full-time nursing faculty position beginning in February 2021.

Candidates must meet the following minimum criteria:

- Master's degree in nursing required, preferably in nursing education or an earned doctorate degree from a regionally accredited institution in the teaching or professional discipline. At least one-year previous college-level teaching experience preferred.
- Three years of full-time clinical experience in the area/areas of teaching responsibility
- Current unrestricted State of Florida registered nursing license
- Current CPR Healthcare Provider
- Effective oral and written communication skills

Roles and Responsibilities

- Provide instruction for assigned courses
- Evaluate student outcomes
- Assist in curriculum planning and course development
- Advise and tutor students and evaluate academic progression of students
- Maintain and communicate office hours to encourage regular and effective consultation with students
- Demonstrate commitment to professional development
- Participate in campus-wide and community service opportunities
- Assist with recruitment of students
- Assist in the process for obtaining and maintaining accreditation status
- Remain current with trends, issues, and practices in nursing
- Demonstrate teamwork and collaboration
- Maintain accurate class and other records required by the University and College of Health Professions and Sciences
- Submit attendance roster and grade reports
- Create, encourage, and maintain an inclusive environment that respects multiple learning styles
- Work effectively to meet the needs of diverse student populations
- Use current and emerging technologies and alternative delivery methods to enhance student learning
- Maintain positive working relationships with faculty, staff, and administration
- Practice and promote academic excellence and scholarship

- Participate in Webber activities to include committees, extracurricular activities, curriculum development
- Maintain current membership and involvement in a professional nursing organization
- Other related duties, as assigned by the Nursing Program Director

Other: Health and training requirements for the position as stipulated by clinical agencies, including but not limited to immunizations, titers, and CPR certification; excellent interpersonal, written, and oral presentations skills; proven educational or administrative experience in critical thinking, problem solving and judgment skills, and varied course delivery methodologies.

How to apply: Email a copy of your Curriculum Vitae (CV), including a list of three professional references, transcripts, and a cover letter outlining your interest for the position and your qualifications to: **danielca@webber.edu**. Attachments should be PDF files.
