## STATEMENT OF MUTUAL UNDERSTANDING

I understand that by signing the *Application for University Housing* and returning it to the University, I establish a binding agreement between myself, my parent or guardian (if applicable), and Webber International University.

I understand that the University Housing Agreement must be canceled in writing before the Residence Halls open or I will be responsible for all housing charges. I understand that failing to occupy a space after signing the *Application for University Housing* does not relieve me of the responsibility to fulfill its term.

I understand that it is my responsibility to pay housing fees on or before the date they are due. I also understand that a \$50.00 late fee may be applied to all late payments.

I understand that the \$150.00 damage and key deposit must be maintained at all times.

I understand that Webber International University does not carry insurance on my personal property. I understand that it is my responsibility to secure my own renter's insurance policy.

I understand that University housing is closed between semesters and other break times and payment for housing during school breaks is not included in the flat fee that I pay for my dorm. I understand that if I wish to remain on campus during semester breaks there will be an additional charge.

I understand this application is for student housing at Webber International University. While every effort will be made to honor your preference, all offers will be based on space available. I acknowledge that I have carefully read and agree to the terms and conditions of the University Student Services Agreement.
