

**FINAL EXAM SCHEDULE**  
**SPRING 2023**

Finals' week is an integral part of the academic term in which faculty have contact hours with students. All students are expected to take their final exams during the assigned dates and times. Students may request to reschedule an exam only if they have more than 2 exams scheduled in the same day or under extreme extenuating circumstances. Faculty should use their professional discretion in allowing any student to reschedule an exam.
