

WEBBER[®]

International University

Health Sciences Center Naming Rights Campaign

An investment into a proven institution with 95 years of experience providing quality instruction is a prudent investment that will address critical workforce needs in healthcare.

Naming Rights

exist for the following:

- Health Science Building
- Programmatic Labs (4)
- Classrooms (2)
- Accent/Logo Walls (6)

- Support in demand critical workforce needs
- Recognize legacy donors on building signage and marketing material
- Provide funding support to Webber health profession students
- Support program initiatives that include but are not limited to resources

Pledged gifts can be scheduled annually
